**Womanpower Unlimited and the Black Freedom Struggle in Mississippi** Tiyi M. Morris, 2015-02-15

In *Womanpower Unlimited and the Black Freedom Struggle in Mississippi* Tiyi M. Morris provides the first comprehensive examination of the Jackson Mississippi based women's organization Womanpower Unlimited

Founded in 1961 by Clarie Collins Harvey the organization was created initially to provide aid to the Freedom Riders who were unjustly arrested and then tortured in Mississippi jails

Womanpower Unlimited expanded its activism to include programs such as voter registration drives, youth education and participation in Women Strike for Peace

Womanpower Unlimited proved to be not only a significant organization with regard to civil rights activism in Mississippi but also a spearhead movement for revitalizing black women's social and political activism in the state

Womanpower Unlimited elucidates the role that the group played in sustaining the civil rights movement in Mississippi

Consistent with the recent scholarship that emphasizes the necessity of a bottom up analysis for attaining a more comprehensive narrative of the civil rights movement this work broadens our understanding of movement history in general by examining the roles of local

people as well as the leadership women provided. Additionally, it contributes to a better understanding of how the movement developed in Mississippi by examining some of the lesser-known women upon whom activists both inside and outside of the state relied. Black women and Womanpower specifically were central to movement successes in Mississippi, and Womanpower's humanist agenda resulted in its having the most diverse agenda of a Mississippi-based civil rights organization. **Role of**

**ORGANISATIONS AND FREEDOM STRUGGLE IN MUMBAI KARNATAKA** Dr. Nagaraj Veerabhadrappe

Sambaji, 2023-09-14 Hardekar Manjappa in Karnataka was very much influenced by the Swadeshi movement of Tilak, that is why he exhorted his people to realize the ideas of Tilak on his own example. He liked Tilak's views on national education. Tilak's concept of education was that which gives us knowledge of the experience of our ancestors that which enables us to become true citizens and to earn our bread is called education. 1 That is why Manjappa said education is not conducive to self-reliance and relaxing living among the people does not deserve to be called by that name. He was of the opinion that we should not remain content with the existing system of education which makes us fit only for subordination and servitude. Therefore, he laid stress upon technical and religious education. By technical education, he meant that education should provide a sense of self-security. 2 The aim of education should be to provide capacity for self-employment. He advised thousands of our youths that they should go to the highly developed countries of the West to receive education in industrial technology and after their return, they must help to augment the national wealth. 3 The work of educating the people is the accountability of the educated few.
