[Living the Food-Allergic Life](#) Mark S. Ferrara,2023-05-29 If you had an allergy so severe that accidentally eating a forbidden food could kill you in minutes how would it change your life and your relationship to food For people with food induced anaphylaxis the severest form of allergic response simply eating in restaurants accepting invitations to dinner going on overnight field trips or traveling through foreign countries means facing one s mortality with every meal In this book Mark S Ferrara weaves history science and psychology to recount the story of his struggles with allergic asthma and a life threatening allergy to nuts and his difficulties living and working in the Far East and Near East to show how the quest for self actualization can lead to an acceptance of transience that borders on the mystical Along the way he guides parents in keeping food allergic children safe at home and at school and offers strategies that adolescents and adults may use to negotiate social spaces involving food He explains how survivors of anaphylaxis can cope with the sometimes irrational fears of food that follow that traumatic experience so they may live happy healthy meaningful lives

Near-Death Experiences Are Real! William F Pillow Jr,2019-12-07 This is a book of facts to the extent they are humanly accessible If facts are not humanly perceptible this book offers the best alternative the most plausible theories Not only does this book explore beyond all boundaries set by science and religion It also fearlessly publishes the results for you the reader As a lifelong Christian until my retirement and my beloved wife s increasingly serious illnesses her pain and suffering started me on a quest that still continues today Like my friends I had believed what Christian funerals seem to imply that death is final Yet I had read that reunion with deceased loved ones does occur in Heaven Then along came near death experiences NDEs as well as accounts of messages from spirits in the afterlife So I broadened my search It all seemed to fit together in God s plans for us humans The most frequent reminder is the attitude conversion of NDE survivors who visit Heaven which is that an essential

part of each of us survives physical death This all is presented in this book to share with other people who also are concerned about the facts of human life and death

Emotions and Spirituality in Religions and Spiritual Movements Erika Wilson,2012-07-23 Applying recent psychological and neuropsychological studies of emotions Erika Wilson explores the role of emotions in major Eastern Western and primal religions as well as in some contemporary spiritual movements The book tries to answer the following questions What kinds of emotions and spiritual experiences arise in individuals and groups during prayer conversions rituals meditations and other spiritual practices Which positive emotions are valued most in a particular religion or spiritual movement How do these attitudes relate to their respective historical context And finally how does each religious or spiritual teaching recommend handling negative emotions
