^AHorizontal Organization Frank Ostroff, 1999-02-04 The vertical functional hierarchy has been the mainstay of business since the industrial revolution But it has its problems In fact the vertical design all but guarantees fragmented tasks overspecialization fiefdoms turf wars the urge to control from the top all the negatives that foster organizational paralysis In The Horizontal Organization Frank Ostroff provides executives with the first truly viable alternative to the age old vertical alignment Indeed he offers nothing less than the first full view of what the organization of the future looks like and how it works The concept of horizontal organization has been hailed in Fortune as a model corporation for the next fifty years and in a Business Week cover story as the real thing But until now management books have offered only piecemeal accounts of what the organization of the future might look like Ostroff a key developer of the concept of the horizontal organization offers the first workable road map He describes what the horizontal organization is what it looks like why it is important how it helps improve performance where it is appropriate and how to develop it The book contains real case examples that show how major international corporations and one federal agency have used Ostroff s concepts to meet their competitive goals For instance we see how Ford Motor Company s Customer Service Division turned to the horizontal organization to meet a highly ambitious goal to get the customer s car fixed right on time the first time at a competitive price in convenient locations We see how a horizontal design radically improved the performance of OSHA the federal agency that oversees occupational safety transforming it from a bureaucratic enforcer of regulations to a proactive problem solver in a concerted effort to improve working conditions and save lives And we see how Xerox combined both vertical and horizontal designs successfully a case that underscores when a firm can best use the horizontal organization to achieve their goals Ostroff also looks at a General Electric plant in North Carolina Motorola s Space and Systems Technology Group and the home finance division of Barclays Bank highlighting how these major corporations have also used the horizontal organization to radically improve productivity Many successful business books such as Reengineering the Corporation and Beyond Reengineering have given managers only a piece of the puzzle Ostroff gives us the complete picture The Horizontal Organization offers the first usable roadmap to the twenty first century firm It is a book everyone who desires to radically improve the performance of their organization will want to read **The Strategy Pathfinder** Duncan Angwin, Stephen Cummings, 2017-09-20 Real world strategic management practice in an interactive micro case format The Strategy Pathfinder presents an innovative dynamic guide to strategic thinking and practice Using real world case examples from companies like Apple the BBC Hyundai LEGO McDonalds Nike and SpaceX to illustrate critical concepts this book enables readers to actively participate in real world

strategy dilemmas and create their own solutions Strategy Pathfinder's live micro cases provoke discussion about business models value creation new ventures and more while its complimentary instructional content introduces you to the best classic and new tools of strategic management Rather than passively reproducing past and current ideas Strategy Pathfinder encourages strategic thinkers to learn by doing The book is designed to help the reader to develop a clear understanding of key concepts while shifting your thought processes towards real strategic action and innovation by enabling you to Use strategy theories and frameworks to engage in analytical and creative discussions about key strategic issues facing real companies today Form strategic views for yourself and test them against the views of others Effectively make and communicate recommendations based on solid strategic analysis that stand up to scrutiny from multiple stakeholders Become an active producer of new strategic ideas rather than a passive receiver of past wisdom This third edition has been updated with new chapters and cases to reflect the latest cutting edge issues in strategic thinking and practice And the updated companion website offers students instructors and managers more resources to facilitate understanding interaction and innovation As an active learning experience The Strategy Pathfinder 3rd Edition engages the reader in the work of strategy practitioners By arming you with the empirical research you need and the best strategic management theories and frameworks to better analyse situations you're likely to encounter or already facing in your career The Strategy Pathfinder teaches you how to improve your strategic thinking and practice and develop your own strategic pathways for the future
