Production Malcolm K. Read,2023-08-28 On the Theory and History of Ideological Production promotes the existence of an ideological unconscious understood primarily as a product of social relations not of the Ideological State Apparatus Attention focuses upon the transition from feudalism to capitalism as theorised by the Spanish Marxist and former student of Althusser Juan Carlos Rodr guez Theorization of the ideological unconscious presupposes a change of terrain from the individual society opposition to a problematic based on the social formation The present text assesses Rodr guez s work alongside that of his contemporaries Fredric Jameson Noam Chomsky Terry Eagleton Roy Bhaskar Slavoj i ek and others *Wallace Stevens and the Actual World* Alan Filreis,2014-07-14 The work of Wallace Stevens has been read most widely as poetry concerned with poetry and not with the world in which it was created deemed utterly singular it seems to resist being read as the record of a life and times In this critical biography Alan Filreis presents a detailed challenge to this exceptionalist view as he traces two major periods of Stevens s career from 1939 to 1955 the war years and the postwar years Portraying Stevens as someone whose alternation between cultural comprehension and ignorance was itself characteristically American Filreis examines the poet s impulse to disguise and compress the very fact of his debt to the actual world By actual world Stevens meant historical conditions often in order to impugn his own interest in such externalities as the last resort of a man whose famous interiority made him feel desperately irrelevant In light of events ranging from the U S entry into World War II to the Cold War Filreis shows how Stevens was driven to make a close approach to reality in an effort to reconcile his poetic

language with a cultural language Wallace Stevens and the Actual World is not only an impressive feat of historical recovery and analysis but also a pleasure to read It will be useful to anyone interested in the relationship between American politics and literature during World War II and the Cold War Milton J Bates Marquette University Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Secretaries of the Moon Wallace Stevens, José Rodríguez Feo, 1986 The letter from Jose Rodriguez Feo that prompted Stevens s poem was the third in a ten year correspondence 1944 54 between the poet and the young Cuban who quickly became Stevens s most exciting correspondent The two shared a Harvard education both were anxious to see Stevens translated for a Cuban audience and each had an enduring admiration for Santayana whose awareness of the cultural tensions between the Northern and Southern hemispheres formed a basis for the protracted argument between Stevens as the practical Protestant father and the passionate Rodriguez Feo The Cuban s descriptions of his life at the Villa Olga of his black and white cow Lucera and his mule Pompilio delighted Stevens as did his wide ranging questions and pronouncements of literary matters Unaware of the well known Stevens reticence Rodriguez Feo elicited a more informal playful response than Stevens s other correspondents Formal salutations soon gave way to Dear Antillean Dear

Wallachio Coyle and Filreis present the entire extant correspondence between the two men The fifty one Rodriguez Feo letters and ten of the numerous Stevens letters are printed here for the first time and the exchange between the two is unusually complete The work includes a critical introduction and complete annotation of the letters In God's Name L.J. Saints and Blesseds of the Americas Fr. Daniel P. Ewald, 2009-02-23 Kirkus Discoveries book review Part devotional guide part encyclopedia Saints and Blesseds of the Americas will find a welcome place on the shelves of a new generation of Catholics Ewald's tidy collection provides an exhaustive country by country listing of all the Catholic saints and blesseds of the Western world In Catholic theology saints serve as intercessors between humanity and God blessedstthose who have undergone the process of beatificationare only one step away from becoming saints Believers pray to either for aid in any number of life pursuits Perhaps the most gratifying aspect of this catalogue is the fact that it is extremely up to date Ewald provides not only the saints and blesseds of old but also those recently beatified and canonized For example he presents the Blessed Lindalva Justo de Oliveira martyred in 1993 and beatified by Pope Benedict XVI just last year This is a timely reference guide at least in part because the previous popeJohn Paul IIwas a prolific supporter of the path to sainthood According to the Vatican Pope John Paul II beatified and canonized more individuals than all the popes of the past five centuries combined Thus Ewald fulfills an important role in bringing his devout readership up to speed But currentness is not the volumes only strength Ewald paints quick but thorough sketches of his many subjects His brief biographies never run much more than a page or two but he has an eye for the fine points and his portraits are always extremely pertinentthere are as few wasted details as there are wasted words However though his book serves best as a reference volume it also provides a surprisingly gratifying reading experience Ewald has the skill of a storyteller and each biography features a neat narrative arc A helpful compendium to the heroes of the American Catholic Church Ewald Fr Daniel P SAINTS AND BLESSEDS OF THE AMERICAS Xlibris 318 pp 2008 ISBN 978 1 4363 6762 2 Paper 978 1 4363 6761 5 Kirkus Discoveries Nielsen Business Media 770 Broadway New York NY 10003 discoveries
