

Religion In The Old South

Louis Edward Mitchell

Religion In The Old South:

Religion in the Old South Donald G. Mathews, 1977 A major study of American cultural history a book distinguished both for its careful research and for its innovative interpretations Professor Mathews's book is an explanation of what religion meant in the everyday lives of southern whites and blacks It is indispensable reading not just for those who want to know more about the Old South but for anyone who wants to understand the South today David Herbert Donald Harvard University A major achievement a magnificently provocative contribution to the understanding of the history of religion in America William G McLoughlin Book Reviews A meticulous and well documented study In the changing connotations of the word liberty lie most of the dilemmas of Southern and American history dilemmas Dr Mathews analyses with considerable penetration Times Literary Supplement The most compact and yet comprehensive view of the Old South in its religious dimension that is presently available This is a pioneering work by one who is widely read in the sources and is creative enough to synthesize and introduce fresh themes He makes a unique contribution to southern historiography which will act as a corrective upon earlier works Boldly stated every library that consults Choice should purchase this volume Choice Mathews presents us with the finest and grandest history of old southern religion that one could imagine finding in so short a book on so large a topic Here stands in its own right a masterpiece of regional historiography of religion in America William A Clebsch Reviews in American History

Encyclopedia of Religion in the South Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history

Slave Religion in the Old South Louis Edward Mitchell, 1978

Flannery O'Connor and the Christ-Haunted South Ralph C. Wood, 2005-05-02 For those looking to deepen their appreciation of Flannery O'Connor Wood shows how this literary icon's stories novels and essays impinge on America's cultural and ecclesial condition

The Origins of the Southern Middle Class, 1800-1861 Jonathan Daniel Wells, 2005-11-16 With a fresh take on social dynamics

in the antebellum South Jonathan Daniel Wells contests the popular idea that the Old South was a region of essentially two classes planters and slaves until after the Civil War He argues that in fact the region had a burgeoning white middle class including merchants doctors and teachers that had a profound impact on southern culture the debate over slavery and the coming of the Civil War Wells shows that the growth of the periodical press after 1820 helped build a cultural bridge between the North and the South and the emerging southern middle class seized upon northern middle class ideas about gender roles and reform politics and the virtues of modernization Even as it sought to emulate northern progress however the southern middle class never abandoned its attachment to slavery By the 1850s Wells argues the prospect of industrial slavery in the South threatened northern capital and labor causing sectional relations to shift from cooperative to competitive Rather than simply pitting a backward slave labor agrarian South against a progressive free labor industrial North Wells argues that the Civil War reflected a more complex interplay of economic and cultural values

Wrestlin' Jacob Erskine Clarke, 2000 First published in 1979 *Wrestlin' Jacob* offers insights into the intersection of black and white religious history in the South Erskine Clarke provides two arenas one urban and one rural that show what happened when white ministers tried to bring black slaves into the fold of Christianity Clarke illustrates how the good intentions and vain illusions of the white preachers coupled with the degradation and cultural strength of the slaves played a significant role in the development of black churches in the South The author's new introduction discusses the growth of interest in Southern religious history and reviews the scholarly developments in the field since the book's original publication Jacket

The Civilization of the Old South Clement Eaton, 2021-12-14 Exhibiting a clear straightforward style his many works are marked by a comprehensiveness and a catholicity of view There is hardly an element of southern thought or society hardly a major movement of any kind or an event of any significance that has escaped his penetrating thought and discerning analysis This volume of Eaton's selected writings forms a rich and provocative mosaic of southern life from the years of Thomas Jefferson to the close of the Civil War These selections perceptively edited by Albert D Kinvan show the wide range of Eaton's interests including the impact of slavery the influence of religion and the art of politics and they demonstrate the depth of his insight into the civilization of the Old South

The Origins of Southern Evangelicalism Thomas J. Little, 2013-10-15 During the late seventeenth century a heterogeneous mixture of Protestant settlers made their way to the South Carolina lowcountry from both the Old World and elsewhere in the New Representing a hodgepodge of European religious traditions they shaped the foundations of a new and distinct plantation society in the British Atlantic world The Lords Proprietors of Carolina made vigorous efforts to recruit Nonconformists to their overseas colony by granting settlers considerable freedom of religion and liberty of conscience Codified in the Fundamental Constitutions of Carolina this toleration ultimately attracted a substantial number of settlers of many and varying Christian denominations In *The Origins of Southern Evangelicalism* Thomas J Little refutes commonplace beliefs that South Carolina grew spiritually lethargic and indifferent to religion in the colonial era Little

argues that pluralism engendered religious renewal and revival which developed further after Anglicans in the colony secured legal establishment for their church The Carolina colony emerged at the fulcrum of an international Protestant awakening that embraced a more emotional individualistic religious experience and helped to create a transatlantic evangelical movement in the mid eighteenth century Offering new perspectives on both early American history and the religious history of the colonial South The Origins of Southern Evangelicalism charts the regional spread of early evangelicalism in the too often neglected South Carolina lowcountry the economic and cultural center of the lower southern colonies Although evangelical Christianity has long been and continues to be the dominant religion of the American South historians have traditionally described it as a comparatively late flowering development in British America Reconstructing the history of religious revivalism in the lowcountry and placing the subject firmly within an Atlantic world context Little demonstrates that evangelical Christianity had much earlier beginnings in prerevolutionary southern society than historians have traditionally recognized

Religion in the American South Beth Barton Schweiger, Donald G. Mathews, 2005-10-12 This collection of essays examines religion in the American South across three centuries from the beginning of the eighteenth century to the civil rights movement of the 1960s The first collection published on the subject in fifteen years Religion in the American South builds upon a new generation of scholarship to push scholarly conversation about the field to a new level of sophistication by complicating southern religion geographically chronologically and thematically and by challenging the interpretive hegemony of the Bible belt Contributors demonstrate the importance of religion in the South not only to American religious history but also to the history of the nation as a whole They show that religion touched every corner of society from the nightclub to the lynching tree from the church sanctuary to the kitchen hearth These essays will stimulate discussions of a wide variety of subjects including eighteenth century religious history conversion narratives religion and violence the cultural power of prayer the importance of women in exploiting religious contexts in innovative ways and the interracialism of southern religious history Contributors Kurt O Berends University of Notre Dame Emily Bingham Louisville Kentucky Anthea D Butler Loyola Marymount University Paul Harvey University of Colorado Colorado Springs Jerma Jackson University of North Carolina at Chapel Hill Lynn Lyerly Boston College Donald G Mathews University of North Carolina at Chapel Hill Jon F Sensbach University of Florida Beth Barton Schweiger University of Arkansas Daniel Woods Ferrum College

The Long Southern Strategy Angie Maxwell, Todd Shields, 2019-06-24 The Southern Strategy was but one in a series of decisions the GOP made not just on race but on feminism and religion as well in what Angie Maxwell and Todd Shields call the Long Southern Strategy The Southern Strategy is traditionally understood as a Goldwater and Nixon era effort by the Republican Party to win over disaffected white voters in the Democratic stronghold of the American South To realign these voters with the GOP the party abandoned its past support for civil rights and used racially coded language to capitalize on southern white racial angst However that decision was but one in a series of decisions the GOP made not just on

race but on feminism and religion as well in what Angie Maxwell and Todd Shields call the Long Southern Strategy In the wake of Second Wave Feminism the GOP dropped the Equal Rights Amendment from its platform and promoted traditional gender roles in an effort to appeal to anti feminist white southerners particularly women And when the leadership of the Southern Baptist Convention became increasingly fundamentalist and politically active the GOP tied its fate to the Christian Right With original extensive data on national and regional opinions and voting behavior Maxwell and Shields show why all three of those decisions were necessary for the South to turn from blue to red To make inroads in the South however GOP politicians not only had to take these positions but they also had to sell them with a southern accent Republicans embodied southern white culture by emphasizing an us vs them outlook preaching absolutes accusing the media of bias prioritizing identity over the economy encouraging defensiveness and championing a politics of retribution In doing so the GOP nationalized southern white identity rebranded itself to the country at large and fundamentally altered the vision and tone of American politics

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Religion In The Old South**

In some sort of inundated with screens and the cacophony of quick conversation, the profound power and mental resonance of verbal beauty usually diminish in to obscurity, eclipsed by the regular barrage of noise and distractions. Religion In The Old South Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion In The Old South has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion In The Old South has opened up a world of possibilities. Downloading Religion In The Old South provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion In The Old South has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion In The Old South. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion In The Old South. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion In The Old South, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion In The Old South has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
