Roles And Relationships Library Of Social Work:

Roles and Responsibilities of Libraries in Increasing Consumer Health Literacy and Reducing Health

Disparities Beth St. Jean, Gagan Jindal, Yuting Liao, Paul T. Jaeger, 2020-11-30 This volume brings together librarians LIS students educators and researchers to discuss the many ways that information professionals and libraries serve as agents of securing health information justice

Whole Person Librarianship Sara K. Zettervall, Mary C. Nienow, 2019-08-14 Whole Person Librarianship guides librarians through the practical process of facilitating connections among libraries social workers and social services explains why those connections are important and puts them in the context of a national movement Collaboration between libraries and social workers is an exploding trend that will continue to be relevant to the future of public and academic libraries Whole Person Librarianship incorporates practical examples with insights from librarians and social workers The result is a new vision of library services The authors provide multiple examples of how public and academic librarians are connecting their patrons with social services They explore skills and techniques librarians can learn from social workers such as how to set healthy boundaries and work with patrons experiencing homelessness they also offer ideas for how librarians can self educate on these topics The book additionally provides insights for social work partners on how they can benefit from working with librarians While librarians and social workers share social justice motivations their methods are complementary and yet still distinct librarians do not have to become social workers Librarian readers will come away with many practical ideas for collaboration as well as the ability to explain why collaboration with social workers is important for the future of librarianship

Communication in Social Work Peter R. Day, 2014-05-17 Communication in Social Work focuses on the role of communication in social work This book discusses aspects of communication in the helping process and illustrates where information and advice on their own would not have been helpful to the client Comprised of seven chapters this book begins with an overview of the nature of communication and explains why a study of the communication process may help in dealing with serious problems of the environment and human relations Attention then turns to communication processes in social work with emphasis on the role of non verbal behavior in the interaction between social worker and client along with the factors that influence communication between them The chapters that follow focus on social factors in communication considering the sociological view of social work as a mechanism of social control as well as the importance of communication in the helping process This book concludes by explaining how social agency contributes to the nature of the social worker s activities touching on topics such as problems of cooperation and coordination in social welfare This text will be of interest to professionals and policymakers involved in social work
