interested in the music industry **International History of the Recording Industry** Pekka Gronow, Ilpo Saunio, 1999-07-26 This book explores the fascinating world of the record business its technology the music and the musicians from Edison's phonograph to the compact disc The great artists Caruso Toscanini Louis Armstrong Elvis Presley and their successors all achieved fame through the medium of records and in turn have influenced the recording industry But just as important are the record producers those invisible figures who decide from behind the scenes how a record will sound The history of recording is also the history of record companies the book follows the vicissitudes of the multinational giants without neglecting the small pioneering labels which have brought valuable new talents to the fore **The Global Jukebox** Robert Burnett, 2002-01-04 Popular music is with us constantly It is part of our everyday environment and in global terms it is now perhaps the most universal means of communication The Global Jukebox is the first comprehensive study of the international music industry at a time of great change as the entertainment industry acknowledges its ever growing global audience Robert Burnett provides an international overview of the music business and its future prospects in the UK Northern Europe and the United States and Canada He examines the relationship between local and global cultures and between concentration of ownership Sony Warner and the rest of the big six and the diversity of music production and consumption The Global Jukebox not only illuminates the workings of the contemporary entertainment industries it captures the dynamics at work in the production of musical culture between the transnational media conglomerates the independent music companies and the public It is essential reading for anyone studying popular music **Contemporary African Cultural Productions** V.Y. Mudimbe, 2013-01-31 All over Africa an explosion in cultural productions of various genres is in evidence Whether in relation to music song and dance drama poetry film documentaries photography cartoons fine arts novels and short stories essays and auto biography the continent is experiencing a robust outpouring of creative power that is as remarkable for its originality as its all round diversity Beginning from the late 1970s and early 1980s the African continent has experienced the longest and deepest economic crises than at any other time since the period after the Second World War Interestingly however while practically every indicator of economic development was declining in nominal and or real terms for most aspects of the continent cultural productions were on the increase Out of adversity the creative genius of the African produced cultural forms that at once spoke to crises and sought to transcend them The current climate of cultural pluralism that has been produced in no small part by globalization has not been accompanied by an adequate pluralism of ideas on what culture is and or should be nor informed by an equal claim to the production of the cultural packaged or not Globalization has seen to movement and mixture contact and linkage interaction and exchange where cultural flows of capital people commodities images and ideologies have meant that the globe has become a space with new asymmetries for an increasing intertwinement of the lives of people and consequently of a greater blurring of normative definitions as well as a place for re definition imagined and real As this book Contemporary African Cultural Productions has done researching into

African culture and cultural productions that derive from it allows us among other things to enquire into definitions explore historical dimensions and interrogate the political dimensions to presentation and representation The book therefore offers us an intervention that goes beyond the normative literary and cultural studies main foci of race difference and identity notions which while important in themselves might without the necessary historicizing and interrogating result in a discourse that rather re inscribes the very patterns that necessitate writing against This book is an invaluable compendium to scholars researchers teachers students and others who specialize on different aspects of African culture and cultural productions as well as cultural centers and general readers

Creative Industries Richard E. Caves, 2000-06-30 Drawing on industrial economics and contract theory Caves explores the organization of creative industries including visual and performing arts movies theater sound recordings and book publishing In each artistic inputs are combined with humdrum inputs But Caves finds the deals bringing these inputs together are inherently problematic

Creativity, Communication and Cultural Value Keith Negus, Michael Pickering, 2004-06-05 Negus and Pickering provide a clear and logical way of understanding what we describe as creative and how this term has become central to attaching cultural value

The Beatles Bob Spitz, 2012-06-25 The definitive biography of The Beatles hailed as irresistible by the New York Times riveting by the Boston Globe and masterful by Time As soon as The Beatles became famous the spin machine began to construct a myth one that has continued to this day But the truth is much more interesting much more exciting and much more moving the highs and the lows the love and the rivalry the awe and the jealousy the drugs the tears the thrill and the magic to never be repeated In this vast revelatory exuberantly acclaimed and bestselling book Bob Spitz has written the biography for which Beatles fans have long waited
