Rock N Roll Nights:

Highlife Saturday Night Nate Plageman, 2013 Highlife Saturday Night captures the vibrancy of Saturday nights in Ghana when musicians took to the stage and dancers took to the floor in this penetrating look at musical leisure during a time of social political and cultural change Framing dance band highlife music as a central medium through which Ghanaians negotiated gendered and generational social relations Nate Plageman shows how popular music was central to the rhythm of daily life in a West African nation He traces the history of highlife in urban Ghana during much of the 20th century and documents a range of figures that fueled the music's emergence evolution and explosive popularity This book is generously enhanced by audiovisual material on the Ethnomusicology Multimedia website

Louisiana Saturday Night Alex V. Cook, 2012-03-09 From backwoods bars and small town dives to swampside dance halls and converted clapboard barns Louisiana Saturday Night offers an anecdotal history and experiential guidebook to some of the Gumbo State's most unique blues Cajun and zydeco clubs Music critic Alex V Cook uncovers south Louisiana's wellspring of musical tradition showing us that indigenous music exists not as an artifact to be salvaged by preservationists but serves as a living breathing singing laughing and crying part of Louisiana culture Louisiana Saturday Night takes the reader to both offbeat and traditional venues in and around Baton Rouge Cajun country and New Orleans where we hear the distinctive voices of musicians patrons and owners like Teddy Johnson born in the house that now serves as Teddy's Juke Joint Along the way Cook ruminates on the cultural importance of the people and places he encounters and shows their critical role in keeping Louisiana's unique music alive A map a journal a snapshot of what goes on in the little shacks off main roads Louisiana Saturday Night provides an indispensable and entertaining companion for those in pursuit of Louisiana's quirky and varied nightlife

Adventure Guide to Sweden Elisabet Olesen, 2006 The clean air smelling of spruce and moss in the summer and of newly fallen snow in winter is unforgettable in Sweden Written by a native this is the definitive guide to a country that is nearly 80% mountains vast forests lakes and wilderness But this book covers all from cities and villages to the Midnight Sun Coast the islands to the Lapland area Art culture folklore shopping walks watersports and more Town and regional maps

The Words and Music of Bruce Springsteen Rob Kirkpatrick, 2006-12-30 Bruce Springsteen's career has been covered many times over yet many of the complexities and apparent contradictions of his music remain unresolved Rob Kirkpatrick provides a comprehensive and coherent look at the work of this thoroughly complex and persistently captivating artist After a brief biographical treatment Kirkpatrick considers all of Springsteen's significant albums in chronological order These include Born to Run which was voted the most popular album of all time in a recently published Zagat survey Born in the U S A which sold more than 20 million copies and The Rising regarded by many as the most poignant artistic reaction to 9 11 In addition to a probing musical analysis the book offers a guide to Springsteen's lyrical themes and motifs allowing readers insight into the complicated nature of the artist's underlying concerns influences and ideas Rounding out the volume is a

consideration of The Boss's legacy as a songwriter and musician as well as appendices including a bibliography and a complete discography. *The Words and Music of Bruce Springsteen* provides a comprehensive and coherent look at the work of a thoroughly complex and persistently captivating artist. Springsteen enjoys a popularity that has transcended generations. His 1975 album *Born to Run* was voted the most popular album of all time in a recently published Zagat survey; his 1984 album *Born in the U.S.A.* spawned seven Top Ten singles while selling more than 20 million copies; and his 2002 album *The Rising* was regarded by many critics as the most poignant artistic reaction to 9/11. Springsteen, now in his 50s, has evolved from an overhyped version of the next Bob Dylan to the future of rock and roll in the mid 1970s to a pop culture icon in Reagan America to a 21st century populist voice. His career has been covered many times over yet many of the complexities and apparent contradictions of his music remain unresolved. These include his hard rock-influenced musical background, his movement from themes of rebellion and isolation in his early work to those of a more populist complexion later on, and his contribution in the 1980s to a conservative patriotism despite his albums' close association with the music and ideas of Woody Guthrie. After a brief biographical treatment, Kirkpatrick considers all of Springsteen's significant albums in chronological order. In addition to this probing musical analysis, he offers a guide to Springsteen's lyrical themes and motifs, allowing readers a coherent insight into the complicated nature of the artist's underlying concerns, influences, and ideas. Rounding out the volume is a consideration of The Boss's legacy as a songwriter and musician as well as appendices including a bibliography and a complete discography. In sum, *The Words and Music of Bruce Springsteen* provides a comprehensive and coherent look previously unavailable in a single volume at the work of a thoroughly complex and persistently captivating artist.

Cincinnati Magazine, 1985-04. Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture, and giving readers a ringside seat on the issues shaping the region.

[Stockholm & the Archipelago Adventure Guide](#) Elisabet Olesen, 2009. The clean air, smelling of spruce and moss in the summer and of newly fallen snow in winter, is unforgettable in Sweden. Written by a full-time resident, this is the definitive guide to Stockholm and the beautiful archipelago close by. There are cities we visit for their stunning beauty, others for their cultural offerings, and still others for their cuisine and fashionable bars. And then there is Stockholm, a striking, vibrant city with historic charm, situated where Lake Mälaren begins to mix with the Baltic Sea. Its waters are so clean that you can go swimming or fishing anywhere, even in the heart of the city. This beautiful city is spread out over 14 islands that are tied together with a filigree of deep blue waterways, artsy tunnels, pedestrian-friendly bridges, and emerald green park land. There is a fascinating mix of architectural styles, ranging from medieval to Renaissance and fin de siècle pomp, ochre in shades of yellow and burnt ochre with soft greens, and every hue of brown, ochre, and finally to an almost brutal modernism. In this 750-year-old city, high-rise buildings made of glass and concrete share the skyline with historic, ornate towers, turrets, church spires, and patina rooftops, all in a workable blend. Today's multi-ethnic Stockholm boasts 70 museums, 100 art galleries, over 100 slott, castles, palaces, and manor houses. There are

some 1 500 restaurants many of which are run by award winning chefs and for a city with a relatively short summer season an amazing number of establishments with outdoor seating If this is not enough to entice visitors there is an added attraction the unique and amazingly beautiful archipelago consisting of 24 000 islands and islets called skerrets only 25 minutes from the city center One third of Stockholm is water with Gamla Stan as a divider between Lake Mnlaren and Lake SaltsjAn which leads out to the archipelago and the Baltic Sea The narrow waterways in between the small and large islands are perfect for leisurely paddling a rented kayak or canoe And for a unique fishing expedition just place yourself on a pretty city bridge fishing pole in hand and look down into the clear sparkling and pollution free city waters Fishing has been allowed here since the 15th century and today in a most unusual fishing environment perch pike trout salmon and some additional 25 varieties of fish are thriving Art culture folklore shopping walks water sports and more Each book offers an ideal mix of practical travel info along with activities And the fun is for everyone no matter what their age or ability Comprehensive background information history culture geography and climate gives you a solid knowledge of each destination and its people Regional chapters take you on an introductory tour with stops at museums historic sites and local attractions Places to stay and eat transportation to from and around your destination practical concerns tourism contacts it s all here Detailed regional and town maps feature walking and driving tours Then come the adventures fishing canoeing hiking rafting llama trips and more Never galloped along a beach on horseback trekked up a mountain explored ancient sites Adventure Guides include extensive lists of recommended outfitters with all contact details e mail website phone number and location

Magic in the Night Rob Kirkpatrick,2009-03-03 The definitive look at The Boss and how his music has both shaped and confronted American mythology Emerging on the music scene with 1973 s Greetings from Asbury Park N J Bruce Springsteen was heralded as the future of rock and roll and since then his influence and popularity have exploded Rob Kirkpatrick s *Magic in the Night* uses Springsteen s biography as a lens through which listeners can reevaluate his music as he morphs from the next Bob Dylan to a Reagan era pop culture icon and again to today s populist voice discussing each album in chronological order Kirkpatrick s keen insights show why the classic 1975 album *Born to Run* is the most popular album of all time according to a recent ZagatSurvey and what s made Springsteen the most respected and influential artist in rock music Though his career has been widely documented Springsteen fans have never had a book like this one which lets them immerse themselves in his music and learn about his influences lyrical choices and the themes Springsteen has been drawn to again and again in his career Kirkpatrick s in depth analysis of Springsteen s work even unreleased songs and the political controversies surrounding it make *Magic in the Night* a must for any true Springsteen fan

Taking Popular Music Seriously Simon Frith,2017-07-05 As a sociologist Simon Frith takes the starting point that music is the result of the play of social forces whether as an idea an experience or an activity The essays in this important collection address these forces recognising that music is an effect of a continuous process of negotiation dispute and agreement between the individual actors who make up a music world The emphasis is always on discourse on the way in which people talk and write about music and the part this plays in the social construction of musical meaning and value The collection includes nineteen essays some of which have had a major impact on the field along with an autobiographical introduction
