My Basic Needs Food Clothing Shelter You 30 Love Notes:

Boomer Destiny Tom Osenton, 2009-04-30 The U S experiences a major crisis about every eighty years and the last big crisis started more than eighty years ago If history is any indicator argues author Tom Osenton we are in the very early stages of the next major crisis one that could make the Great Depression seem like a day at the beach The storm clouds are on the horizon A slowing U S economy major banks failing a weakening dollar the subprime mortgage debacle a widening gap between the wealthy and working class credit delinquencies and bankruptcies on the rise infrastructure crumbling healthcare in crisis the list goes on and on Baby Boomers says Osenton are standing precisely where FDR stood at the beginning of the Great Depression and they are in a unique position to help pull society out of the morass and set the country on a course of growth and contentment for generations to come It s no wonder that most young people do not feel they will be better off than their parents Besides a looming economic crisis we face a number of other crises budget deficit environmental real estate infrastructure education immigration and healthcare Now throw in some unforeseen wild cards such as terrorism war disease poverty homelessness and natural disasters and you have a recipe for a cataclysmic multi generational failure that will take decades and trillions of dollars to fix Boomers are about to move into the role as the elders of an America desperate for leadership It will be Boomers who take responsibility for directing us through the minefield of crises that will profoundly shape the U S for decades to come It will be the Boomers responsibility and their destiny and legacy to lead the U S through a thicket of issues that have been back burned by at least the last five presidential administrations Full of solutions to seemingly intractable problems Boomer Destiny shows how they can do it Glen Samuel Richardson, 2011-08-02 Biography of Glen Orrin Richardson son of Justin V and Hortense Earl Richardson compiled by Hope R Barrowes Cover design and book layout by Samuel Richardson owner of Silver Storm Imaging and Printing Contains Glen s journal entries letters he s written and his achievements Also contains writing to or about him by his family and friends Included is a scrapbook of his life Be Who You Are to Get What You Want Damali Peterman, 2025-09-16 Previously published as Negotiating While Black Winner of the 2024 Most Useful Book by the Non Obvious Book Awards A real world one of a kind resource for anyone who has ever been underestimated overlooked or misunderstood at the negotiating table There s no shortage of negotiation books that advise you to get to yes urge you to never split the difference and tell you to ask for more But one size fits all tactics don t work in our complex multifaceted multicultural world because they overlook the unpredictable role bias plays in most negotiations Luckily the one constant you can count on in every negotiation is yourself and when you learn to leverage who you are to your advantage you can win every time Be Who You Are to Get What You Want is the book lawyer and mediator Damali Peterman wishes had existed when faced with the kind of situations that other negotiation scripts just don t consider like navigating workplaces as the only Black woman or advocating for her son in his predominantly white classroom Drawing on decades of training and experience as a negotiator in high

stakes situations Peterman has developed successful strategies like the Foundational Five skills all negotiators need and the Negotiation Superpowers that will lift you to the next level In the process she takes readers out of the boardroom and into real life showing that even in the most difficult negotiation everything is potentially up for discussion even when stakes and emotions are high Using real life examples sample scripts and her negotiation tool kit Peterman guides you to lean into what makes you unique and discover how it will help your negotiations in surprising successful ways Because when you show up prepared and proud of who you are you ll reap the rewards

The Collapse of Parenting Leonard Sax, 2024-10-01 In this New York Times bestseller one of America s premier physicians offers a must read account of the new challenges facing parents today and a program for how we can better prepare our children to navigate the obstacles they face In The Collapse of Parenting internationally acclaimed author Leonard Sax argues that rising levels of obesity depression and anxiety among young people can be traced to parents abdicating their authority The result is children who have no standard of right and wrong who lack discipline and who look to their peers and the Internet for direction Sax shows how parents must reassert their authority by limiting time with screens by encouraging better habits at the dinner table and by teaching humility and perspective to renew their relationships with their children Drawing on nearly thirty years of experience as a family physician and psychologist along with hundreds of interviews with children parents and teachers Sax offers a blueprint parents can use to help their children thrive in an increasingly complicated world
