

Moses Strikes the Rock

Full story can be found in Numbers 20:1-12

The people in the wilderness were afraid to drink the water without Moses and Aaron met with God for help.

The Lord told Moses to take the staff, gather the people and speak to the rock before them and it would pour out water to drink.

Moses took the staff as instructed by the Lord. He and Aaron gathered the people together in front of the rock.

There was no water for the community to drink so the people turned against Moses and Aaron.

Even though

Moses spoke to the rock, the Lord did not give two streams of water to the people to drink. The Lord said that because he did not trust and obey what the Lord said.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
