Renans Antichrist 1899:

The Nero-Antichrist Shushma Malik, 2020-04-16 Refutes the commonly held perception that Nero should be understood as the Antichrist figure in the Bible and argues instead that this paradigm was a product of late antiquity The paradigm's success facilitated its revival in the nineteenth century against the backdrop of the era's fin de siècle anxieties and religious controversies

Dictionary of Premillennial Theology Mal Couch, 1996 More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology

Renan's Antichrist, tr., with an intr., by W.G. Hutchison Joseph Ernest Renan, 1899

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study

History: fiction or science?. Chronology 1 A. T. Fomenko, 2006 The author contends that all generally accepted historical chronology prior to the 16th century is inaccurate often off by many hundreds or even thousands of years Volume 1 of a proposed seven volumes

Empirico-Statistical Analysis of Narrative Material and its Applications to Historical Dating A.T. Fomenko, 2013-11-11 Today the methods of applied statistics have penetrated very different fields of knowledge including the investigation of texts of various origins These texts may be considered as signal sequences of different kinds long genetic codes graphic representations which may be coded and represented by a text as well as actual narrative texts for example historical chronicles originals documents etc One of the most important problems arising here is to recognize dependent text i.e. texts which have a measure of resemblance arising from some kind of common origin For instance in pattern recognition problems it is essential to identify from a large set of patterns a pattern that is closest to a given one in studying long signal sequences it is important to recognize homogeneous subsequences and the places of their junction This includes in particular the well known change point problem which is given considerable attention in mathematical statistics and the theory of stochastic processes As applied to the study of narrative texts the problem of recognizing dependent and independent texts e.g. chronicles leads to the problem of finding texts having a common source i.e. the same original such texts are naturally called dependent or on the contrary having different sources such texts are naturally called independent Clearly such problems are exceedingly

complicated and therefore the appearance of new empirico statistical recognition methods which along with the classical approaches may prove useful in concrete studies e g source determination is welcome Nietzsche and Jewish Culture Jacob Golomb,2002-01-04 Friedrich Nietzsche occupies a contradictory position in the history of ideas he came up with the concept of a master race yet an eminent Jewish scholar like Martin Buber translated his Also sprach Zarathustra into Polish and remained in a lifelong intellectual dialogue with Nietzsche Sigmund Freud admired his intellectual courage and was not at all reluctant to admit that Nietzsche had anticipated many of his basic ideas This unique collection of essays explores the reciprocal relationship between Nietzsche and Jewish culture It is organized in two parts the first examines Nietzsche s attitudes towards Jews and Judaism the second Nietzsche s influence on Jewish intellectuals as diverse and as famous as Franz Kafka Martin Buber Franz Rosenzweig and Sigmund Freud Each carefully selected essay explores one aspect of Nietzsche s relation to Judaism and German intellectual history from Heinrich Heine to Nazism **Biblical Preaching and Teaching Volume 2** Dallas R. Burdette,2010-02 One objective of this book is to set forth the heart of God s Gospel This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another Since the Cross of Christ is pivotal to a proper understanding of Christianity numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God s people Not only does this book focus upon the scheme of God s redemption and evangelism as a part of every believer s ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul s Conversion Apologetic for Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God s children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

... Catalogue of Printed Books British Museum. Department of Printed Books,1904 **The Fall of Jerusalem and the Christian Church** S. G. F. Brandon,2010-06-01 What lies between the authoritative preeminence of the Mother Church of Jerusalem and the virtual extinction both of its life and apparently of all its local records Dr Brandon finds that the full significance of the fall of Jerusalem in AD 70 has been strangely neglected amongst scholars In this original and exhaustive study he shows that this catastrophic event was of profound importance not only for the development of early Christianity but possibly also for its very survival Besides an ordered survey of other ancient historians this book demonstrates an extensive

study of New Testament origins and many will find special interest in the light it throws upon the origin and purpose of canonical works This book faces serious problems of New Testament study that have generally been too easily dismissed and it makes a definite and original contribution towards their solution
