Role Of Religious Organizations In Social Movements:

The Role of Religious Organizations in Social Movements Barbara M. Yarnold,1991-08-30 This collection of essays analyzes the impact of religious organizations on social movements in the United States The contributors detail religious support for political sanctuary gay and lesbian rights peace and moral majority themes emphasizing how religious institutions help communicate the core ideas of these movements Among their findings religious organizations become significant communication vehicles for certain movements whose ideologies are consistent with their religious tenets Drawing from cultural pluralism and communications theory these essays focus on communications networks and how they facilitate the spread of core ideas of social movements Two questions are examined why do religious organizations become involved in particular social movements and what are the implications of this involvement The authors find that movements experience a significant increase in legitimacy and endurance when they are supported by the communications resources of religious groups This book is valuable to scholars of social movements government and religion **Social Movements in an Organizational Society** Mayer N. Zald,2017-09-29 First Published in 2017 This book is concerned with the carriers and fate of social movements in modern America It presents an argument that in an organizational society the shape of social movements is closely tied to the technologies forms opportunities and targets created by that society **The Blackwell Companion to Sociology of Religion** Richard K. Fenn,2008-04-15 The Blackwell Companion to Sociology of Religion is presented in three comprehensive parts Written by a range of outstanding academics the volume explores the current status of the sociology of religion and how it might look in future Explores the current status of the sociology of religion and how it might look at the beginning of the next millennium Traces the boundaries between sociology and other closely related disciplines such as theology and social anthropology Edited by one of the best known and most widely respected sociologists of religion Accessibly presented in three comprehensive parts *Disruptive Religion* Christian Smith,2014-07-16 Religion has long played a central role in many social and political movements Solidarity in Poland anti apartheid in South Africa Operation Rescue in the United States each of these movements is driven by the energy and sustained by the commitment of many individuals and organizations whose ideologies are shaped and powered by religious faith In many cases religious resources and motives serve as crucial variables explaining the emergence of entire social movements Despite the crucial role of religion in most societies this religious activism remains largely uninvestigated *Disruptive Religion* intends to fill this void by analyzing contemporary social movements which are driven by people and organizations of faith Upon a firm base of empirical evidence these essays also address many theoretical issues arising in the study of social movements and disruptive politics **The Politics and Anti-Politics of Social Movements** Marian Burchardt,Amy Patterson,Louise Mubanda Rasmussen,2017-10-02 This book explores the nature significance and consequences of the religious activism surrounding AIDS in Africa While African religion was relatively marginal in inspiring or contributing to AIDS activism during the early

days of the epidemic this situation has changed dramatically In order to account for these changes contributors provide answers to pressing questions How does the entrance of religion into public debates about AIDS affect policymaking and implementation church state relations and religion itself How do religious actors draw on and reconfigure forms of transnational connectivity How do resource flows from development and humanitarian aid that religious actors may access then affect relationships of power and authority in African societies How does religious mobilization on AIDS reflect contestation over identity cultural membership theology political participation and citizenship Addressing these questions the authors draw on social movement theories to explore the role of religious identities action frames political opportunity structures and resource mobilization in African religions reaction to the AIDS epidemic The book s findings are rooted in fieldwork conducted in Tanzania Uganda Zambia Zimbabwe Ghana and Mozambique among a variety of religious organizations This book was originally published as a special issue of the Canadian Journal of African Studies

Social Movement to Address Climate Change Danielle Endres, Leah M. Sprain, Tarla Rai Peterson, 2009 Deniers of climate change have benefited from political strategies developed by conservative think tanks and public relations experts paid handsomely by the energy industry With this book environmental activists can benefit from some scholarly attention turned to their efforts This book exhibits the best that public scholarship has to offer Its authors utilize sophisticated rhetorical theory and criticism to uncover the intentional constraints and possibilities for participants at various sites of the Step It Up day of climate activism What makes this book especially valuable is that it is not only directed to fellow communication scholars but is written in a clear and accessible style to bring the insights of an academic field to a broader public of activists committed to building an environmental social movement Prof Leah Ceccarelli University of Washington This is an unusually interesting volume grounded in a sustained and coordinated analysis of the Step It Up campaign Generating a multifaceted and shared archive for analyzing the SIU campaign on global warming the volume s multiple authors critically examine intersecting dimensions of the SIU campaign its persuasive strategies organizational dynamics and political practices for everyday citizens with an eye on implications for enhancing the larger environmental movement Readers with a practical and theoretical interest in social and political movements will find this book engaging and leavened with heuristic value Professor Robert L Ivie Indiana University Bloomington

South Korean Social Movements Gi-Wook Shin, Paul Y Chang, 2011-06-01 This book explores the evolution of social movements in South Korea by focusing on how they have become institutionalized and diffused in the democratic period The contributors explore the transformation of Korean social movements from the democracy campaigns of the 1970s and 1980s to the rise of civil society struggles after 1987 South Korea was ruled by successive authoritarian regimes from 1948 to 1987

when the government decided to re establish direct presidential elections The book contends that the transition to a democratic government was motivated in part by the pressure from social movement groups that fought the state to bring about such democracy After the transition however the movement groups found themselves in a qualitatively different political context which in turn galvanized the evolution of the social movement sector Including an impressive array of case studies ranging from the women s movement to environmental NGOs and from cultural production to law the contributors to this book enrich our understanding of the democratization process in Korea and show that the social movement sector remains an important player in Korean politics today This book will appeal to students and scholars of Korean studies Asian politics political history and social movements

Russian Society and the Orthodox Church Zoe Knox,2004-06-02

Russian Society and the Orthodox Church examines the Russian Orthodox Church s social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society
