Rocking The Ship Of State Toward A Feminist Peace Politics:

Rocking The Ship Of State Adrienne Harris, Ynestra King, Carol Cohn, 2019-07-11 This book considers the experience of women as children and as mothers and feminist critiques of gender as important sources of insight into the conduct dynamics and motivation of a feminist peace politics examining the history the scope and the current condition of women's peace movements *Rocking the Ship of State* Adrienne Harris, 1989 *Rocking the Ship of State: Towards a Feminist Peace*

Politics Harris, A. King, Y., *Handbook on Gender and War* Simona Sharoni, Julia Welland, Linda Steiner, Jennifer Pedersen, 2016-07-27 This interdisciplinary Handbook offers a comprehensive and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this Handbook underscores the centrality of gender to critical examinations of war **The Politics of Motherhood** Alexis

Jetter, Annelise Orleck, Diana Taylor, 1997 Essays and interviews explode the myth of apolitical motherhood by showing how 20th century women have politicized their role as mothers in a wide range of social contexts **From the Eye of the Storm**, 2022-07-04 From the Eye of the Storm Regional Conflicts and the Philosophy of Peace presents to the reader a cross section of an emerging field of study the philosophy of peace The editors bring together articles that explore the philosophic implications of many recent regional conflicts Reflecting the diversity and vitality and any new field of study this volume contains five sections Conceptual Foundations America's Homefront Desert Storm Assessments Jihad Intifada and Other Mideast Concerns and Latin American Issues The topics of the articles include war militarism patriotism nationalism nonviolence conscientious objection feminist peace the media the ethics of the Gulf War the Israeli Palestinian conflict Islamic pacifism and Latin American resistance A concluding postscript assesses prospects for achieving peace and change within our fast changing international scene This volume has an extensive bibliography of writings concerning peace and conflict and is suited to professional and student audiences **Unconventional Combat** Michael A. Messner, 2021 In

recent decades there has been a generational shift of the US veterans peace movement from one grounded mostly in the experiences of older white men of the Vietnam War era to one informed by a young diverse cohort of post 9/11 veterans In *Unconventional Combat* Michael A. Messner traces this transformation through the life history interviews of six veterans of color to show how their experiences of sexual and gender harassment sexual assault racist and homophobic abuse during their military service has shaped their political views and action Drawing upon participant observation with the Veterans For Peace and About Face organizations and interviews with older male veterans as his backdrop Messner shows how veterans' military experiences form their collective situated knowledge of intersecting oppressions This knowledge Messner argues further shapes their intersectional praxis which promises to transform the veterans peace movement and potentially link their anti-militarist work with other movement groups working for change As intersectionality has increasingly become

central to the conversation on social movements Unconventional Combat is not only a story about the US veterans peace movement but it also offers broad relevance to the larger world of social justice activism

Challenging Diversity Dominic Cooper, 2004

Feminism and International Relations Sandra Whitworth, 2016-01-18 This book provides a critique of the discipline of international relations from a feminist perspective The critique is developed first theoretically Then the author examines both feminist theories and theories of international relations with a view to developing an approach to world politics which incorporates an analysis of gender and gender relations The critique is secondly developed through the application of the notion of gender to the activities of two international institutions the International Parenthood Federation and the International Labour Organisation

Crazy for Democracy Temma Kaplan, 2016-01-08 Crazy for Democracy vividly shows through the lives of six women in the United States and South Africa just what can be and is being accomplished to change our lives At a time when we re depressed about democracy pessimistic about race relations and anxious about feminism Crazy for Democracy vividly shows through the lives of six women in the United States and South Africa just what can be and is being accomplished to change our lives In building real social movements to achieve a safe environment win human rights and safeguard their homes these

grassroots feminist leaders have been creating democratic institutions to achieve social justice for us all *Feminist Theory and International Relations in a Postmodern Era* Christine Sylvester, 1994-02-25 This book evaluates the major debates around which the discipline of international relations has developed in the light of contemporary feminist theories

Mothers and Sons Andrea O'Reilly, 2002-06-01 The relationship between mothers and sons has been explored for ages From Oedipus to Al Brooks Mother we are fascinated by the familial bond between a mother and her son This groundbreaking work looks at many untouched areas of the mother son relationship including race sexuality and ability The contributors to this collection speak from the heart and explore how the institution of motherhood oppresses women impedes mother son identification and fosters sexism The impact of the feminist movement on the mother son relationship which has been previously neglected in literature is explored in depth in *Mothers and Sons* _ These deeply personal reflections includes stories of lesbian mothers identifying challenges in raising sons in our heterosexist culture as well as black mothers and sons and Jewish mothers For all with an interest in family issues gender issues or a new perspective on mothering this book is a must read

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **Peace and Conflict Studies** Ho-Won

Jeong, 2017-07-05 Ho Won Jeong explains and assesses major approaches to dealing with ethnic conflict communal violence inter state war and social injustice The book analyses not only the sources of violence and conflict but also how to manage and prevent them As peace is relevant to improvement in human well being and the future survival of humanity the volume encompasses a variety of themes ranging from alternative security policies methods of peaceful settlement human rights self determination environmental politics global governance and non violence Reflecting on the current thinking and drawing lessons from the past the book can be considered as the most authoritative introduction to the field since the end of the Cold War

Political Fallout Toshihiro Higuchi, 2020-05-05 *Political Fallout* is the story of one of the first human driven truly global environmental crises radioactive fallout from nuclear weapons testing during the Cold War and the international response Beginning in 1945 the United States Britain and the Soviet Union detonated hundreds of nuclear weapons in the atmosphere scattering a massive amount of radioactivity across the globe The scale of contamination was so vast and radioactive decay so slow that the cumulative effect on humans and the environment is still difficult to fully comprehend The international debate over nuclear fallout turned global radioactive contamination into an environmental issue eventually leading the nuclear superpowers to sign the landmark Partial Test Ban Treaty PTBT in 1963 Bringing together environmental history and Cold War history Toshihiro Higuchi argues that the PTBT originally proposed as an arms control measure

transformed into a dual purpose initiative to check the nuclear arms race and radioactive pollution simultaneously Higuchi draws on sources in English Russian and Japanese considering both the epistemic differences that emerged in different scientific communities in the 1950s and the way that public consciousness around the risks of radioactive fallout influenced policy in turn Political Fallout addresses the implications of science and policymaking in the Anthropocene an era in which humans are confronting environmental changes of their own making Encyclopedia of Violence, Peace, and Conflict ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world American Anti-Nuclear Activism, 1975-1990 K. Harvey,2014-10-28 Looking at national peace organizations alongside lesser known protest collectives this book argues that anti nuclear activists encountered familiar challenges common to other social movements of the late twentieth century **The Women and War Reader** Lois Ann Lorentzen,Jennifer E. Turpin,1998-07 Women play many roles during wartime This compelling study brings together the work of foremost scholars on women and war to address questions of ethnicity women and the war complex peacemaking motherhood and more It leaves behind outdated arguments about militarist men and pacifist women while still recognizing differences in men s and women s relationships to war **Routledge International Encyclopedia of Women** Cheris Kramarae,Dale Spender,2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and

concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women's studies to create the new standard work for anyone who needs information on women related subjects
