Mia Elise Adjoumani, 2023-03-07 This edited book provides perceptions on indigeneity through a global perspective Emphasizing the contemporary and postcolonial debates on indigenous it delves into diversity and dissonance within indigenous concepts Through its chapters based on theoretical and empirical studies from Asian African and American perceptions of indigenous societies it brings out complexity resilience and response of indigenous in the post colonial global society It especially looks at how these societies manage to move forward by going beyond the stigma of the colonial past The chapters in the book are divided into three sections where they discuss indigenous cultures through interdisciplinary perspectives The narrative approach of historical concepts and contemporary indigenous challenges within the book include anthropological cultural ecological historical literary and legal studies The contributions in the collection come from widely respected international scholars who are engaged in indigeneity and postcolonial questions It allows the reader to re discover the theories and resilience of the indigenous societies that are historically marked and are reshaping the histories and contemporary narratives in the world This book is of particular interest to scholars students policymakers and people curious about the histories and the dynamic progress of the indigenous and indigenous societies of Africa the Americas and Asia El hablar lapidario Herón Pérez Martínez, 1996 *Subterranean Space in Contemporary Mexico City Literature* Liesbeth François, 2021-05-05 This book studies the role of subterranean spaces in literary works about Mexico City It analyzes how

underground spaces such as the subway the sewage system tunnels crypts and the subsoil itself relate to the whole of the city in a body of works published after 1985 the year of the deadliest earthquake in the capital s history The texts belong to the most important genres in urban literature the novel the short story and the crónica and demonstrate the crucial role played by the underground in contemporary imaginings of the megalopolis as it condenses and confronts the tensions that run through them This central idea is developed through four analytical chapters focusing on the political ecological historical and aesthetic dimension of subterranean imaginaries Refranero legal mexicano Mauricio Atri,2005

Fraseología, Diatopía y Traducción / Phraseology, Diatopic Variation and Translation Pedro Mogorrón Huerta, Antonio Albaladejo-Martínez,2018-11-15 In all languages humans frequently use linguistic combinations called phraseological units PUs in communicative acts These PUs are characterized by their institutionalized fixation and in many cases by their opacity Traditionally the work on phraseology has placed the emphasis on the total fixing of components and structures of verbal expressions Variation in PUs is currently an uncontested fact and has been extensively studied and analyzed In addition in the case of languages like Spanish English French spoken in many countries new creations or diatopic variants arise While these diatopic expressions have been collected or analyzed in their territory of influence no comprehensive collection showing all the expressions and contrastive analysis to observe the similarities and differences between these diatopic creations with all their idiosyncratic and cultural references have been made so far The content of this volume deals with numerous linguistic lexicographic and translational problems in the context of language variation in general as well as specifically related to diatopic variation The aim is to make progress in these challenging and highly interesting areas which still pose many comprehension and translation problems **I Speak of the City** Mauricio Tenorio-Trillo,2015-02-24 In this dazzling multidisciplinary tour of Mexico City Mauricio Tenorio Trillo focuses on the period 1880 to 1940 the decisive decades that shaped the city into what it is today Through a kaleidoscope of expository forms I Speak of the City connects the realms of literature architecture music popular language art and public health to investigate the city in a variety of contexts as a living history textbook as an expression of the state as a modernist capital as a laboratory and as language Tenorio s formal imagination allows the reader to revel in the free flowing richness of his narratives opening startling new vistas onto the urban experience From art to city planning from epidemiology to poetry this book challenges the conventional wisdom about both Mexico City and the turn of the century world to which it belonged And by engaging directly with the rise of modernism and the cultural experiences of such personalities as Hart Crane Mina Loy and Diego Rivera I Speak of the City will find an enthusiastic audience across the disciplines **Como decía la abuela** Margarita Jiménez Arreola,2021
