Nystrom-Schut,2019-06-30 This book is designed to provide basic philosophy and information regarding the vast number of subject matters covered This was assembled in the understanding that the publisher and the author are not engaged in rendering legal consultative or other professional services If such expert assistance is required the services of competent and appropriate professionals should be sought The author and the publisher shall have neither liability nor responsibility to any person or entity with respect to any loss or damage that may be indirectly or directly caused or alleged to be caused by the content of this book It is also not the purpose of this book to reprint information that is otherwise available to the author publisher or reader Rather it seeks to complement amplify and or supplement other texts available The reader is urged to review all relevant material and learn as much as possible about life tailoring that information to their individual situation Further efforts have been made to make this book as accurate as possible However there are undoubtedly editorial typographical and contextual errors contained herein Therefore the text should be viewed and utilized as a general guide not as an ultimate source of information related to the various topics This book also contains information that may no longer be relevant or accurate despite our desire to think our words and thoughts about life are timeless and perfect Finally the primary objective of this volume has something to do with the four Es to enlighten edify educate and entertain perhaps even in that order Personal philosophy and worldview are something we develop and maintain as individuals who evolve throughout life It is the ambition of the writer to amplify these Es hoping that in doing so it will allow the reader to experience a more meaningful balanced complete and productive encounter with life *Principles of Philosophy* Michael Jean Nystrom-Schut,2018-10-30 Not just anyone sits down to write their own personal Bible The famous one popular with millions of Christians was penned by 35 40 different authors over a span of some 1100 years As of 1995 it was still considered Guinness the world s 1 best seller of all time In stark contrast Michael s 2 volume *Principles of Philosophy* was meditated contemplated drafted and written in deep anonymity and solitude over a daily and nightly 30 month span His two books come in at over 800 000 words the same as ten 80 000 word works With the King James Old and New Testament totaling just over 783 000 words it is easy to see why Michael views himself as both prolific plentiful and loquacious talkative when it pertains to laying down thought As the Bible is for millions on the planet Michael feels his principles are also a template an owner s manual a guidebook for in particular how to 1 view life on earth 2 work on the detail of one s philosophy and worldview and 3 examine and conduct a balanced meaningful existence on this planet The Holy Bible consists of 80 books 39 in the Old Hebrew part 14 in the Apocrypha and 27 in the New Christian part Michael s *Principles* Volumes One and Two each cover 84 chapters of the basic areas of life as he views them with 21 chapters outlined each for 1 the mental 3 the social and 2 the material 4 the spiritual areas of our lives A detailed numbering system is in place for quick reference to topics Each volume happens to come in at 613 entries making a total of 1226 separate entries in the two books By dictionary definition a principle is defined as a fundamental truth or proposition that serves as the foundation for a system of belief or

behavior or for a chain of reasoning This is precisely why he chose principles in the title His own personal philosophical principles are what he tries to practice daily Michael even states they are likely the reason he is still with us in bodily form on the earth and remains in relative possession of his right mind as well Since leaving organized religion early on in life these tenants practiced in balance have been what Michael has focused on for several decades They work well for him In the course of these pursuits he says he has come to thousands of conclusions And they all point to the balanced life As he insists for him it is all about equivalent portions of mind mental body material relationships social and spirituality God the Universe Basically everything can be summed up within these four primary areas of life Michael seems to never hesitate to conclude that he has found his own personal means of salvation in the midst of pursuing his balance of the Principles of Philosophy Tanya Walker wife

simply cant take the time In my journeys I dont know if I am getting closer to knowing anything and it seems the more I know the more I know I dont know I suppose all we can be sure of is that as long as we are alive we have the opportunity to keep searching while continuing to delve into our minds and hearts for clues to greater meaning and purpose on earth How long have you been standing here God is the title of the book and it comes to you along with two others Evolution Facts and Fairy Tales and Amistad Spanish for friendship All three were written with you the reader and fellow life mate especially in mind If you struggle with your personal spirituality and need greater awareness that God is on all sides of you then maybe How long have you been standing here God Book One will be helpful If you are wondering about your origins trying to figure out how it all came about then perhaps Evolution Facts and Fairy Tales Book Two will make things even more confusing During my time in Central America I have learned plenty about the concept of friendship and I mean that in the context of the whole of life Amistad Book Three is a book about befriending the people places and things that make up our lives **Monstrous**

Reflection Petra Rehling, Elsa Bouet, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2014 By engaging and questioning existing definitions and ideas all of the essays in this volume represent the idea of a monstrous reflection in one way or another Monsters can serve as a means to explore the cultural anxieties they embody and the reasons for these anxieties Thus monsters act as mirrors highlighting the causes for the creation of categories A reflection can also be a comment or statement applicable in that the monstrous or the word monster becomes a label of otherness and exclusion This label is sometimes a construction a discursive and rhetorical trope which only serves to other those deemed different or undesirable suggesting that the monster might not always be monstrous This volume is about the ones gazing into the mirror and the things staring back at humanity along with the uncomfortable truths that are revealed in the process
