Ryan, 2023-03-30 Reflections of God's Law Books is a direct result of Julie's reading reflecting and journaling through the Bible during her daily quiet time with Jesus It is a chapter by chapter review of the first five books of the Bible and the first in a series of reflection books It is intentionally designed as a resource to help readers slow down and think about each chapter of the Bible Reflections of God's Law Books will help you See how each chapter of the Bible is relevant to your daily life Internalize what you read in Scripture Learn and understand the Bible Grow in your relationship with God Experience life transformation by the truth of God's Word *Reflections Of God's Work* Jerri Broglin, 2017-03-29 The book is a collection of

different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it's a learning

process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God s ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul s purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons A Voice for My Soul Anna Beth
