grounded in the combined tragedies of human error and bad luck The story of the Mary Celeste acquired yet another twist in 2001 when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti Written with the suspense of a thriller and the vivid accuracy of the best popular history Ghost Ship tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time The Last Great Adventure of Sir Peter Blake Peter Blake,2004 Peter Blake was one of the best known sailors of our time he served as a Special Envoy of the United Nations Environment Program and took great interest in sustainable economic development In a 30 year sailing career he won every significant bluewater race on the planet including the America s Cup and the Whitbread Around the World and slashed the record for the fastest non stop circumnavigation under sail His murder in the Amazon made headlines worldwide Army and Navy Journal ,1946
