The Rachel Papers Martin Amis, 2010-12-23 *The Blade Runner Experience* Will Brooker, 2005 This text examines Ridley Scott's Blade Runner in context of adaptation both from the original novel but also as graphic novel computer game and series of books It also looks at the identities of the characters particularly with reference to influences and realities

Literature and the Writer, 2016-08-09 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts

Father and Son Gavin Keulks, 2004-12-27 An innovative study of two of England's most popular controversial and influential writers Father and Son breaks new ground in examining the relationship between Kingsley Amis and his son Martin Amis Through intertextual readings of their essays and novels Gavin Keulks examines how the Amises work negotiated the boundaries of their personal relationship while claiming territory in the literary debate between mimesis and modernist aesthetics Theirs was a battle over the nature of reality itself a twentieth century realism war conducted by loving family members and rival antithetical writers Keulks argues that the Amises relationship functioned as a source of literary inspiration and that their work illuminates many of the structural and stylistic shifts that have characterized the British novel since 1950

The Rachel Papers Martin Amis, 2026-02-17 Martin Amis's first novel The Rachel Papers tells the story of Charles Highway and his relationship with his girlfriend in the year before going to university

Snoop Sam Gosling, 2009-05-12 Does what's on your desk reveal what's on your mind Do those pictures on your walls tell true tales about you And is your favorite outfit about to give you away For the last ten years psychologist Sam Gosling has been studying how people project and protect their inner selves By exploring our private worlds desks bedrooms even our clothes and our cars he shows not only how we showcase our personalities in unexpected and unplanned ways but also how we create personality in the first place communicate it others and interpret the world

around us Gosling one of the field's most innovative researchers dispatches teams of scientific snoops to poke around dorm rooms and offices to see what can be learned about people simply from looking at their stuff What he has discovered is astonishing when it comes to the most essential components of our personalities from friendliness to flexibility the things we own and the way we arrange them often say more about us than even our most intimate conversations If you know what to look for you can figure out how reliable a new boyfriend is by peeking into his medicine cabinet or whether an employee is committed to her job by analyzing her cubicle Bottom line The insights we gain can boost our understanding of ourselves and sharpen our perceptions of others Packed with original research and fascinating stories Snoop is a captivating guidebook to our not so secret lives

Encyclopedia of British Writers, 1800 to the Present George Stade, Karen Karbiener, 2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres

The Rachel Papers Martin Amis, 2023-11-02 WITH A NEW INTRODUCTION BY CLAIRE LOWDON Charles Highway is every mother's worst nightmare Precociously intelligent mercilessly manipulative and highly sexed Charles devotes the last of his teenage years to bedding girls and evading the half-arsed overtures of his distant parents That is until he meets the aloof wildly unattainable Rachel As Charles's twentieth birthday and the Oxford entrance exams loom his plans for seducing Rachel will draw him into a private collection of obsessional notes and observations the eponymous Rachel Papers WINNER OF THE SOMERSET MAUGHAM AWARD Scurrilous shameless and very funny The Times Literary Supplement Amis has brought off the feat of satirizing his contemporaries while making them both funny and in a bizarre way moving Peter Ackroyd

Martin Amis Brian Finney, 2013-04-15 Booker shortlisted for Time's Arrow and widely known for his novels short stories essays reviews and autobiographical works Martin Amis is one of the most influential of contemporary British writers This guide to Amis's diverse and often controversial work offers an accessible introduction to the contexts and many interpretations of his texts from publication to the present an introduction to key critical texts and perspectives on Amis's life and work situated within a broader critical history cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Martin Amis and seeking not only a guide to his works but also a way through the wealth of contextual and critical material that surrounds them

Either/Or Elif Batuman, 2022-05-24 An instant New York Times bestseller A New York Times Notable Book of 2022

Batuman has a gift for making the universe seem somehow like the benevolent and witty literary seminar you wish it were. This novel wins you over in a million micro observations. The New York Times: Batuman is a genius rendering human folly at its most colorful and borderline surreal. Vogue: From the acclaimed and bestselling author of *The Idiot*, the continuation of beloved protagonist Selin's quest for self-knowledge as she travels abroad and tests the limits of her newfound adulthood. Selin is the luckiest person in her family, the only one who was born in America and got to go to Harvard. Now it's sophomore year 1996 and Selin knows she has to make it count. The first order of business: to figure out the meaning of everything that happened over the summer. Why did Selin's elusive crush Ivan find her that job in the Hungarian countryside? What was up with all those other people in the Hungarian countryside? Why is Ivan's weird ex-girlfriend now trying to get in touch with Selin? On the plus side, it feels like the plot of an exciting novel. On the other hand, why do so many novels have crazy abandoned women in them? How does one live a life as interesting as a novel, a life worthy of becoming a novel without becoming a crazy abandoned woman oneself? Guided by her literature syllabus and by her more worldly and confident peers, Selin reaches certain conclusions about the universal importance of parties, alcohol, and sex and resolves to execute them in practice, no matter what the cost. Next on the list: international travel. Unfolding with the propulsive logic and intensity of youth, *Either/Or* is a landmark novel by one of our most brilliant writers. Hilarious, revelatory, and unforgettable, its gripping narrative will confront you with searching questions that persist long after the last page.

The grotesque in contemporary British fiction Robert Duggan, 2016-05-16 The grotesque in contemporary British fiction reveals the extent to which the grotesque endures as a dominant artistic mode in British fiction and presents a new way of understanding six authors who have been at the forefront of British literature over the past four decades. Starting with a sophisticated exploration of the historical development of the grotesque in literature, the book outlines the aesthetic trajectories of Angela Carter, Martin Amis, Ian McEwan, Iain Banks, Will Self, and Toby Litt and offers detailed critical readings of key works of modern fiction, including *The Bloody Chamber* (1979), *Money* (1984), *The Child in Time* (1987), *The Wasp Factory* (1984), *Great Apes* (1997), and *Ghost Story* (2004). The book shows how the grotesque continues to be a powerful force in contemporary writing and provides an illuminating picture of often controversial aspects of recent fiction.

Martin Amis: Postmodernism and Beyond G. Keulks, 2006-08-25 This is the first collection of essays ever published on Martin Amis, one of England's most controversial and critically acclaimed authors. It assembles the ideas of twelve scholars from different countries to clarify the major trends and transitions in Amis's work. The essays will become an authoritative resource for scholars and students alike.

Merchants of Canton and Macao Paul A. Van Dyke, 2011-10-01 Paul Van Dyke works in many languages and archives to uncover the history of Pearl River trade. This two-volume work is likely to be the most definitive reference work on the major trading families of Guangzhou. Organized as a series of family studies, this first volume includes exhaustive profiles of nine of the dominant hongts and their founding patriarchs for which good information survives: Tan Suqua, Tan Hunqua, Cai and Qiu.

Beaukeequa Yan Mandarin Quiqua Ye and Tacqua Amoy Zhang and Liang **In Re Howard** ,1998 *Bright Star of Heaven* Marie Leonard,2010-10 Qualifications I do not have a degree in English nor have I free lanced except for a few church bulletins throughoutthe years However I have written short stories since I was a teenager and have practiced writing novelsas well The novel I will be sending in is the first that actually wrote itself I struggled with the others This novel has something to say and the prose is clear and readable so I decided it was time to test it out Something more personal Christianity has been my life since I was twenty years of age and the Lord s guidance in my life and actionsholds an important place in my accomplishments The novel should reflect this although it is fiction Where I live personal life I live in Rowlett Tx just outside of Dallas city limits I am married and have three children two dogs and ason in law I worked retail for over 20 years I belong to the Lutheran Missouri Synod Church taking partin choir and other activities My other hobbies are weather especially storm watch and I have studiedsciences such as physics and chemistry and math higher calculus I enjoy studying history Bible historyincluded *Youth Culture and the Post-War British Novel* Stephen Ross,2018-12-13 From the Teddy Boys of the post war decade to the heroin chic of Cool Britannia the many subcultures of Britain s teenagers have often been at the forefront of social change Youth Culture and the Post War British Novel is the first book to chart that history through the work of some of the most influential contemporary British writers In this vivid work of cultural history Stephen Ross explores The manic teenage vision of Absolute Beginners The Angry Young Men of Saturday Night and Sunday Morning Skinheads and Burgess s A Clockwork Orange Irony and authenticity in the 1980s from Amis to Kureishi Heroin chic disaffection and Trainspotting Examining the cultural contexts of some of the most important and popular post 1945 British novels the book covers such themes as crises of masculinity multiculturalism and inter generational conflict and in doing so casts new light on British writing today *Separating Church and State* Steven K. Green,2022-03-15 Steven K Green renowned for his scholarship on the separation of church and state charts the career of the concept and helps us understand how it has fallen into disfavor with many Americans In 1802 President Thomas Jefferson distilled a leading idea in the early American republic and wrote of a wall of separation between church and state That metaphor has come down from Jefferson to twenty first century Americans through a long history of jurisprudence political contestation and cultural influence This book traces the development of the concept of separation of church and state and the Supreme Court s application of it in the law Green finds that conservative criticisms of a separation of church and state overlook the strong historical and jurisprudential pedigree of the idea Yet arguing with liberal advocates of the doctrine he notes that the idea remains fundamentally vague and thus open to loose interpretation in the courts As such the history of a wall of separation is more a variable index of American attitudes toward the forces of religion and state Indeed Green argues that the Supreme Court s use of the wall metaphor has never been essential to its rulings The contemporary battle over the idea of a wall of separation has thus been a distraction from the real jurisprudential issues animating the contemporary courts Fires Forever Burning

Paul Hookham, 2016-01-15 Rachel Fischer looked out at the Essex marshlands as her train sped towards London's Fenchurch Street station on a hot summer's morning in 1966. She was expecting just another uneventful day at the Polish Embassy where she worked part time as a translator. She thought about her parents Izaak and Rebekah who she'd last seen on the day before the Krakow ghetto was liquidated by the Nazis in 1943. She had no idea what happened to them and feared the worst. Her search for the truth had proved elusive until now. She never spotted the man who jumped on the train out of the shadows at the last minute. He sat patiently one carriage back awaiting his moment as the final steps of his master plan were being played out. It would certainly not be just another day at the office and by the end of it lives would change forever. **Voices**
