Lion Tamer Lashell Collins, What do you get when you cross a smoking hot rock star with a sexy lion shifter then throw in a heaping dose of gothic fairytale enchantment Gigi Loveland is about to find out Disapproving family members an exclusive invitation only ball and a godmother wielding magic spells isn't enough to keep Gigi from pursuing her mission of getting close to her favorite shifter rock band She'll do almost anything to accomplish her task But in a world where interspecies relations are often as

problematic as the human shifter conflict Gigi doesn't know what hit her when her delicate gazelle senses tell her she's falling for the band's fierce tortured and intimidating bassist Dash Lyons. Redemption of Lunar Falls Lashell Collins, Carly Tipton's life has been turned upside down since she moved to Lunar Falls. She came looking to start a new life for herself but nothing prepared her for the adventure that awaited her in the mysterious little town. A place where werewolves not only walk among the humans hidden in plain sight but where the roots of her own family tree are deeply entwined with the noble creatures. And when she and her mate Gabe are declared the answer to an ancient Moon Hunter prophecy, Carly finds herself wondering if the secrets and lies of Lunar Falls will ever end. Gabe Masters is an Alpha on a mission to re-educate his people in the ancient ways of the imprinting and abolish the purity movement while getting the five packs to accept his new human mate as one of their own. Easy right. Until shifting alliances and a small faction of wolves join forces with the cat shifters in a last ditch effort to overthrow Gabe's authority before his and Carly's wedding. A vicious battle ensues as Gabe leads his men and women against the rebellion. But can he defeat them in time to keep Carly safe?

But he knows that he has to get clean now because his Jagged Ivory bandmates are the only real family he's ever had and disappointing them again is simply not an option. Fae Miller is an orphan. Her father died when she was young and she watched her mother kill herself slowly because of the grief. Music is the only thing that kept her sane through it all. And her crush on Jagged Ivory's bassist led her to pick up the instrument herself. Now working the backline for one of the biggest rock groups on the planet, she suddenly finds herself thrust into Benji Staffon's orbit and into his tortured life. Can these two lost souls make a real and genuine connection or will his addiction tear them both apart? This is the second edition of this book and not a new title.
