Remembering Viet Nam Regula Fuchs, 2010 How does American culture deal with its memories of the Vietnam War and what role does literature play in this process Remembering Viet Nam is a fascinating exploration of the ways in which authors of Vietnam War literature represent American cultural memory in their writings The analysis is based on a wide array of sources including historical political cultural and literary studies as well as works on trauma It begins with an examination of American foundation myths their normative formative and most of all their bonding nature and the role

institutions such as the military and the media play in upholding these myths The study then considers the soldiers and war veterans minds and bodies and the stories they tell as key sites in the debates over the war s place in American cultural memory The multilayered approach of *Remembering Viet Nam* allows the investigation of Vietnam War literature in its whole breadth including the debates instigated by the works examined and the influence these narratives themselves have on American cultural memory Most importantly the analysis uncovers why American foundation myths despite their being thoroughly questioned and even exposed as cultural inventions by authors and reviewers of Vietnam War literature can still retain their power within American society

Remembering Musical Childhoods in Vietnam Tina A. Huynh, 2024-08-06 This book offers an in depth exploration of the childhood musical experiences of Vietnamese elders providing a unique lens on the intersections between identity culture and music education Centering the stories of five Vietnamese Americans and one Vietnamese person who grew up in Vietnam between 1931 and 1975 the author considers the role that each individual s childhood musical experiences played in their life as they were impacted by war political movements and immigrant and refugee experiences The book adds a new perspective to research on the global music practices of children by exploring music transmission and repertoire in Vietnam in the context of political unrest and colonialism before and during the Vietnam War It also explores the evolution of the personal meanings and memories of music over a period of drastic change in each individual s life as five of six elders transitioned into a life in the United States This book provides both an act of cultural and musical preservation and relevant implications for music education today Situating the children s songs and games of Vietnamese culture in their original context the author invites those in the field of music education to consider how lived experiences and entrenched systems of teaching affect music learning and identity formation The volume includes a selection of Vietnamese children s songs games chants and musicopoetic lullabies ca dao offering ways to enrich music educators world music curricula Relevant to music education ethnomusicology and Asian American studies this book provides a nuanced account of Vietnamese children s music making of the past and presents an analysis of childhood musical experiences in a wider cultural sociopolitical and historical context

The Commemoration of Women in the United States Teresa Bergman, 2019-05-22 *The Commemoration of Women in the United States* examines the public memorialization of women in the US over the past century with a particular focus on the late twentieth century and early twenty first The analysis centers on six case examples of memorialization and explores broad themes of cultural representation Bergman argues that the construction or relocation of a series of prominent national memorials together form a significant moment of change in the ways in which women are commemorated in the US The historic and present day challenges facing such commemoration are examined with reference to broader political debates The case examples explored are the Women in the Military Service for America Memorial the Women s Rights National Historic Park the Vietnam Veterans Women s Memorial the Rosie the Riveter WWII Home Front National Historical Park the Eleanor Roosevelt Statue in the Franklin Delano

Roosevelt Memorial and the Portrait Monument of Susan B Anthony Lucretia Mott and Elizabeth Cady Stanton Providing insightful and grounded analysis of the history and practice of the commemoration of women in the US this book makes useful reading for a range of scholars and students in subjects including heritage studies communication studies and history
