Reflections Of A Cold Warrior From Yalta To The Bay Of Pigs

Spencer C. Tucker

Reflections Of A Cold Warrior From Yalta To The Bay Of Pigs:

Reflections of a Cold Warrior Richard M. Bissell, Jr., 1996-05-29 Richard M Bissell Jr the most important CIA spymaster in history singlehandedly led America's intelligence service from the age of Mata Hari into the space age Under his guidance the U 2 spy plane the SR 71 Blackbird and the Corona spy satellite were developed and the agency rose to the pinnacle of its power Bissell was also however the architect of the infamous Bay of Pigs operation that failed to overthrow Castro in 1961 and led to the decline of the CIA In this compelling memoir Bissell gives us an insider's view of the personalities policies and historical forces surrounding these and other covert operations and the lessons learned during those times of conflict Bissell begins by describing his early years as a member of America's unofficial aristocracy Born in a house that his father bought from Samuel Clemens he was educated at Groton and Yale and befriended by Charles and Anne Morrow Lindbergh among others Bissell recounts how he became acting head of the Economic Cooperation Administration the agency in charge of the Marshall Plan after World War II and helped to create the European Payments Union Bissell was brought into the CIA in 1954 where he initiated a revolution in intelligence gathering techniques He reveals the details of these developments as well as of the unique CIA Lockheed partnership he pioneered his participation in the CIA sponsored coup to overthrow Arbenz in Guatemala and his involvement in crises in Laos and the Congo Bissell's memoir sheds light not only on pivotal points of American foreign policy but also on America's evolution from isolationist to interventionist superpower

The Bay of Pigs Howard Jones, 2008-08-08 A masterful account of one of the most disastrous missteps in American foreign policy The Bay of Pigs gives the engrossing story of the US backed invasion of Cuba in April of 1961 by 1400 exiled Cubans Designed to overthrow the communist regime of Fidel Castro the invasion now known simply as the Bay of Pigs was a complete failure that had far reaching implications in shaping John F Kennedy's Cold War attitudes and presidential agenda

A Military History of the Cold War, 1944-1962 Jonathan M. House, 2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the

rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe *Encyclopedia of Cold War Espionage, Spies, and Secret Operations* R. C. S. Trahair,Robert L. Miller,2013-10-18 The only updated Cold War spy encyclopedia in print *The Brothers: John Foster Dulles, Allen Dulles, and Their Secret World War* Stephen Kinzer,2013-10-01 A joint biography of John Foster Dulles and Allen Dulles who led the United States into an unseen war that decisively shaped today s world During the 1950s when the Cold War was at its peak two immensely powerful brothers led the United States into a series of foreign adventures whose effects are still shaking the world John Foster Dulles was secretary of state while his brother Allen Dulles was director of the Central Intelligence Agency In this book Stephen Kinzer places their extraordinary lives against the background of American culture and history He uses the framework of biography to ask Why does the United States behave as it does in the world The Brothers explores hidden forces that shape the national psyche from religious piety to Western movies many of which are about a noble gunman who cleans up a lawless town by killing bad guys This is how the Dulles brothers saw themselves and how many Americans still see their country s role in the world Propelled by a quintessentially American set of fears and delusions the Dulles brothers launched violent campaigns against foreign leaders they saw as threats to the United States These campaigns helped push countries from Guatemala to the Congo into long spirals of violence led the United States into the Vietnam War and laid the foundation for decades of hostility between the United States and countries from Cuba to Iran The story of the Dulles brothers is the story of America It illuminates and helps explain the modern history of the United States and the world A Kirkus Reviews Best Nonfiction Book of 2013 *The Encyclopedia of the Cold War* Spencer C. Tucker,2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO s *The Encyclopedia of the Cold War A Political Social and Military History* offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union *The Encyclopedia of the Cold War* provides authoritative information on all

military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time

Encyclopedia of the Cold War Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945 1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

Encyclopedia of Cold War Espionage, Spies, and Secret Operations Richard Trahair, 2012-01-10 The only comprehensive and up to date book of its kind with the latest information

Civil-Military Relations and Shared Responsibility Dale R. Herspring, 2013-06-01 A provocative approach to evaluating civil military relations Dale R Herspring considers the factors that allow some civilian and military organizations to operate more productively in a political context than others bringing into comparative study for the first time the military organizations of the U S Russia Germany and Canada Refuting the work of scholars such as Samuel P Huntington and Michael C Desch Civil Military Relations and Shared Responsibility approaches civil military relations from a new angle military culture arguing that the optimal form of civil military relations is one of shared responsibility between the two groups Herspring outlines eight factors that contribute to conditions that promote and support shared responsibility among civilian officials and the military including such prerequisites as civilian leaders not interfering in the military's promotion process and civilian respect for military symbols and traditions He uses these indicators in his comparative treatment of the U S Russian German and Canadian militaries Civilian authorities are always in charge and the decision on how to treat the military is a civilian decision However Herspring argues failure by civilians to respect military culture will antagonize senior military officials who will feel less free to express their views thus depriving senior civilian officials most of whom have no military experience of the expert advice of those most capable of assessing the far reaching forms of violence This issue of civilian respect for military culture and operations plays out in Herspring's country case studies Scholars of civil military relations will find much to debate in Herspring's framework while students of civil military and defense policy will appreciate

Herspring's brief historical tour of each country's post World War II political and policy landscapes *Cuban Missile Crisis*
Priscilla Roberts, 2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U S officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin
