Mothers as the Image of God Juliann Bullock, 2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God's image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God Mothers as the Image of God explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children
