Everyone loves Harry Potter Now kids can learn about Harry's creator In 1995 on a four hour delayed train from Manchester to London J K Rowling conceived of the idea of a boy wizard named Harry Potter Upon arriving in London she began immediately writing the first book in the saga Rowling's true life rags to riches story is as compelling as the world of Hogwarts that she created This biography details not only Rowling's life and her love of literature but the story behind the creation of a modern classic *A Study Guide for J.K. Rowling's Harry Potter and the Order of the Phoenix* Gale, Cengage Learning, 2015-03-13 A Study Guide for J K Rowling's Harry Potter and the Order of the Phoenix excerpted from Gale's acclaimed Literary News For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Literary News For Students for all of your research needs *Reading Harry Potter Again* Giselle Liza Anatol, 2009-05-19 Reading Harry Potter Again New Critical Essays extends the discussion of the Harry Potter books by covering the entire series in one new and comprehensive volume As was argued in Reading Harry Potter Critical Essays Praeger 2003 interpreting the underlying messages and themes of the Harry Potter series is vital for understanding the ways in which we perceive and interact with each other in contemporary society The novels and corresponding film adaptations have broken records with their astonishing sales and widespread acclaim They have also generated a plethora of writing by critics academics and fans J K Rowling's Harry Potter books could easily be called this generation's most formative narratives and thus certainly warrant critical attention This new volume of essays covers the entire seven book sequence Contributors consider myriad themes from a variety of perspectives Areas addressed include religion morality race magic and other themes popular in discussing the books With this book in hand fans of the series indeed anyone interested in the Harry Potter phenomenon will better appreciate and understand Rowling's work and the impact of her stories on our culture and on our times **J.K. Rowling: A Bibliography 1997-2013** Philip W. Errington, 2015-02-26 As someone who respects comprehensive research I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind boggling bibliography J K Rowling This is the definitive bibliography of the writings of J K Rowling In addition to complete bibliographic details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This will be the first source on Rowling consulted by textual scholars book dealers and collectors auction houses critics and researchers The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series *J. K. Rowling* Charles J. Shields, 2013-11 An introduction to the life and career of the English author of the Harry Potter books **Reading Harry Potter** Giselle Liza Anatol, 2003-05-30 J K Rowling achieved astounding commercial success with her series of novels about Harry Potter the boy wizard who finds out about his magical powers on

the morning of his eleventh birthday The books incredible popularity and the subsequent likelihood that they are among this generation s most formative narratives call for critical exploration and study to interpret the works inherent tropes and themes The essays in this collection assume that Rowling s works should not be relegated to the categories of pulp fiction or children s trends which would deny their certain influence on the intellectual emotional and psychosocial development of today s children The variety of contributions allows for a range of approaches and interpretive methods in exploring the novels and reveals the deeper meanings and attitudes towards justice education race foreign cultures socioeconomic class and gender Following an introductory discussion of the Harry Potter phenomenon are essays considering the psychological and social developmental experiences of children as mirrored in Rowling s novels Next the works literary and historical contexts are examined including the European fairy tale tradition the British abolitionist movement and the public school story genre A third section focuses on the social values underlying the Potter series and on issues such as morality the rule of law and constructions of bravery
