Rogue Apostle:

The Apostle John Pollock, 1994-01-07 The Acclaimed Authentic Biography of the Early Church's Greatest Evangelist the Apostle Paul Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him As you turn the pages you'll sense Paul's motives his aims and priorities what mattered to him and what he was willing to die for Defense for Biblical Trinity Theology and the Doctrine of Holiness Samuel R. Siders, 2021-03-16 Theology and Christology are intense biblical discussions as well as the doctrine of holiness which I have been involved in as an apologist Defense of the Scriptures and the kingdom of God Jude 1:3 for over a decade on social media among other intense topics with Muslims Israelis atheists Gnostics false cults and a myriad of various denominations that call themselves Christians because not everyone agrees on what the Bible teaches about the Father Son and Holy Spirit Most of what will be shared in the first section of this book will be in defense of who Jesus is in His fullness His Christology which includes the biblical fact that Jesus is both deity through heredity in spirit and soul like His Father Almighty God is deity and as eternal as His Father Almighty God The second section of this book will provide the information that proves obedience to God's moral ethical laws is required to receive eternal life after receiving Jesus atonement grace through faith for sin to be cleansed and forgiven Obedience is not an option to be ignored but a required effort to be made and improved upon and God has given His Holy Spirit to teach us how to perfectly obey Him and the help to succeed Nowhere does the Bible teach that obedience to God's moral ethical laws atone for sin nowhere but the Bible does teach obedience making the conscious effort to go onto perfection with our physical body flesh is required to receive eternal life God uses obedience to render our physical body righteous This book will share in greater detail about the topic of faith grace atonement and obedience all three are required to receive eternal life not atonement grace through faith only **The Flourishing Pastor** Tom Nelson, 2021-12-14 With the risk of burnout at an all time high pastors need a new framework for ministry that will help them move from survival to flourishing Drawing on the image of the shepherd leader Tom Nelson offers pastors wisdom and timely vision for leadership that integrates in depth biblical teaching and whole life discipleship providing a roadmap for ministry resilience and longevity *Millennialism and Violence* Michael Barkun, 2012-12-06 As the world approaches the year 2000 many societies are experiencing an unprecedented growth in millenarian movements that anticipate an imminent and total transformation of the world Many of these movements have been associated with violence either as a means for producing change or as a response to confrontations with state authority This book draws together research on this topic from political science psychology sociology and history in an attempt to understand the relationship between millenarian movements and episodes of violence **Acts 1 Dispensationalism** Steve Urick, 2014-01-28 Dispensational Theology is crucial to understanding the Bible But most people do not comprehend the similar but distinct ministry and message of Jesus and the twelve apostles to the Jews in relation to Paul the apostle to the Gentiles during the

transitional time of the early church Acts 1 Dispensationalism provides the solution to the great dispensational debate that has divided all of Christendom It carefully divides the Word by using literal grammatical historical methods of interpretation and corrects several commonly held errors In this book one will gain a better understanding of the mission of Jesus and the Twelve to Israel and Paul s separate mission the the Gentile nations and the purpose of water baptism in their ministries In time Acts 1 Dispensationalism may rival Acts 2 Progressive and Mid Acts Dispensationalism as a more viable biblical interpretation

Iron Winter Stephen Baxter,2013-11-05 Praised as not only a gifted storyteller but also a master of speculative fiction Library Journal bestselling author Stephen Baxter brings his epic Northland trilogy to a close as a once thriving civilization faces winter without end Many generations ago the Wall was built to hold back the sea A simple dam it grew into a vast linear city home to scholars builders and merchants Northland s prosperity survived wars and unrest and brought the whole of Europe together But now darkness is falling Days grow shorter temperatures colder and in the wake of long winters come famine destruction and terror As a mass exodus to warmer climes threatens to fracture Northland one man believes he can outwit the cold and even salvage some scraps of the great civilization before interminable gloom settles over the land before the fires of war lay waste to an empire before the ice comes
