Remember Cynthia Rose Grandparents Fight To Keep Their Grandchildren:

Remember Cynthia Rose Jeanne Sinclair-Krause,2002 If your adult child becomes incapacitated or dies you do not automatically gain custody of your grandchildren Sometimes depending on the age of the children and whether or not they are adoptable will determine who gets custody Hundreds of thousands of dollars in federal bonus monies are given to states each year when they exceed the number of adoptions from the previous year Your grandchild may be needed to help reach the numbers necessary for your state to receive its bonus **You'Re Parenting Again?** Larry D. Lamb,2017-04-27

Grandparents raising their grandchildren are a new demographic emerging at a staggering rate because the parents are either unwilling or incapable of raising their own children The rationale for this work is derived from the challenges this author and his wife have because of parenting their grandchildren The research for this project has the value to offer support wisdom hope and perspective for those who are parenting again as grandparents Opportunities abound to lead grandchildren in a direction where they never would have gone had grandparents resisted the selfless act of parenting again This project will be approached using surveys with specific questions from other grandparents who are raising their grandchildren The survey will assist in assembling the reasons behind this new and emerging trend of parenting The resources gathered from this project will help grandparents embrace their new role in life Books In Print 2004-2005 Ed Bowker Staff,Staff
