Religion Of Islam And The Nation Of Islam What Is The Difference:

A History of Islam in America Kambiz GhaneaBassiri, 2010-04-19 Muslims began arriving in the New World long before the rise of the Atlantic slave trade Kambiz GhaneaBassiri's fascinating book traces the history of Muslims in the United States and their different waves of immigration and conversion across five centuries through colonial and antebellum America through world wars and civil rights struggles to the contemporary era The book tells the often deeply moving stories of individual Muslims and their lives as immigrants and citizens within the broad context of the American religious experience showing how that experience has been integral to the evolution of American Muslim institutions and practices This is a unique and intelligent portrayal of a diverse religious community and its relationship with America It will serve as a strong antidote to the current politicized dichotomy between Islam and the West which has come to dominate the study of Muslims in America and further afield

The Religion of Islam and the Nation of Islam Mustafa El-Amin, 1990 This book makes it clear it is essential for the American people in general to know and realize that there are very clear differences in the teachings of the Universal Religion of Islam and the teachings of the Nation of Islam In order for people to make an accurate and clear judgement or decision about anyone or anything it is always best for them to have as much correct information as possible

AUTHOR BIO Mustafa El Amin holds a B A Degree in Community Development and a Masters Degree in Public Administration from Rutgers University Mustafa is the author of five books including *Freemasonry Ancient Egypt and the Islaamic Destiny African American Freemasons Why they should accept Al Islam etc*
