Introduction to Educational Gerontology Ronald H. Sherron, D. Barry Lumsden, 2013-11-12 Educational gerontology is the study of the changes in the learning process caused by old age This new edition provides an update of developments in this field of research The volume probes topics such as implications for education for the aging reminiscence methods of teaching social exchange and equal opportunity Viktor Frankl's Contribution to Spirituality and Aging Melvin A. Kimble, 2014-02-04 Use Frankl's insights and techniques to improve life for your aging clients or parishioners Viktor Frankl a holocaust survivor who experienced firsthand the horrors of Auschwitz saw man as a being who continuously decides what he is a being who equally harbors the potential to descend to the level of an animal or to ascend to the life of a saint Man is that being who after all invented the gas chambers but at the same time he is that being who entered into those same gas chambers with his head held high and with the Our Father or the Jewish prayer of the dying on his lips Dr Frankl's insights led him to found the therapeutic system of logotherapy which views man as a spiritual being rather than simply as a biological construct Logotherapy has come to be called the Third Viennese School of Psychotherapy after Freud's psychoanalysis and Adler's individual psychology He left a rich legacy of theory and insights especially relevant to the search for meaning in later life The tenets of logotherapy provide many clues and approaches to what an ever increasing body of evidence suggests regarding the crisis of aging as a crisis of meaning Frankl's insightful work increased man's understanding of the spiritual dimension of humanity and the dignity and worth of every person in the face of what he called the tragic trial of human existence pain guilt and death Viktor Frankl's *Contribution to Spirituality and Aging* presents an essential overview of logotherapy and explores the search for and the will to meaning in later life the connection between logotherapy and pastoral counseling bringing psychology and theology together to effectively counsel the aging the role of logotherapy in the treatment of adult major depression aspects of meaning and personhood in dementia the search for meaning in long term care settings Viktor Frankl's *Contribution to Spirituality and Aging* represents varying professional perspectives on the application of Frankl's logotherapy for ministry with older adults The chapter authors represent diverse professional backgrounds in medicine pastoral theology the behavioral sciences and pastoral ministry They address issues such as death and dying dementia and depression and the spiritual meaning of aging as well as Frankl's conception of the nature of humanity Everyone interested in the connection between theology and psychology in the context of the aging will want to own this book

Practical Theology for Aging Derrell R. Watkins, 2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal

experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society s stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer s disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community
