Rediscovering the Jesus Story Joseph A. Grassi, 1995 The power of this book lies in Joseph Grassi's insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel's dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a personal journal Rediscovering the Jesus Story allows the reader to enter into the gospels in a deeper way than ever before

Rediscovering Jesus Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the
