Roger Fenton Pasha Bayadere:

Roger Fenton Gordon Baldwin,1996-09-26 Roger Fenton's photograph Pasha and Bayad re is a fascinating image in its own right and is an expression of a more general Orientalist craze that grew steadily stronger during the nineteenth century in Europe In his rich and detailed study Baldwin explains how this image of a seated man and a dancing woman embodies themes and motifs that can be found in the work of nineteenth century artists from Eug ne Delacroix to John Frederick Lewis to Alfred Lord Tennyson He has also brought to light significant new information about the life and career of Fenton the important Victorian photographer best known for his photographs of the Crimean War Roger Fenton: Pasha and Bayadère, by Gordon Baldwin. Published by the J. Paul Getty Museum. [Book Review]. Mark Haworth-Booth,1997

Encyclopedia of Nineteenth-Century Photography John Hannavy, 2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide Orientalism and Representations of Music in the Nineteenth-Century British Popular Arts Claire Mabilat, 2017-07-05 Representations of music were employed to create a wider Orient on the pages stages and walls of nineteenth century Britain This book explores issues of orientalism otherness gender and sexuality that arise in artistic British representations of non European musicians during this time by utilizing recent theories of orientalism and the subsidiary particularly aesthetic and literary theories both on which these theories were based and on which they have been influential The author uses this theoretical framework of orientalism as a form of othering in order to analyse primary source materials and in conjunction with musicological literary and art theories thus explores ways in which ideas of the Other were transformed over time and between different genres and artists Part I The Musical Stage discusses elements of the libretti of popular musical stage works in this period and the occasionally contradictory ways in which racial Others was represented through text and music a particular focus is the depiction of Oriental women and ideas of sexuality Through examination of this collection of libretti the ways in which the writers of these works filter and romanticize the changing intellectual ideas of this era are explored Part II Works of Fiction is a close study of the works of Sir Henry Rider Haggard using other examples of popular fiction by

Garcia, 2010 From as early as 1839 artists began exploring photography s enormous potential for storytelling and often went to great lengths to create pictures for the camera Here a short introductory essay summarizes the history of staged photography highlighting key debates on the medium's blunt factuality and its capacity for deception **Orientalism** Ali Behdad, Luke Gartlan, 2013-10-01 The Middle East played a critical role in the development of photography as a new technology and an art form Likewise photography was instrumental in cultivating and maintaining Europe s distinctively Orientalist vision of the Middle East As new advances enhanced the versatility of the medium nineteenth century photographers were able to mass produce images to incite and satisfy the demands of the region s burgeoning tourist industry and the appetites of armchair travelers in Europe In this way the evolution of modern photography fueled an interest in visual contact with the rest of the world Photography's Orientalism offers the first in depth cultural study of the works of European and non European photographers active in the Middle East and India focusing on the relationship

between photographic literary and historical representations of this region and beyond The essays explore the relationship between art and politics by considering the connection between the European presence there and aesthetic representations produced by traveling and resident photographers thereby contributing to how the history of photography is understood

Art Information and the Internet Lois Swan Jones, 2013-12-16 In the first book of its kind art information expert Lois Swan Jones discusses how to locate visual and textual information on the Internet and how to evaluate and supplement that information with material from other formats print sources CD ROMS documentary videos and microfiche sets to produce excellent research results The book is divided into three sections Basic Information Formats Types of Websites and How to Find Them and How to Use Web Information Jones discusses the strengths and limitations of Websites scholarly and basic information resources are noted and search strategies for finding pertinent Websites are included Art Information and the Internet also discusses research methodology for studying art historical styles artists working in various media individual works of art and non Western cultures as well as art education writing about art problems of copyright and issues concerning the buying and selling of art This title will be periodically updated The Ultimate Spectacle Ulrich Keller, 2013-10-18 Chloroform telegraphy steamships and rifles were distinctly modern features of the Crimean War Covered by a large corps of reporters illustrators and cameramen it also became the first media war in history For the benefit of the ubiquitous artists and correspondents both the domestic events were carefully staged giving the Crimean War an aesthetically alluring even spectacular character With their exclusive focus on written sources historians have consistently overlooked this visual dimension of the Crimean War Photo historian Ulrich Keller challenges the traditional literary bias by drawing on a wealth of pictorial materials from scientific diagrams to photographs press illustration and academic painting The result is a new and different historical account which emphasizes the careful aesthetic scripting of the war for popular mass consumption at A Victorian Traveler in the Middle East Nancy Micklewright, 2017-07-05 Juxtaposing the albums of Lady home Brassey an overlooked figure among Victorian women travelers with Brassey's travel books Nancy Micklewright takes advantage of a unique opportunity to examine the role of photography in the 1870s and 1880s in constructing ideas about place and empire This study draws on a range of source material to investigate aspects of the Brassey collection The book begins with an overview of Lady Brassey's life and projects as well as an examination of issues relevant to subsequent discussions of the travel literature the photographs and the albums in which the photographs are assembled Lady Brassey is next considered as a traveler and public figure and the author gives an overview of Brassey's travel literature placing her in her social and political context Micklewright then considers the seventy volumes of photographs which comprise the Brassey album collection taking an especially close look at the eight albums devoted to the Middle East Analyzing the specific contents and structure of the albums and the interplay of text and image within she explores how the Brasseys constructed their presentation of the region While confirming some earlier work about constructions of the Orient by the British during

the time this book offers a much more detailed and nuanced understanding of how photographic and literary constructions were related to individual experience and identity within a larger British identity. The first appendix explores the illustrative relationship between the photograph albums and Lady Brassey's travel books yielding an understanding of the processes involved in transferring the photographic image to a printed one at a particular moment in the development of book illustration A second appendix lists the contents and named photographers of all seventy albums in the Brassey collection All in all Micklewright's study makes a significant contribution to our understanding of the complex and unstable socia movements during the first half of the twentieth century It is a compilation of archival photographs that includes portraits of key figures in the movements demonstrations election campaigns diverse forms of women s activism and female pioneers in various fields Although written histories of the Egyptian women s movement abound the photographs included in this book bring to life the events and personalities of the time in ways that the written word cannot The collection emphasizes the diversity of women's struggles in terms of their various goals such as the right to vote education and women's participation in the Egyptian nationalist struggle It also highlights some of the women s movement s lesser known figures who were instrumental in achieving their goals While some of the pictures were published in magazines and journals at the time they are brought together here to tell the story of the women s movement more fully The deeper knowledge provided by this collection of photographs enhances our knowledge of the women's movement and will inspire generations of activists to **A Career of Japan** Luke Gartlan, 2019-08-26 A Career of Japan is the first study of one of the major photographers come and personalities of nineteenth century Japan Baron Raimund von Stillfried was the most important foreign born photographer of the Meiji era and one of the first globally active photographers of his generation He played a key role in the international image of Japan and the adoption of photography within Japanese society itself Yet the lack of a thorough study of his activities travels and work has been a fundamental gap in both Japanese and Western language scholarship Based on extensive new primary sources and unpublished documents from archives around the world this book examines von Stillfried s significance as a cultural mediator between Japan and Central Europe It highlights the tensions and fierce competition that underpinned the globalising photographic industry at a site of cultural contact and exchange treaty port Yokohama In the process it raises key questions for Japanese visual culture Habsburg studies and cross cultural histories of photography and globalisation A Career of Japan is the winner of the 2nd Professor Josef Kreiner Hosei University Award for International Studies Kreiner Award Luke Gartlan's book is a compelling and enjoyable read and contributes major new perspectives to the growing field of Meiji photography It will certainly be the authoritative work on Raimund von Stillfried but it is also impressive for its contributions to other important areas of Meiji cultural studies including representations of the emperor photography of Hokkaido and world s fairs Bert Winther Tamaki University of California Irvine Historical Evidence and

Argument David Henige, 2006-01-20 Historians know about the past because they examine the evidence But what exactly is evidence how do historians know what it means and how can we trust them to get it right Historian David Henige tackles such questions of historical reliability head on in his skeptical unsparing and acerbically witty Historical Evidence and Argument Systematic doubt is his watchword and he practices what he preaches through a variety of insightful assessments of historical controversies for example over the dating of artifacts and the textual analysis of translated documents Skepticism Henige contends forces us to recognize the limits of our knowledge but is also a positive force that stimulates new scholarship to counter it Finding Antiquity, Making the Modern Middle East Guillemette Crouzet, Eva Miller, 2025-06-12 This volume presents innovative studies of how the emerging disciplines of archaeology and ancient history shaped the modern Middle East and how they were in turn shaped by competing visions and agendas of empires and new nations The Middle East was a region constructed through its putatively unique relationship to the whole world s past and its special relevance for the destiny of empires and nations Over the course of the nineteenth and early twentieth centuries European empires fought for influence and control over this cradle of civilization empire and monuments and local powers and people in the Middle East worked with and against these historical and heritage frameworks in their own quests for self determination In this volume contributors from the fields of history archaeology and heritage explore how historical consciousness about the Middle East was contested in the nineteenth and early twentieth century through excavation and interpretation of the past Chapters span West Asia and North Africa covering Turkey Iraq Iran Syria Lebanon Israel Palestine Egypt and Tunisia and the imperial history of Britain France Germany and the Ottoman Empire The result is an original contribution to our understanding of the origins and influence of Middle Eastern archaeology which resonates today in contemporary discussions on heritage discourses and practices **Ethno Identity Dance for Sex, Fun and Profit** Anthony Shay, 2016-08-30 People all over the world dance traditional and popular dances that have been staged for purposes of representing specific national and ethnic groups Anthony Shay suggests these staged dance productions be called ethno identity dances especially to replace the term folk dance which Shay suggests should refer to the traditional dances found in village settings as an organic part of village and tribal life Shay investigates the many motives that impel people to dance in these staged productions dancing for sex or dancing sexy dances dancing for fun and recreation dancing for profit such as dancing for tourists dancing for the nation or to demonstrate ethnic pride In this study Shay also examines belly dance Zorba Dancing in Greek nightclubs and restaurants Tango Hula Irish step dancing and Ukrainian dancing
