Religious Mysteries Of The Orient:

Religious Mysteries of the Orient Ormond McGill, Ron Ormond, 1976-01-01 **The Amazing Life of Ormond McGill** Ormond McGill, 2005-07-06 Ormond McGill has hypnotised audiences all over the world with his exciting stage shows Here are some of the secrets of his success fun reading and additionally a resource of little known information for magicians and hypnotists Dr Dwight F Damon President National Guild of Hypnotists Inc *Paths of the Christian Mysteries* Virginia Sease, Manfred Schmidt-Brabant, 2003 In recent decades there has been an upsurge of interest in the Camino the pilgrim s route to Santiago de Compostela in northern Spain But where does this fascination in the spiritual exploration of the Middle Ages come from and what is its significance Virginia Sease and Manfred Schmidt Brabant assert that we live in a time of spiritual quest discovery and change Humanity is becoming increasingly sensitive and primal memories are beginning to emerge in people s consciousness Within this dynamic context of inner transformation the Camino s historic importance is being reechoed in human souls Rudolf Steiner explained that people need to live not only with outer history but also with the esoteric hidden narrative behind it the history of the mysteries Today at the beginning of the twenty first century the authors suggest that it is increasingly necessary for us to live consciously with this veiled history of humanity s continual search for communion with the divine world Based on long research and contemplation the authors present a survey of extraordinary breadth and depth Focusing on the spiritual history of humankind they begin with the cosmic origin of the Grail Mysteries and culminate with the suprasensory Michael cultus and the being of Anthroposophia Topics also include the school of Athens early Christian art and its Gnostic impulses the Grail initiation in northern Spain the role of the Cathars and Troubadours in the Manichean spiritual stream the Camino to Santiago de Compostela and the esoteric aspect of music for the pilgrims the Music of the Spheres and the Elders of the Apocalypse the Templars as emissaries of the Holy Grail the initiations of Christian Rosenkreutz and his relation to anthroposophical art the early Rosicrucian impulses in America and Europe and much more **Encyclopedia of Sacred Places** Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated this encyclopedia documents the diversity of shrines temples holy places and pilgrimage sites sacred to the world s major religious traditions and illustrates their elemental place in human culture As interest increases in the role of world religions in history and international affairs the new edition of Encyclopedia of Sacred Places which arrives 15 years after the publication of the original edition provides new and updated information on site specific religious practice and spiritually significant locations around the globe While many of the entries describe specific places like the Erawan Shrine and the Rock of Cashel others examine types of sacred sites pilgrimages and practices With articles that describe both the places and their associated traditions and history this reference book reveals the enormous diversity and cultural significance of religious practice worldwide For students and teachers of classes ranging from high school geography to university level courses in religious studies geography anthropology and sociology this book provides essential reference on places of great significance

to the world's various faith traditions **Conjuring Asia** Chris Goto-Jones, 2016-07-04 The promise of magic has always commanded the human imagination but the story of industrial modernity is usually seen as a process of disenchantment Drawing on the writings and performances of the so called Golden Age Magicians from the turn of the twentieth century Chris Goto Jones unveils the ways in which European and North American encounters with and representations of Asia the fabled Mystic East worked to re-enchant experiences of the modern world Beginning with a reconceptualization of the meaning of modern magic itself moving beyond conventional categories of real and fake magic Goto Jones acclaimed book guides us on a magical mystery tour around India China and Japan showing us levitations and decapitations magic duels and bullet catches goldfish bowls and paper butterflies In the end this mesmerizing book reveals Orientalism as a kind of magic in itself casting a spell over Western culture that leaves it transformed even today **Akkadian-English Dictionary.
