Rollcall The Delville Wood Story:

Rollcall Ian S. Uys,1991 *The Somme Chronicles* Chris Schoeman,2014-06-05 The heavy smell of blood filled the air and every moment you had this intense fear that the next bullet was meant for you So remembered William Thorne a South African volunteer soldier who fought in the muddy trenches along the River Somme in France on Europe s Western Front A boy of nineteen at the time he was one of thousands of South Africans who took part in the 1916 Somme Offensive between the Allied forces and the Germans It was one of the bloodiest and costliest conflicts of the First World War resulting in over a million deaths The men of the 1st South African Infantry Brigade were involved on a large scale and distinguished themselves in all major engagements during the campaign But their bravery came at a price In the first month alone after six days of fighting to recapture the village of Longueval and clear Delville Wood of enemy soldiers of the brigade s 3 433 soldiers only 750 were left standing The rest were dead or wounded By the armistice the South Africans had suffered some 15 000 casualties in France of which one third had died **A Military History of Modern South Africa** Ian van der Waag,2018-03-14 The story of a century of conflict and change from the Second Boer War to the anti apartheid movement and the many battles in between Twentieth century South Africa saw continuous often rapid and fundamental socioeconomic and political change The century started with a brief but total war Less than ten years later Britain brought the conquered Boer republics and the Cape and Natal colonies together into the Union of South Africa The Union Defence Force later the SADF was deployed during most of the major wars of the century as well as a number of internal and regional struggles the two world wars Korea uprising and rebellion on the part of Afrikaner and black nationalists and industrial unrest The century ended as it started with another war This was a flash point of the Cold War which embraced more than just the subcontinent and lasted a long thirty years The outcome included the final withdrawal of foreign troops from southern Africa the withdrawal of South African forces from Angola and Namibia and the transfer of political power away from a white elite to a broad based democracy This book is the first study of the South African armed forces as an institution and of the complex roles that these forces played in the wars rebellions uprisings and protests of the period It deals in the first instance with the evolution of South African defense policy the development of the armed forces and the people who served in and commanded them It also places the narrative within the broader national past to produce a fascinating study of a century in which South Africa was uniquely embroiled in three total wars *Rediscovering the British World* Phillip Alfred Buckner,R. Douglas Francis,2005 Rediscovering the British World is one part of an ongoing attempt to approach British Imperial history from a different viewpoint placing the colonies of settlement at the centre Editors Phillip Buckner and Douglas Francis have included nineteen essays from expert scholars in the field which cover a broad range of cultural social and intellectual topics in British imperial history from the mid nineteenth to the mid twentieth century The essays focus on the history of Britain and the Empire with considerable emphasis on the self governing dominions of Canada South Africa Australia and New Zealand

They attempt to show the centrality of the Empire in the history of the nations created by the British diaspora overseas while at the same time calling into question the extent of the existence of a British World The goal is not to wax nostalgic but rather to re examine the complex phenomenon of this far reaching empire and to shed light on the ways in which it has shaped our world With contributions by James Belich Frank Bongiorno Bettina Bradbury Patrick H Brennan Phillip Buckner Elizabeth Elbourne R Douglas Francis Jeffrey Grey Catherine Hall John Lambert Douglas Lorimer David Lowe Stuart Macintyre Adele Perry Paul Pickering Satadru Sen R Scott Sheffield Paul Ward Stuart Ward Wendy Webster *Springboks On The Somme - South Africa in the Great War 1914 - 1918* Bill Nasson, 2012-10-02 The Great War of 1914 18 was a conflict which engulfed the whole world directly or indirectly It was an imperialist world war that tugged the new Union of South Africa and its people into a series of separate but connected conflicts from the domestic Afrikaner Rebellion on the highveld through the sands of German South West Africa the steamy bush of German East Africa and on to the mud and blood of France and Flanders This book is the first general study of the complex ways in which South Africans experienced the impact of the First World War and responded to its demands burdens and opportunities Told with his customary narrative energy and ironic style Bill Nasson s new history is a lively account not only of how South Africa fought the war but also of the miscalculations and illusions that surrounded its involvement and of how South African society came to imagine and remember that great and terrible conflict

Botha, Smuts and the Great War Antonio Garcia, Ian van der Waag, 2023-10-30 In *Botha Smuts and the Great War 1914 1918* authors Antonio Garcia and Ian Van Der Waag conducted painstaking research in South Africa and the United Kingdom to produce this first of a kind volume on the wartime roles of South African prime minister General Louis Botha and his deputy General Jan Smuts These very different men appealed to different audiences Botha s nuance and emotional intelligence complemented Smuts s intellectualism Thrown into a world conflagration in August 1914 and facing internal rebellion and the threat posed by German troops on the borders they led South Africa s Union Defence Force Both Botha and Smuts commanded in the field Steadily the South African army they commanded benefiting from wartime training sometimes in the field gained resilience experience and battle hardiness adapting to the conditions of the campaigns and the demands of the tasks South Africa s campaigns were complex and divergent starting with the invasion of neighbouring German South West Africa to neutralise enemy radio stations and so aid the security of the South Atlantic Suddenly suspended following the outbreak of the Afrikaner Rebellion the campaign recommenced in January 1915 Following its conclusion an infantry brigade raised for Western Front service was diverted to Egypt before facing near annihilation at Delville Wood Simultaneously a large South African force fighting alongside British African and Indian forces overcame German resistance in East Africa whilst a brigade of field artillery and later the Cape Corps served in Egypt and Palestine Moreover approximately 6 500 South Africans served in the British Army Royal Flying Corps Royal Air Force and in the Royal Navy Although lionised during the war by a British public hungry for heroes there is a

different side to Botha and Smuts Shunned by Afrikaner nationalists at the time they have remained divisive figures Responsible for the enactment of the Land Act of 1913 which shaped South Africa's socio economic and political landscape Botha's statues in Cape Town Durban and Pretoria were vandalised on a number of occasions between 2015 and 2022 and there were recent calls for Smuts's statues to be removed Behind Botha's charming attractive facade and Smuts's stoic machine were two very human imperfect and quite probably inconsiderate men Together they provide a wonderful lens through which to examine the potent forces of the early twentieth century world and the country they hoped to forge Myopic compatriots had constrained their plans but it was the outbreak of war in 1914 that offered the most significant opportunities and brought the most adverse challenges They fought insurmountable odds and achieved great victories at home and abroad but also made startling errors and ultimately in classical fashion risked being crushed by the weight of the world they tried to create

Hold at All Costs! Ian Uys, 2015-11-20 Delville Wood in the Somme was the most famous battle ever fought by South Africans Through this action other nations learnt to respect the fighting qualities of the men from the fledgling Union of South Africa Erstwhile foes Boer and Briton fought shoulder to shoulder against the pride of the German Army They withstood waves of attacking infantrymen were subjected to savage artillery fire which reached a crescendo of seven shells a second pulverizing the wood and obliterating the defenses then fought hand to hand until overrun threw back the enemy and fought on with unbelievable tenacity The bone weary survivors defended the wood through five days and six nights of hell eventually being forced into a corner of the wood The orders were to hold on at all costs and this they did despite appalling casualties The saga of Delville Wood will never be forgotten by South Africa yet the story of the battle told through the eyes of the participants was never fully documented accounts read like fiction yet are wholly true We learn about youngsters from the plains of Southern Africa who earned the admiration of their enemy After being shelled for eight hours they stood up from the mud to repel fresh assaults We read of the Victoria Cross won through rescuing a wounded officer under fire a man blown up and buried who continued on to deliver his message and earn the DCM the officer who was captured then knocked out his guard to return to the fighting the colonel who fought like a private with rifle and Mills bombs and many more The Germans' experiences are also chronicled Extracts from their regimental histories paint a picture of their dogged determination to retake the wood Their order was that the enemy was not to advance except over corpses The author interviewed many of the South African survivors now long gone and has visited the wood on many occasions during the past thirty three years The trilogy of books he wrote on the battle has been combined into a riveting account of the bloodiest battle hell of 1916 In 1917 The Times of London recounted No battlefield on all the Western Front was more bitterly contested than was Devil's Wood where South African forces won their imperishable fame grimly hanging on against overwhelming odds and repulsing counter attacks by troops five and six times their number
