**Literature** Ari Friedlander, 2023-01-17 The rogue a term that described criminals prostitutes vagrants beggars and the unemployed dominated the pages of early modern popular crime literature *Rogue Sexuality* resituates the rogue by focusing on how their menace and their seductive appeal emerged not only from their social marginality but also from their supposedly excessive sexuality and prodigious sexual reproduction Through discussions of both familiar and little studied early modern works by William Shakespeare John Milton Ben Jonson Thomas Middleton Thomas Dekker Robert Greene Thomas Harman and the inventor of modern demography John Graunt this volume posits the sexualized rogue as the avatar of a new category of socio sexual identity and traces a surprising social transposition in which socio political elites are portrayed as appropriating the rogue s sexual vitality and performative charisma to navigate moments of crisis By tracking the movement of rogue sexuality from a criminal to a normative discursive register this book challenges the distinctions that literary critics and historians tend to draw between orderly and disorderly sexuality With its focus on reproduction rogue sexuality also provides a new framework for what Michel Foucault called biopolitics the state s focus on exercising power over life In legal administrative and scientific documents this book shows that early modern writers grappled with popular pamphlets rendering of the alleged threat of rogue reproduction *Rogue Sexuality* thus offers a new approach to the political history of early modern England as a population as a people whose aggregate sexual life and reproduction were a key part of its political imagination *The Noble Rogue* Emmuska Orczy Orczy, 2023-07-21 [The English rogue: described, in the life of Meriton Latroon](#) Richard Head, 1665 **The Lacey Chronicles #3: The Rogue's Princess** Eve Edwards, 2013-01-08 For fans of Philippa Gregory The final book in The Lacey Chronicles offers another captivating tale of romance deception and destiny England 1586 Mercy Hart daughter of one of London s wealthiest and most devout cloth merchants is expected to marry her equal in rank and piety Certainly not Kit Turner a lowly actor and playboy who also happens to be the late Earl of Dorset s illegitimate son But when a chance encounter throws them together Kit instantly falls for the beautiful Mercy s charms and Mercy can t deny the passion that Kit stirs within her She seems ready to defy her father s wishes ready to renounce her family and her family name for true love Then Kit finds himself accused treason Will Mercy have the strength to stand by him Or will she succumb to pressure and break his heart **The Noble Rogue** Baroness Emmuska Orczy Orczy, 2019-11-19 In *The Noble Rogue* Baroness Emmuska Orczy crafts a captivating tale of adventure and intrigue woven from the rich tapestry of 18th century Europe This historical novel showcases her signature style blending romanticism with a swashbuckling narrative that is both engaging and richly detailed Set against a backdrop of political unrest the story unfolds through the eyes of charismatic protagonists who navigate the treacherous waters of love and loyalty entangled within a society where honor often clashes with betrayal Orczy s careful attention to period detail coupled with her deft character development elevates this narrative situating it within the broader context of her notable works exploring themes of nobility and bravery Baroness Orczy a Hungarian born British writer drew on her unique heritage and extensive

knowledge of European history to pen this novel Her background enriched by the cultural upheavals of her time informed her portrayal of both noble ideals and the complexities of human nature As an advocate for the arts she possessed an acute understanding of the societal dynamics at play which inspired her to create stories that resonated with readers seeking both entertainment and reflection For readers who appreciate historical fiction imbued with romance and adventure The Noble Rogue offers a thrilling exploration of ethical dilemmas amidst a richly drawn historical setting It is a testament to Orczy's talents and her ability to captivate audiences rendering this book a must read for lovers of classic literature and those seeking to immerse themselves in a world of honor and intrigue

When this piece was first published it was ushered into the World with the usual ceremony of a Preface and that a large one whereby the Authour intended and endeavoured to possess the Reader with a belief that what was written was the Life of a Witty Extravagant the Authours Friend and Acquaintance This was the intent of the Writer but the Readers could not be drawn to this belief but in general concurred in this opinion that it was the Life of the Authour and notwithstanding all that hath been said to the contrary many still continue in this opinion Indeed the whole story is so genuine and naturally described without any forcing or Romancing that all contained in it seems to be naturally true and so I le assure you it is but not acted by any one single person much less by the Authour who is well known to be of an inclination much different from the foul debaucheries of the Relations the French Rogue Francion and several other by Forraign Wits and have upon examination found that the Authors were persons of great eminency and honour and that no part of their own writings were their own lives they had happily changed their opinion of the Authour of this but they holding this opinion caused him to desist from prosecuting his story in a Second Part and he having laid down the Cudgels I took them up and my design in so doing was out of three considerations the first and chiefest was to gain ready money the second I had an itch to gain some Reputation by being in Print and thereby revenge my self on some who had abused me and whose actions I recited and the third was to advantage the Reader and make him a gainer by acquainting him with my experiences This were the reasons for my engaging in the Second part and the very same reason induced me to joyn with the Authour in composing and Writing a third and fourth Part in which we have club'd so equally and intermixt our stories so joyntly that it is some difficulty for any at first sight to distinguish what we particularly Writ and now having concluded the Preface which should never have been begun but that I had a blank page and was unwilling to be so ill a husband for you but that you should have all possible content for your money and withal to tell you that I would not have you as yet to expect any more parts of the book for although a fifth and last part is design'd yet I le assure you there is never a stitch amiss nor one line Written of it and if you
