about The Whole of Life which is far more than one's imagination can handle www.DuaneTheGreatWriter.com Info **WAKEUP DUMBED DOWN HUMANS** DUANE THE GREAT WRITER, 2012-10-26 Dumbed Down Humans have been taught to believe in something but The Whole of Life is so much bigger than any belief. If I listen will I understand what He says? For those desiring to hear God, this book will show how anyone can both listen and speak to God. In order to grow in our relationship with God, we must draw near to Him, trusting that He wants to speak to us personally. Find out how in The Beginner's Guide to Hearing God. In this hands-on guide, Jim Goll clearly lays out biblical principles for listening to God with real-life illustrations that will inspire and excite readers to listen more closely with expectant hearts. The Awakening Word Robert W. Mitchell, 2011-11-23 Are you being called to the spiritual path? If so, are you doing anything about it? I am reminded of the concept: faith without works is dead. If we are being called to find out wonderful things about ourselves, God, and the universe, we have to do something about it. Stepping onto a spiritual path is a way. Paths are all about doing. In this book, you will find many encouraging words about different paths and the rewards and challenges that come with them. You will find that paths do not have to be organized or supervised but they must be approached with consciousness and intent and contribute to our lives and the life of the world. This book is one of my many paths within my one journey. My goal here is to in some way touch those who have not yet found a path or those who may be looking but do not know what they are looking for, those who may be wondering about life and God as I was and still do. If you are at a place and time in your life where you are wondering or feel as though something is missing, this book may be for you. It is written for the beginner's mind. The short, easy-to-read essays, poems, and inspiring quotes are meant to send your mind off into wonderful directions and your life on amazing paths that allow you to grow and blossom and be the divine person you were meant to be. The different chapters address life and how we live it, our humanness as well as our divine nature. Some of the essays are about the rules of life, life as a game or a gamble, getting ready for our paths and stepping on to them *Practice*
