**Decision at the Chesapeake** Harold Atkins Larrabee, 2021-04-26 The Battle of Chesapeake Bay was one of the decisive battles of the world Before it the creation of the United States of America was possible after it it was certain Michael Lewis The History of the British Navy On the afternoon of September 5 1781 off the Capes of Virginia two and a half hours of cannonading between warships of the British and French navies determined the outcome of the American Revolution It was the one decisive engagement of the bitter six year struggle of the thirteen colonies against England and it could have gone either way Not many Americans have ever heard of it Almost no one at the time seems to have grasped its full significance George III called it a drawn battle Rear Admiral Thomas Graves a lively skirmish Rear Admiral Sir Samuel Hood a feeble action and George Washington a partial engagement As modern battles go it was a small affair Probably less than ten thousand men came under fire on each side and the total casualties did not exceed six hundred One of the many paradoxes about the Chesapeake struggle is that one of the greatest naval victories of all time was decisive because it was indecisive Not a single ship was taken or sunk during the battle itself although the British were forced to burn one afterwards and neither admiral was driven from the field Yet the result was as crushing to the hopes of General Earl Cornwallis as if every British warship had been sent to the bottom To save his army of seven thousand men the British fleet had to win control of Chesapeake Bay This it failed to do England lost naval supremacy just long enough to insure the winning of American independence Once the sea approaches to the Chesapeake were sealed the siege of Yorktown and Cornwallis's surrender were foregone conclusions Harold A Larrabee Introduction to Decision at the Chesapeake An excellent study of the naval battle fought off the Chesapeake on Sept 5 1781 between French and English fleets The account of the battle itself takes up only a small portion of the book the rest being devoted to the backgrounds of the war brief biographies of politicians and officers on both sides the reasons behind Cornwallis's fatal decision to fortify himself at Yorktown and to puncturing long accepted theories as to why France sent foreign aid to America Carefully documented and highly readable filled with fascinating details of 18th century naval warfare the book will appeal to naval buffs ashore and afloat and to all historians of America's first Civil War Kirkus Reviews Harold A Larrabee does the story of the Yorktown campaign full justice his lucid and fast moving account will interest any one who cares to know the role of sea power in achieving American independence The author's treatment of the Yorktown campaign itself is excellent In discussing the naval operations Larrabee is at his best The story is told in all its complexity yet is never mystifying It is so clear that the reader can follow it with ease and so vivid that he feels like an eyewitness of a campaign that in its combination of brilliance and blunder is perennially fascinating William B Willcox The Journal of Modern History Decision at the Chesapeake is a delight It combines scholarly acumen scholarly methodology and a good style not what is popularly labeled scholarly with a

sense of direction and purpose The author endeavors to demonstrate and to my mind does it very well that the fate of Cornwallis was definitely determined not so much by his own actions but because the British lost control of the sea in early September 1781 S W Jackman The William and Mary Quarterly For the student of sea power this is interesting reading indeed It has been written The Battle of Chesapeake Bay was one of the decisive battles of the world Before it the creation of the United States of America was possible after it it was certain The author sets out to explore this thesis and brings together from many sources some of them obscure most of what is known about this battle of the American Revolution War certainly can and must be viewed from many perspectives and the author is not unmindful of this F A Baldwin Naval War College Review With a keen sense of the dramatic a strict adherence to fact and a facile pen the author has created an outstanding contribution to the naval history of the American Revolution and has presented another graphic illustration of the importance of sea power in warfare Dr Larrabee has written one of the most penetrating accounts of the events leading up to the battle and a vivid word picture of the battle itself His device of creating a stage whereon the various Architects of Defeat exhibit either their incompetence or their blunders is a piece of graphic historical writing There are profiles of George III and the Lords North Germain and Sandwich which clearly expose their fatuous belief that the American Colonies could be conquered with ease of the Admirals Graves Hood and Rodney and the Generals Clinton and Cornwallis which place them in no favorable light as strategists or tacticians William Bell Clark The Pennsylvania Magazine of History and Biography

James Preston Hardison,2010-03-04 Tears Of Love profoundly portrays the love respect devotion and loyalty that two sisters have for each other even though each of them are in love with the same man Josh Lambert is a very handsome man that is devoted to his employer which happens to be the father of these sisters To Josh it was love at first sight when he saw one of the sisters at a Christmas party In order to meet the woman that had captured his heart he would have to face her bully boyfriend An action packed love story filled with suspense action drama and mystery This fictional novel will soften your heart and grip your emotions as it takes the reader on a journey of shattered dreams and broken hearts Tears Of Love is a fantastic book to read as it reflects the unyielding love between a man and a woman This novel will surely make you laugh cry and perhaps reflect back on some of your own life experiences The setting is in rural America 2009 **Flood Water**
