- 5 Disability services
- 6 Public health policy

# Remaking Canadian Social Policy Social Security In The Late 1990s

**Lois Harder, Steve Patten**

## **Remaking Canadian Social Policy Social Security In The Late 1990s:**

**Changing Politics of Canadian Social Policy** Michael J. Prince, James J. Rice, 2000-03-18 No one is content with the state of health and social programs in Canada today The Right thinks that there is too much government involvement and the Left thinks there is not enough In *Changing Politics of Canadian Social Policy* James Rice and Michael Prince track the history of the welfare state from its establishment in the 1940s through its development in the mid 1970s to the period of deficit crisis and restraint that followed in the late 1970s and 1980s Taking a historical perspective the authors grapple with the politics of social policy in the 1990s Globalization and the concomitant corporate mobility affect government's ability to regulate the distribution of wealth while the increasing diversity of the population puts increasingly complex demands on an already overstressed system Yet in the face of these constraints the system still endures and is far from irrelevant Some social programs have been dismantled but the government has organized and maintained others Greater democratization of welfare programs and social policy agencies could make the system thrive again *Changing Politics* provides the much needed groundwork for students and policy makers while also proposing real solutions for the future

*Changing Politics of Canadian Social Policy* James J. Rice, Michael J. Prince, 2013-01-01 *Changing Politics of Canadian Social Policy* is a one of a kind resource in the fields of political science and social work

**Remaking Canadian Social Policy** Jane Pulkingham, Gordon Ternowetsky, 1996 This book critically examines the changing landscape of Canadian social policy that is taking place as a result of the Liberal government's Social Security Review SSR and recent budgets The objective is to provide an alternative venue to the official consultation process of the SSR while at the same time providing input into the rebuilding of Canadian social programs Major factors that led to the SSR are examined the role of the Minister of Finance the fiscal power and moral authority of the federal state in a decentralized nation globalization and labour market restructuring the concept of workfare the impact on women the role of popular sector groups and the future of the welfare state

Canadian Social Policy, Fifth Edition Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of *Canadian Social Policy* Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters

contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

**Canadian Social Policy** Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

**Reforming Social Policy** Neclâ Yongaçoğlu Tschirgi, International Development Research Centre (Canada), 2000 Reforming Social Policy Changing Perspectives in Sustainable Human Development

**Gendered States** Ann Porter, 2003-01-01 In the period since the Second World War there has been both a massive influx of women into the Canadian job market and substantive changes to the welfare state as early expansion gave way by the 1970s to a prolonged period of retrenchment and restructuring Through a detailed historical account of the Unemployment Insurance UI program from 1945 to 1997 Ann Porter demonstrates how gender was central both to the construction of the post war welfare state as well as to its subsequent crisis and restructuring Drawing on a wide range of sources including archival material UI administrative tribunal decisions and documents from the government labour and women s groups she examines the implications of restructuring for women s equality as well as how women s groups labour and the state interacted in efforts to shape the policy agenda Porter argues that while the post war welfare state model was based on a family with a single male breadwinner the new model is one that assumes multiple family earners and encourages employability for both men and women The result has been greater formal equality for women but at the same time the restructuring and reduction of benefits have undermined these gains and made women s lives increasingly difficult Using concepts from political economy feminism and public policy this study will be of

interest across a range of disciplines      **The Chrétien Legacy** Lois Harder, Steve Patten, 2006-07-13 The legacy of Jean Chrétien Canadian prime minister from 1993 2003 is difficult to assess in the context of the sponsorship scandal and the subsequent cloud of uncertainty surrounding the Liberal Party's electoral prospects The contributors to this volume use their considerable experience and expertise as policy observers and critical thinkers to provide provocative essays that analyse Chrétien's government and provide insights into Canadian politics and public policy      **Driven Apart** Annis May Timpson, 2001 From the outset of second wave feminism in Canada women have advanced analyses of employment inequality that embrace their labour in both the public and domestic spheres Through campaigns task forces and direct engagement with government departments activists have argued that only when the Canadian state takes account of their roles as care providers can women's full potential as worker citizens be realized      **Health Promotion and the Policy Process** Carole Clavier, Evelyne J. J. de Leeuw, 2013-09-12 Health Promotion and the Policy Process presents theories on the policy process and discusses their significance in understanding of the constraints and issues of policymaking in health promotion

## Whispering the Secrets of Language: An Mental Journey through **Remaking Canadian Social Policy Social Security In The Late 1990s**

In a digitally-driven world where monitors reign supreme and immediate transmission drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within words often move unheard. However, situated within the pages of **Remaking Canadian Social Policy Social Security In The Late 1990s** a captivating literary prize sporting with organic feelings, lies an exceptional quest waiting to be undertaken.
