knowledge contained with its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books/booksblog> 2012 apr 10 encyclopedia britannica 11th edition *The Atlantic Monthly*, 1887 **The Academy**, 1882 Who Killed Buster? Edward Bufala, 2009-01-23 If you are reading this now you have the book I have written in your hands If you choose to read this book you will actually be reading two stories both stories are true Remember that old cliché that the truth is sometimes stranger than fiction Well this just happens to be stranger than fiction You can't make this stuff up Part one of my story is about Buster's life And it was a rough start almost from day one which was November 2 1942 It was if he was angry from his very first day on this earth Starting with his eviction from 1 grade to his unsuccessful one day attendance at a Catholic school to his one year stay at Philadelphia Children's Hospital for Rheumatic Fever which left him with heart damage I'd say that was a rough start wouldn't you Some may have described Buster as an angry troubled young boy That couldn't be farther from the truth I decided later on that Buster wasn't angry at all He was just always trying to prove that he could be anything that he wanted to be The fact was that he knew what he wanted to be at a very young age he knew how he planned to get there and he was determined to achieve his goals at any cost and no one was going to stop him I talk about Buster's family and friends and how they may have influenced or had an impact on his life decisions which ultimately led to his untimely death on October 8th 1976 Part two of my book is the bizarre part of his story If you don't find part one interesting enough I suggest that you skip to part two I guarantee you'll find it more interesting There are several rumors as to why someone thought Buster had to die we just don't know which is true or if there could be another reason that we don't know about His young widowed wife Carol has spun many tales over the past years and truthfully we don't know what is true and what is a product of her imagination She has told us about who the killers are and how the killers themselves end up murdered She tells us how crooked the Las Vegas detectives investigating the murder are and how they try to implicate her own family This goes on for over 30 years and we still don't know the truth After reading this story you can decide for yourself what is true and what is not if you choose to The problem is unless you were there you will have the same problem that I have to this day I don't know why he had to die and I don't know who did it
