Liam Harte

Remembrances Of Elizabeth Freke 1671 1714:

The Remembrances of Elizabeth Freke 1671-1714 Elizabeth Freke,2001 In writing and then rewriting autobiographical remembrances recalling three decades of marriage and ensuing years of widowhood Elizabeth Freke strikingly redefines the relationships among self family and patriarchy characteristic of early modern women s autobiography Suffering and sacrifice dominate an extensive ledger of disappointment and bitterness that reveals over time the complex emotions of a Norfolk gentry woman seeking significance and even vindication in her hardships and frustrations The infirm woman who eventually found herself utterly alone remained to the end a contentious melodramatic yet formidable figure a strong willed even sympathetic person intent upon asserting herself against what she perceived as familial neglect and legal abuse By making available both versions of the remembrances in their entirety this new multiple text edition clarifies the refashioning inherent in each stage of writing and rewriting recovering with unusual immediacy Freke s late seventeenth and early eighteenth century domestic world [The Remembrances of Elizabeth Freke 1671-1714](#) Raymond A.

Anselment,2002-01-17 Elizabeth Freke s accounts of her late seventeenth and early eighteenth century Norfolk gentry world are the basis for a new critical edition of her autobiography A complexly contradictory woman caught in an unhappy domestic life she consciously constructed and reconstructed an identity as a wife mother and widow By preserving two quite often different manuscript versions the edition provides a new appreciation of a distinct self image among early modern women s autobiography **A London Year** Travis Elborough,Nick Rennison,2013-10-03

DIVA London Year is an anthology of short diary entries one or more for each day of the year which taken together provides an impressionistic portrait of life in the city from Tudor times to the twenty first century This ebook edition with its own distinct cover has been optimised for the digital reader A hyperlinked contents page makes it easy for the reader to dip in and out of the book while each page is dedicated to a separate day To further improve formatting the illustrations from the printed edition have been omitted We promise this does not detract from the reading experience This ebook serves as the perfect accompaniment to the print edition There are more than two hundred featured writers with a short biography for each The most famous diarist of all Samuel Pepys is there as well as some of today s finest diarists like Alan Bennett and Chris Mullin There are coronations and executions election riots and zeppelin raids duels dust ups and drunken sprees among everyday moments like Brian Eno cycling in Kilburn or George Eliot walking on Wimbledon Common Vividly evoking moments in the lives of Londoners in the past providing snapshots of the city s inhabitants at work at play in pursuit of money sex entertainment pleasure and power the ebook of **A London Year** is the perfect read for all who live in or love this eternal ever changing city div **A History of**

Irish Autobiography Liam Harte,2018-03-01 **A History of Irish Autobiography** is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the

English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published

The Routledge

History of Women in Early Modern Europe Amanda L. Capern,2019-10-30 The Routledge History of Women in Early Modern Europe is a comprehensive and ground breaking survey of the lives of women in early modern Europe between 1450 and 1750 Covering a period of dramatic political and cultural change the book challenges the current contours and chronologies of European history by observing them through the lens of female experience The collaborative research of this book covers four themes the affective world practical knowledge for life politics and religion arts science and humanities These themes are interwoven through the chapters which encompass all areas of women s lives sexuality emotions health and wellbeing educational attainment litigation and the practical and leisured application of knowledge skills and artistry from medicine to theology The intellectual lives of women through reading and writing and their spirituality and engagement with the material world are also explored So too is the sheer energy of female work including farming and manufacture skilled craft and artwork theatrical work and scientific enquiry The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early modern European history by opening the reader s eyes to an exciting age of female productivity social engagement and political activism across European and transatlantic boundaries It is essential reading for students and researchers of early modern history the history of women and gender studies Ruling

Ireland, 1685-1742 David Hayton,2004 In a series of studies David Hayton offers a comprehensive account of the government of Ireland during the period of transformation from New English colonialism to Anglo Irish patriotism **Medical Authority**

and Englishwomen's Herbal Texts, 1550-1650 Rebecca Laroche,2016-12-05 The first study to analyze print vernacular folio herbals from the standpoint of gender and to present original findings to do with early modern women s ownership of these herbals Medical Authority and Englishwomen s Herbal Texts also looks at reasons and contexts behind early modern female writers claiming herbal practice Author Rebecca Laroche first establishes cultural backdrops in the gendering of medical authority that takes place in the herbals and the regular ownership of these herbals by women She then examines women s engagements with herbal texts in life writings and poetry and asks how these moments represent and engage medical authority In ultimately demonstrating how female writers variously take on women s herbal medical practices Laroche reveals the broad range of literary potentials within the historical category of women s medicine Women in

Eighteenth Century Europe Margaret Hunt,2014-06-11 Was the century of Voltaire also the century of women In the

eighteenth century changes in the nature of work family life sexuality education law religion politics and warfare radically altered the lives of women Some of these developments caused immense confusion and suffering others greatly expanded women s opportunities and worldview long before the various women s suffrage movements were more than a glimmer on the horizon This study pays attention to queens as well as commoners respectable working women as well as prostitutes women physicists and mathematicians as well as musicians and actresses feminists as well as their critics The result is a rich and morally complex tale of conflict and tragedy but also of achievement The book deals with many regions and topics often under represented in general surveys of European women including coverage of the Balkans and both European Turkey and Anatolia of Eastern Europe of European colonial expansion particularly the slave trade and of Muslim Eastern Orthodox and Jewish women s history Bringing all of Europe into the narrative of early modern women s history challenges many received assumptions about Europe and women in past times and provides essential background for dealing with issues of diversity in the Europe of today

The Cambridge Companion to Early Modern Women's Writing Laura Lunger Knoppers, 2009-10-08

Featuring the most frequently taught female writers and texts of the early modern period this Companion introduces the reader to the range complexity historical importance and aesthetic merit of women s writing in Britain from 1500 1700 Presenting key textual historical and methodological information the volume exemplifies new and diverse approaches to the study of women s writing The book is clearly divided into three sections covering how women learnt to write and how their work was circulated or published how and what women wrote in the places and spaces in which they lived worked and worshipped and the different kinds of writing women produced from poetry and fiction to letters diaries and political prose This structure makes the volume readily adaptable to course usage The Companion is enhanced by an introduction that lays out crucial framework and critical issues and by chronologies that situate women s writings alongside political and cultural events

Fields, Fens and Felonies Gregory J Durston, 2016-12-09

A new work on Crime and Punishment in East Anglia and elsewhere during the eighteenth century It was a time of highwaymen footpads and desperate petty offenders draconian penalties extremes of wealth and poverty corruption and rough and emerging forms of justice The contents include justices of the peace policing crimes courts and judges as well as such matters as summary trial and disposal jury trial execution and reprieve a variety of offences including murder and other homicides violence and sexual offences smuggling poaching property crimes riots and disturbances The book also looks at the various hierarchies that existed whether social legal judicial religious military or otherwise so as to exert a variety of social controls at a time of relative lawlessness A fascinating and statistically absorbing account of crimes responses and penal outcomes of the era Neither a micro history in the context of a parish hundred or small town nor national account but a more unusual criminal justice history of a major English region with its own correlation with London and the rest of England in addition to its local differences and quirks
