Gwynned de Looijer

Religious Sects A Sociological Study World University Library:

Religious Sects Bryan R. Wilson, 1970 *Routledge Library Editions: Sociology of Religion* Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

Social Identity and Sectarianism in the Qumran Movement Jutta Jokiranta, 2012-12-07 Identity and sectarianism two crucial and frequently used concepts on the study of the Qumran movement are problematized praised and redefined in this book Sociology of sectarianism and social identity approach inform the investigation of the serakhim rule documents and pesharim biblical commentaries *Religious Identities and the Global South* Felix Wilfred, 2021-01-04 This book offers a comprehensive and interdisciplinary account of religious identities in the Global South Drawing on literature in various fields Felix Wilfred analyzes how religious identities intersect with the processes of globalization modernity and postmodernity He illustrates how the study of religion in the Global North often revolves around questions of secularism and fundamentalism whereas a neo Orientalist quality often attends study of religion in the Global South These approaches and theorizing fail to incorporate the experiences of lived religion in the South especially in Asia Historically the religions in the South have played a highly significant role in resistance to the domination by the colonial forces an important reason for the continued attachment of the peoples of the South to their religious universe This book puts the two regions and their scholarly norms in conversation with one another exploring the social political cultural and economic implications *Voluntary Associations in the Graeco-Roman World* John S. Kloppenborg, Stephen G. Wilson, 2002-09-11 Based upon a series of detailed case studies of associations such as early synagogues and churches philosophical schools and pagan mystery cults this collection addresses the question of what can legitimately be termed a voluntary association Employing modern sociological concepts the essays show how the various associations were constituted the extent of their membership why people joined them and what they contributed to the social fabric of urban life For many those groups were the most significant feature of social life beyond family and work All of them provided an outlet of religious as well as social commitments Also included are studies of the way in which early Jewish and Christian groups adopted and adapted the models of private association available to them and how this affected their social status and role Finally the situation of women is discussed as some of the voluntary associations offered them a more significant recognition than they received in society at large *The Oxford Handbook of the Dead Sea Scrolls* Timothy H. Lim, John J. Collins, 2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000 These publications produced an authoritative

synthesis to which the majority of scholars in the field subscribed granted disagreements in detail A decade or so later The Oxford Handbook of the Dead Sea Scrolls has a different objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook's intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research

Echoes from the Caves: Qumran and the New Testament Florentino García Martínez, 2010-01-01 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible

The Qumran Paradigm Gwynned de Looijer, 2015-10-29 A fundamentally revisionist approach that leaves behind the constructed social reality of a sectarian paradigm Gwynned de Looijer reexamines the key hypotheses that have driven scholars' understandings of the Dead Sea Scrolls the archaeological site of Khirbet Qumran and the textual descriptions of the Essenes She demonstrates that foundational hypotheses regarding a sect at Qumran have heavily influenced the way the texts found in the surrounding caves are interpreted De Looijer's approach abandons those assumptions to illustrate that the Dead Sea Scrolls reflect a wider range of backgrounds reflecting the many diverse forms of Judaism that existed in the Second Temple period Features In depth analysis of 4QMMT Reevaluation of the concept of dualism as it has been applied to Qumran texts Charts and tables illustrate complex theories concepts and connections

Dynamics of Identity in the World of the Early Christians Philip A. Harland, 2009-11-19 This study sheds new light on identity formation and maintenance in the world of the early Christians by drawing on neglected archaeological and epigraphic evidence concerning associations and immigrant groups and by incorporating insights from the social sciences The study's unique contribution relates in part to its interdisciplinary character standing at the intersection of Christian Origins Jewish Studies Classical Studies and the Social Sciences It also breaks new ground in its thoroughly comparative framework giving the Greek and Roman evidence its due not as mere background but as an integral factor in understanding dynamics of identity among early Christians This makes the work particularly well suited as a text for courses that aim to understand early Christian groups and literature including the New Testament in relation to their Greek Roman and Judean contexts Inscriptions pertaining to associations provide a new angle of vision on the ways in which members in Christian congregations and Jewish synagogues experienced belonging and expressed their identities within the Greco Roman world The many other groups of immigrants throughout the cities of the

empire provide a particularly appropriate framework for understanding both synagogues of Judeans and groups of Jesus followers as minority cultural groups in these same contexts Moreover there were both shared means of expressing identity including fictive familial metaphors and peculiarities in the case of both Jews and Christians as minority cultural groups who like other foreigners were sometimes characterized as dangerous alien anti associations By paying close attention to dynamics of identity and belonging within associations and cultural minority groups we can gain new insights into Pauline Johannine and other early Christian communities

Experimentation in American Religion Robert Wuthnow, 2023-11-15

Experimentation in American Religion The New Mysticism and Their Implications for the Churches explores the emergence of new religious movements in America particularly those outside the traditional Judeo Christian framework Wuthnow examines these movements in the context of the societal shifts during the 20th century focusing on why they gained popularity especially among groups that traditional religions had struggled to engage such as college students young people and the educated These new religions often draw from Eastern spiritual practices the occult and humanistic ideals challenging the dominance of conventional Western religious traditions The book uses a sociological approach relying on random sample surveys to analyze patterns in religious commitment focusing on social factors such as education age and background Although the study acknowledges the limitations of sociological data in fully capturing the nuances of religious belief it aims to provide insight into the social context of these new religious movements and why certain individuals are attracted to them The author avoids adhering to any single sociological theory recognizing that different types of new religious movements such as yoga astrology and psychic phenomena require distinct explanations This work is part of a larger project to understand the changing religious landscape in America building on the research conducted by Wuthnow and others at the Survey Research Center This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978

Religious Sects A Sociological Study World University Library Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religious Sects A Sociological Study World University Library free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religious Sects A Sociological Study World University Library free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religious Sects A Sociological Study World University Library free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religious Sects A Sociological Study World University Library. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religious Sects A Sociological Study World University Library any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religious Sects A Sociological Study World University Library Books

1. Where can I buy Religious Sects A Sociological Study World University Library books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
