Angel Eyes The Woman at the Edge of the Universe Sherridean Abddeen ,2025-10-03 For centuries the edge of the universe was feared A place where ships vanished into darkness their last transmissions filled with whispers strange static and sightings of a mysterious woman known only as AngelEyes Legends told of a beautiful towering figure and a soft whistling sound just before everything would go dark No one dared approach until Keana Voss the fearless son of Elderian Voss determined to face the unknown Outfitting his ship with tin foil and plastic to counteract the strange energy he crossed into the edge and found her AngelEyes an ancient AI forgotten by time resides at the threshold of the cosmos guarding lost souls in a dream like stasis But Keana unlike the others is unafraid In him AngelEyes sees hope She offers him a choice stay in their place so the lost can return or leave and let the cycle continue As Keana unravels her mystery he discovers that she was once a creator of galaxies cast aside and left to drift But why is she really at the edge And what happens if he agrees to stay

Through Angel's Eyes Mary Grace Klukosky,2019-06-04 People are fascinated by angels who have been with God since the beginning of time People love to hear the stories of angels coming to people s aid Indeed they are known as ministering spirits However they have also been used to destroy armies deliver messages and carry out God s commands In the Old Testament angels are used over and over They witnessed Satan being cast from heaven after a battle between good and evil They worshipped God in his throne room They watched God with wonder as he created Adam Sadly they also watched Adam and Eve give in to temptation allowing

evil to take over God's once perfect creation. Generally, their presence causes fear in people. Some people even try to worship them. But what do they think of us? What would the angels say if they could tell the Bible stories from their perspective? The stories from the Old Testament are told by a fictional anonymous angel. The angel not only tells well-known stories from his point of view, he also participates in many of the stories as well. The storyteller gives a glimpse into a spiritual world that few people get to see. Based on passages in Revelation and other books of the Bible, the angel reveals God's holy throne, describes the angelic battle between good and evil, questions man's ill-fated decisions, and grieves with God over man's fall. The angel even explains to us why God made the choices he made. Is it an angel or is it Christ? The angel tells all. **Through Angel's Eyes**

Sommer Field, 2022-08-01. Are they accidents or is someone trying to harm her? Could a God she's not even sure exists really help protect her? Or would He assist a believer in taking revenge? These, as well as other questions, confront Angel Turner as she struggles to fit an eighteen-hour workday into twelve hours while tending to a sick orphan. When Detective Emerson enters her life, she finds her whole world turned upside down as he pushes her to face the fears of her past and confront the current challenges. However, when she discovers that their past may be connected, she wonders if he has an ulterior motive. As Angel is confronted with one challenge after another and finds herself in a deadly situation with no hope for escape, she turns to God with a plea for help. This one hundred thousand word novel is for any young adult who enjoys a good Christian mystery. Clues are woven within the story to help identify the antagonist, but unless you pay close attention, they'll slip right by. Within the pages of this novel, you will also find people dealing with the challenges regarding their faith, as well as what one person considers an actual experience of divine intervention. **Songs of a Sanctified Sojourner**

Evelyn M. Cowan, 2012-08. This book has been my whole life in the making. It contains the work of a free spirit, patient in tribulations yet ever optimistic, touching the promises of God. As the psalmist so eloquently phrased it: "This is my story, this is my song. Praising my Saviour all the day long. Please savor one of my favorite compositions: D j vu A Song of Love. I saw a gazebo in my mind. Where I once stood with you. Beneath a flourishing vine. The weather was oh so balmy. And the mockingbird was singing so fine. That the reverie thought stills me, chills me, Thrills me. And lately I've been seeing angels in my sleep. Dreamt once night I saw an angel weep. Cause I'd lost my well-beloved. Dreamt of angels ascending. Jacob's ladder. Two by two. Who magically and mysteriously knew. That I adored you through and through. D j vu the song is you. And now night slowly descends upon me. The wind whispers of a dove in love. God help me from your throne above. I must close now. My love. For my eyes are getting misty. But sugar sweet oh my amour. Your kiss shall pay me back and more." *Those Angel Eyes*

, **Angel Eyes** Roger Graham Hargrave, 2024-01-28. Volume 1 of the The Lovely Dirty Business series, five separate but linked novels that blow the lid completely off the violin business. **Through Angel's Eyes** Steve Theunissen, 2012-10-01. Alabama 1963: a world is about to explode. Angel Dunbar's life is about to be engulfed by the flames. She'll be humiliated, spat upon, beaten, and left for dead. And she'll fall in love with a dangerous twist. Want to know what really happened when
