Reexamining Family Stress New Theory And Research:

Reexamining Family Stress Wesley R. Burr, Shirley Klein, 1993-11-18 This challenging new inquiry liberates the study of family stress from the traditional positivist notions of the ABC X model favouring a new systemic paradigm which views stress as a multifaceted phenomenon with multiple causes and coping strategies Using a series of qualitative and quantitative studies of different families in stress the authors outline the various patterns of family responses to stress the elements of the family system most affected by stressful events and the helpfulness or harmfulness of differing family management strategies

Individual and Family Stress and Crises Janice Gauthier Weber, 2010-12-02 The first comprehensive text on stress and crisis management specifically tailored to courses focusing on the family Organized by stress model this book helps readers understand the relationships among models research crisis prevention and crisis management with individuals and families Providing a balance of theory research hands on applications and intervention strategies this innovative text presents a comprehensive overview of the field Intended Audience Individual and Family Stress and Crises is ideal as a core text for upper division undergraduate and graduate students in courses such as Family Crisis Family Stress Coping and Dysfunctions in Marriage Family

Sourcebook of Family Theory and Research Vern L. Bengtson, 2005 Now available in paperback for classroom use This comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students Another of the book's strengths is the emphasis on multimethod approaches in family research The book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few In summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on the family Philip Siebler Monash University Victoria Sponsored by the National Council on Family Relations the Sourcebook of Family Theory and Research is the reference work on theory and methods for family scholars and students around the world This volume provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research The Sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it An accompanying website offers additional participation and interaction in the process of doing theory and making science Editors Vern L Bengtson Alan C Acock Katherine R Allen Peggye Dilworth Anderson and David M Klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation The Sourcebook begins with a section that sets the context for future family research The subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces A concluding section discusses issues of teaching family theories and research Key Features Focuses on the process rather than the outcomes of family theory and research methods Emphasizes the value of multi

methods approaches in family research by integrating theory development with the development of research methods Differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings The interactive Web site and the special feature boxes within the chapters engage readers with theory and methodology Boxed features include Case Studies Spotlights on Theory Spotlights on Methods and a Discussion and Extension sections Represents a Who's Who of family researchers with contributions from many of the best researchers in the family realm The Sourcebook will be an excellent addition to any academic library It is an authoritative reference for scholars and researchers in Human Development and Family Studies Sociology Social Work and Psychology In addition the Sourcebook can also be used in graduate courses on family theory and methodology
