New Versions Of Victims Feminists Struggle With The Concept

RM Cervero

New Versions Of Victims Feminists Struggle With The Concept:

New Versions of Victims Sharon Lamb, 1999-06 The papers collected here present a critical analysis of popular debates about victimization The authors argue that we must move beyond polarized positions to examine the victim as a socially constructed term and to explore in nuanced terms why we see victims the way we do Must one have been subjected to extreme or prolonged suffering to merit designation as a victim How are we to explain rape victims who seemingly get over their experience with no lingering emotional scars The papers simultaneously critique exaggerated claims by victim advocates about the harm of victimization while taking on the reactionary boilerplate of writers such as Katie Roiphe and Camille Paglia and offering further strategies for countering the backlash [New Feminist Stories of Child Sexual Abuse](#)

Paula Reavey, Sam Warner, 2003 Child sexual abuse is a multifaceted event interpreted in many different ways in many different contexts In [New Feminist Stories of Child Sexual Abuse](#) contributors try to untangle some of the complex ways in which stories of child sexual abuse are translated through and into personal professional and social politics The first section of the book explores the cultural and political landscape of child sexual abuse in Western and non Western contexts It examines the ways in which radical aspects of feminism can be undermined in Western cultures and how Westernised ideologies of childhood sex and gender have been used to structure discussions about child sexual abuse across the world The second section traces the effects of these wider cultural and political narratives through the various contexts in which child sexual abuse is theorised and around which interventions in the lives of women are structured It provides insights into how traditional approaches to understanding harm can be challenged and reworked in practice using alternative therapeutic models based on feminist post structuralist agendas Reworking earlier feminist analyses [New Feminist Stories of Child Sexual Abuse](#) asks pertinent questions about how child sexual abuse is produced rather than merely represented in the ways we speak about it **Re-writing Women as Victims** María José Gámez Fuentes, Sonia Núñez Puente, Emma Gómez Nicolau, 2019-10-17 This volume critically analyses political strategies civil society initiatives and modes of representation that challenge the conventional narratives of women in contexts of violence It deepens into the concepts of victimhood and agency that inform the current debate on women as victims The volume opens the scope to explore initiatives that transcend the pair abuser victim and explore the complex relations between gender and violence and individual and collective accountability through politics activism and cultural productions in order to seek social transformation for gender justice In innovative and interdisciplinary case studies it brings attention to initiatives and narratives that make new spaces possible in which to name self identify and resignify the female political subject as a social agent in situations of violence The volume is global in scope bringing together contributions ranging from India Cambodia or Kenya to Quebec Bosnia or Spain Different aspects of gender based violence are analysed from intimate relationships sexual violence military contexts society and institutions [Re writing Women as Victims From Theory to Practice](#) will be a key text for students researchers and

professionals in gender studies political sciences sociology and media and cultural Studies Activists and policy makers will also find its practical approach and engagement with social transformation to be essential reading

Analyzing Violence Against Women Wanda Teays, 2019-04-01 This timely anthology brings into sharp relief the extent of violence against women Its range is global and far reaching in terms of the number of victims There are deeply entrenched values that need to be rooted out and laid bare This text offers a philosophical analysis of the problem with important insights from the various contributors Topics range from sexual assault to media violence prostitution and pornography domestic violence and sexual harassment Each of the four parts include essays which tackle these issues and provide us with tools for bringing about change The philosophical approaches to the topic give readers insight into the harms of interpersonal violence and its impact on the lives of its victims Analyzing Violence Against Women calls us to examine public policies and work for systemic change In the process we are reminded that the concerns of the discipline of Philosophy encompasses issues with a wider scope Students will especially benefit from seeing how the various authors grapple with this pressing issue and clarify why we need to bring about change

Rethinking Mental Health and Disorder Mary B. Ballou, Laura S. Brown, 2002-09-26 This volume presents work at the interface of feminist theory and mental health The editors a stellar array of contributors to continue the vital process of feminist theory building and critique

Online Anti-Rape Activism Rachel Loney-Howes, 2020-08-17 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online This book examines the nature use and scope of online spaces for anti rape activism offering a critical commentary on its limitations and potentials

Intimate Partner Violence in LGBTQ Lives Janice L. Ristock, 2011-04-26 Queer lives remain at the margins of most academic inquiry into domestic violence This edited volume seeks to change this discourse by bringing together the most innovative research about intimate partner violence that is specific to the lives of lesbian gay bisexual transgender Two Spirit and queer people LGBTQ

Moral Wages Kenneth H. Kolb, 2014-07-18 Moral Wages offers the reader a vivid depiction of what it is like to work inside an agency that assists victims of domestic violence and sexual assault Based on over a year of fieldwork by a man in a setting many presume to be hostile to men this ethnographic account is unlike most research on the topic of violence against women Instead of focusing on the victims or perpetrators of abuse Moral Wages focuses exclusively on the service providers in the middle It shows how victim advocates and counselors who don t enjoy extrinsic benefits like pay power and prestige are sustained by a different kind of compensation As long as they can overcome a number of workplace dilemmas they earn a special type of emotional reward reserved for those who help others in need moral wages As their struggles mount though it becomes clear that their jobs often put them in impossible situations requiring them to aid and feel for vulnerable clients yet giving them few and feeble tools to combat a persistent social problem

Women Voicing Resistance Suzanne McKenzie-Mohr, Michelle N. Lafrance, 2014-03-26 Feminist scholars have demonstrated how dominant discourses and master narratives frequently reflect patriarchal influence

thereby distorting and depoliticizing women's storying of their own lives In this groundbreaking volume a number of internationally recognized researchers working across a range of disciplines provide a detailed examination of women's attempts to counter story their lives when prevailing discourses are unhelpful or indeed harmful As such it is an exploration of women's agency and resistance which highlights the challenges and complexities of such discursive work The chapters explore women's resistance across a wide range of experiences including intimate partner violence casual sex depression premenstrual change disordered eating lesbian identity women's work in male dominated spaces rape and child birth Each chapter combines theoretical analyses with illuminating first hand accounts and elaborates practical implications that provide directions for individual and social change Providing an incisive and comprehensive exploration of discourse oppression and resistance that cuts across domains of women's everyday lives *Women Voicing Resistance* will be of great interest to students scholars and practitioners in the fields of psychology gender studies women's studies sociology and social work

The Oxford Handbook of Gender, Sex, and Crime Rosemary Gartner, Bill McCarthy, 2014 Research on gender sex and crime today remains focused on topics that have been a mainstay of the field for several decades but it has also recently expanded to include studies from a variety of disciplines a growing number of countries and on a wider range of crimes The Oxford Handbook of Gender Sex and Crime reflects this growing diversity and provides authoritative overviews of current research and theory on how gender and sex shape crime and criminal justice responses to it The editors Rosemary Gartner and Bill McCarthy have assembled a diverse cast of criminologists historians legal scholars psychologists and sociologists from a number of countries to discuss key concepts and debates central to the field The Handbook includes examinations of the historical and contemporary patterns of women's and men's involvement in crime as well as biological psychological and social science perspectives on gender sex and criminal activity Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime An important theme throughout The Handbook is the intersection of sex and gender with ethnicity class age peer groups and community as influences on crime and justice Individual chapters investigate both conventional topics such as domestic abuse and sexual violence and topics that have only recently drawn the attention of scholars such as human trafficking honor killing gender violence during war state rape and genocide The Oxford Handbook of Gender Sex and Crime offers an unparalleled and comprehensive view of the connections among gender sex and crime in the United States and in many other countries Its insights illuminate both traditional areas of study in the field and pathways for developing cutting edge research questions

Child Abuse, Gender and Society Jackie Turton, 2007-11-21 This book investigates the silence that surrounds the sexual abuse of children by women uncovering the denial minimization and rationales used by the victims the perpetrators and the professionals

Batman: the Animated Series Joe Sutcliffe Sanders, 2021-04-06 A deep dive into the wildly successful 1990s animated series Batman It's possible that no other version of Batman has been more influential than the one that debuted as a children's cartoon in 1992

For millions of fans around the world the voices of Batman and the Joker introduced in Batman The Animated Series BTAS remain the default. The characters designs and major themes of the show went on to shape other cartoons films and bestselling video games. In this study Joe Sutliff Sanders argues that BTAS is not only a milestone of television but a milestone in the public persona of one of the most recognizable characters in the world. The series introduced a new generation to Batman and provided the foundation for a family of cartoons that expanded the superhero universe. It introduced or reinvented major characters including Mr Freeze Robin the Joker and Harley Quinn. In three chapters Sanders pursues the intricate arguments that still energize BTAS. Chapter 1 explores the visuals of the show the artistic histories and tensions that inform its revolutionary style and what ideas intentional and otherwise its aesthetic implies. Chapter 2 turns to the task of defining a good wealthy person against a backdrop of bad getting to the heart of one of Batman's most problematic characteristics. Lastly chapter 3 considers Harley Quinn a character who emblemizes much of what made BTAS successful. From her first appearance Harley has been both sexy and witty victor and victim and this chapter explains the duality that defines her. Since its debut in 1992 BTAS has garnered multiple awards launched or developed the careers of countless important artists and created aesthetic styles in terms of both visuals and voice acting that continue to resonate. Sanders's book follows an informative and exciting path through the material and is designed to be accessible to aficionados as well as relative newcomers. Batman fans popular culture enthusiasts and media studies scholars will find within these pages insights and ironies to provoke endless conversations.

Gender, Dating and Violence in Urban China Xiying Wang, 2017-07-06 This book explores young people's experiences of and views on dating gender sexuality sexual hegemony and violence within dating relationships. Based on interviews and focus groups conducted in Beijing over a decade and focusing especially on dating violence the book reveals provides insights into a wide range of issues of gender and sexuality in contemporary China. It shows how young Chinese people's attitudes and behaviors are changing as urban China develops rapidly and how their experience of dating violence and meaning making are affected by age gender location and class.

Feminist Theories: Oxford Bibliographies Online Research Guide Claire M. Renzetti, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs. Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a

static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

The Social Psychology of Good and Evil Arthur G. Miller, 2005-04-06 This compelling work brings together an array of distinguished scholars to explore key concepts theories and findings pertaining to some of the most fundamental issues in social life the conditions under which people are kind and helpful to others or conversely under which they commit harmful even murderous acts Covered are such topics as the complex interaction of individual societal and situational factors underpinning good or evil behavior the role of guilt and the self concept and issues of responsibility and motivation including why good people do bad things The volume also examines whether aggression and violence are inescapable aspects of human nature and how cooperative interaction can break down stereotyping and discrimination

After Tragedy Strikes Thomas D. Beamish, 2024-04-09 While trauma and loss can occur anywhere most suffering is experienced as personal tragedy Yet some tragedies transcend everyday life s sad but inevitable traumas to become notorious public events de facto public tragedies In these crises suffering is made publicly visible and lamentable Such tragedies are defined by public accusations social blame outpourings of grief and anger spontaneous memorialization and collective action These in turn generate a comparable set of political reactions including denial denunciation counterclaims blame avoidance and a competition to control memories of the event Disasters and crises are no more or less common today than in the past but public tragedies now seem ubiquitous After Tragedy Strikes argues that they are now epochal public tragedies have become the day s definitive social and political events Thomas D Beamish deftly explores this phenomenon by developing the historical context within which these events occur and the role that political elites the media and an emergent ideology of victimhood have played in cultivating their ascendance

Feminist Counselling Lynda R. Ross, 2010-04 The evolution of feminist therapy involves the reconstruction of therapeutic goals values frameworks and theory as well as an acknowledgement that there is no single reality no one right feminist theory or epistemological position about women This collection of original articles addresses a range of topics relevant to understanding contemporary Canadian women s experiences The contributors are like the women who enter into counselling relationships from diverse backgrounds and experiences and speak in a variety of voices Features discusses multiculturalism motherhood women s sexuality woman abuse violence against women dominance relationships and mental health concerns affecting Aboriginal women s realities considers embodiment lesbianism ethics social justice crisis counselling storytelling and women who are mandated to seek counselling

Routledge International Handbook of Ignorance Studies Matthias Gross, Linsey McGoey, 2015-05-15 Once treated as the absence of knowledge ignorance today has become a highly influential topic in its own right commanding growing attention across the natural and social sciences where a wide range of scholars have begun

to explore the social life and political issues involved in the distribution and strategic use of not knowing The field is growing fast and this handbook reflects this interdisciplinary field of study by drawing contributions from economics sociology history philosophy cultural studies anthropology feminist studies and related fields in order to serve as a seminal guide to the political legal and social uses of ignorance in social and political life Chapter 33 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available here https://tandfbis.s3.us-west-2.amazonaws.com/rftfiles/docs/OpenAccessChapters/9780415718967_oachapter33.pdf

Governance Feminism Janet Halley, Prabha Kotiswaran, Rachel Rebouché, Hila Shamir, 2019-03-26 An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South Governance Feminism Notes from the Field brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and state like power Gathering examples from North America South America Europe Asia and the Middle East it complements and expands on the companion volume Governance Feminism An Introduction Its chapters argue that governance feminism GF is institutionally diverse and globally distributed emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector in civil society and in international relations The book begins by confronting the key role that crime and punishment play in GFeminist projects Here contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn Other chapters speak to another face of GFeminism feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices Several contributions highlight the political strategic and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field The book concludes with a focus on feminist interventions in postcolonial legal and political orders looking at new policy spaces opened up by conflict postconflict and occupation Providing a clear cross cutting critical lens through which to map developments in feminist governance around the world Governance Feminism Notes from the Field makes sense of the costs and benefits of current feminist realities to reimagine feminist futures Contributors Libby Adler Northeastern U Aziza Ahmed Northeastern U Elizabeth Bernstein Barnard College Amy J Cohen Ohio State U Karen Engle U of Texas at Austin Jacob Gersen Harvard U Leigh Goodmark U of Maryland Aeyal Gross Tel Aviv U Aya Gruber U of Colorado Boulder Janet Halley Harvard U Rema Hammami Birzeit U Palestine Vanja Hamzi U of London Isabel Cristina Jaramillo Sierra Prabha Kotiswaran King s College London Maleiha Malik King s College London Vasuki Nesiah New York U Dianne Otto Melbourne Law School Helen Reece Darren Rosenblum Pace U Jeannie Suk Gersen Harvard U Mariana Valverde U of Toronto *Putting Feminism to Work* Suzanne Egan, 2020-11-23 This book explores the place of feminism and uptake of trauma in contemporary work against sexual violence Egan presents a refreshing alternative position on arguments about the co optation or erasure of feminism within institutionalized professionalized services for sexual

assault victims Using original research on Australian sexual assault services *Putting Feminism to Work* effectively illustrates how feminist concepts and ideas have become routinized in contemporary services and enacted in daily practices with survivors and communities The book engages with yet resists the notion that feminist engagement with knowledge trauma based in psychiatry and clinical psychology is incompatible with feminism or inevitably reduces sexual violence to a problem of individual healing Indeed Egan argues that the productive ways practitioners integrate neurobiological understandings of trauma into their work suggests rich possibilities for reintroducing a non essentialist biology of the body into feminist theories of sexual violence Scholars students and practitioners working in the fields of violence against women sociology women s and gender studies health social work and policy studies as well as the emerging field of sociologically informed trauma studies will find this book of interest
