

A man with long, dark, wavy hair and a beard is shown from the chest up. He is wearing a white, draped garment that covers his head and shoulders, leaving only his face and part of his chest visible. He is looking slightly to the right of the camera with a calm expression. The background is a soft-focus landscape featuring rolling hills or mountains under a clear, light blue sky. In the foreground, there are dark, out-of-focus bushes or trees. The overall lighting is bright and natural, suggesting a sunny day.

Religious Lives Jesus:

Religious Life Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live
