Reluctant Spiritualist The Life Of Maggie Fox:

The Reluctant Spiritualist Nancy Rubin Stuart, 2005 Chronicles the life of Maggie Fox a young woman who in 1848 claimed she and her sisters had received messages from the spiritual world beginning the spiritualist movement that swept the country

The Theosophical Society Jeffrey D. Lavoie, 2012 This peer reviewed study represents a culmination of years of research into the history of the Theosophical Society In this unique project which combines biographies with source analyses Jeffrey D Lavoie records a detailed history of the early Theosophical Society and examines its relationship with the modern Spiritualist movement between the years 1875 1891 Special attention has been paid to some of the neglected figures associated with these organizations including Arthur Lillie the Gnostic occultist and early critic of the Theosophical Society the Davenport Brothers the Spiritualist mediums who developed many of the standard elements which became associated with modern Spiritualism Alfred Wallace the prominent scientist Spiritualist and supposed member of the Theosophical Society and many others This work will appeal to a wide array of readers including those interested in modern religious movements Western Esotericism South Asian history and Victorian studies

We Hear the Dead Dianne Salerni, 2010-05-01 Readers will be swept along with Maggie and Kate as they bamboozle an entire nation and will feel for Maggie as she debates whether or not to leave the profession Dianne K Salerni has written a brilliant debut novel

TeensReadToo com Maggie I began the deception when I was too young to know right from wrong Only with the passing of time did I come to understand the consequences of my actions Kate I do not believe that I have ever intentionally deceived anyone Maggie has a different understanding of the events that have happened To her the spirits were always a game For me they were my life s calling I have no regrets It starts as a harmless prank then one lie quickly grows into another Soon Kate and Maggie Fox are swept into a dizzying flurry of national attention for their abilities to communicate with the dead But living a lie is sometimes too much to handle even if you have the best intentions Based on a true story We Hear the Dead reveals how secrets and lies can sometimes lead you to what s real and what s right And how sometimes talking with the dead is easier than talking with the people around you What Readers Are Saying Masterfully written a first class novel A crafty enchanting mesmerizing read Adventure romance heartbreak a bit of history and a story that will touch you Dianne Salerni is masterful An enjoyable ride and one well worth taking A great read that had me turning pages long after I should have gone to bed

Activating the Past Andrew Apter, Lauren Derby, 2009-12-14 Activating the Past explores critical historical events and transformations associated with embodied memories in the Black Atlantic world The assembled case studies disclose hidden historical references to local and regional encounters with Atlantic modernity focusing on religious festivals that represent political and economic relationships in fetishized forms of power and value Although memories of the slave trade are rarely acknowledged in West Africa and the Americas they have retreated so to speak within ritual associations as restricted repressed even secret histories that are activated during public festivals and through different

styles of spirit possession In West Africa our focus on selected port cities along the coast extends into the hinterlands where slave raiding occurred but is poorly documented and rarely acknowledged In the Caribbean regional contrasts between coastal and hinterland communities relate figures of the j baro the indio and the caboclo to their ritual representations in Santería Vodou and Candomblé Highlighting the spatial association of memories with shrines and the ritual condensation of regional geographies we locate local spirits and domestic terrains within co extensive Atlantic horizons The volume brings together leading scholars of the African Diaspora who not only explore these ritual archives for significant echoes of the past but also illuminate a subaltern historiography embedded within Atlantic cultural systems *Exploring the Macabre, Malevolent, and Mysterious* Matthew Hodge, Elizabeth Kusko, 2020-09-28 In this unique volume a number of scholars spanning diverse areas and backgrounds offer fresh insight into how perceived concepts of horror and dark subject matter influence cultures and societies around the world The contributions here explore how topics considered disturbing mysterious or fascinating are found not only in works of fiction and entertainment but also in the cultural fabrics belief systems artistic creations and even governmental structures of societies Topics discussed in this book include witchcraft voodoo zombies spiritualism serial killers monsters cemeteries pop culture entertainment and the sublime in transcendental experiences As the academic study of horror becomes more mainstream collections such as this are instrumental in realizing just how much it impacts our lives past present future and imaginary Thus this volume of intriguing and profound topics offers scholars students and lovers of learning a much needed fresh and innovative intellectual exploration of the horror genre and the cultural fascination with the mysterious unknown **Beyond** Tiffany Hopkins, 2025-06-10 A twist of fate changed the life of author Tiffany Hopkins forever in the midst of her fast paced career in the big city she unexpectedly inherited a cottage in America's oldest intentional Spiritualist community The little town of Lily Dale in upstate New York is wholly comprised of people who believe in talking to the dead drawing an average of 20 000 tourists every year These seekers come to experience the practice of spirit communication booking sessions meeting one on one with mediums and fully immersing themselves in the otherworldly atmosphere of this rare and wonderful town After learning how to be a medium Hopkins began focusing on normalizing talking to the dead getting the word out about the practice of embodied mediumship the art of connecting with the self to hear from the other side which offers potent expansion to anyone willing to be curious about the world beyond the veil *Beyond* encourages readers to increase their powers of empathy intuition and imagination to inspire creativity heal body and mind and even create community and find their way to like minded souls In addition to a step by step guide to the basics of mediumship Hopkins includes prompts and exercises for developing skills like discernment and boundaries assuming trance consciousness to create in a state of flow and working with others in collaborative circles to pool ideas and receive more nuanced feedback from the universe Readers will come away with a fresh appreciation for this world both physical and metaphysical and an exciting new way to approach their life by strengthening all six of their senses

The ^AWestern Esoteric Traditions Nicholas Goodrick-Clarke,2008-10-14 The Western Esoteric Traditions offers a concise history of a distinct form of philosophical spirituality extending from Hermeticism Neo Platonism and Gnosticism in the early Christian era up until the present New paradigms in medicine and science attest to the continuity of esoteric ideas into the twenty first century

The Haunting of America William J. Birnes,Joel Martin,2009-09-15 In the tradition of their Haunting of the Presidents national bestselling authors Joel Martin and William J Birnes write The Haunting of America From The Salem Witch Trials to Harry Houdini the only book to tell the story of how paranormal events influenced and sometimes even drove political events In a narrative retelling of American history that begins with the Salem Witch Trials of the seventeenth century Martin and Birnes unearth the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares The authors examine the political history of the United States through the lens of the paranormal and investigate the spiritual events that inspired public policy channelers and meduims who have advised presidents UFOs that frightened the nation s military into launching nuclear bomber squadrons toward the Soviet Union out of body experiencers deployed to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of America is a thrilling exploration of the often unexpected influences of the paranormal on science medicine law government the military psychology theology death and dying spirituality and pop culture

Pranksters Kembrew McLeod,2014-04-01 From Benjamin Franklin s newspaper hoax that faked the death of his rival to Abbie Hoffman s attempt to levitate the Pentagon pranksters hoaxers and con artists have caused confusion disorder and laughter in Western society for centuries Profiling the most notorious mischief makers from the 1600s to the present day Pranksters explores how pranks are part of a long tradition of speaking truth to power and social critique Invoking such historical and contemporary figures as P T Barnum Jonathan Swift WITCH The Yes Men and Stephen Colbert Kembrew McLeod shows how staged spectacles that balance the serious and humorous can spark important public conversations In some instances tricksters have incited social change and unfortunate prank blowback by manipulating various forms of media from newspapers to YouTube For example in the 1960s self proclaimed professional hoaxer Alan Abel lampooned America s hypocritical sexual mores by using conservative rhetoric to fool the news media into covering a satirical organization that advocated clothing naked animals In the 1990s Sub Pop Records then receptionist Megan Jasper satirized the commodification of alternative music culture by pranking the New York Times into reporting on her fake lexicon of grunge speak Throughout this book McLeod shows how pranks interrupt the daily flow of approved information and news using humor to underscore larger pointed truths Written in an accessible story driven style Pranksters reveals how mischief makers have left their shocking entertaining and educational mark on modern political and social life
