Rolling Stone Environmental Reader:

The Rolling Stone Environmental Reader, 1992 Issues the U S government s contributions to the environmental crisis and the implications of the wholesale destruction of the rain forests But lest the essays appear to be too one sided the volume also includes P J O Rourke s essay The Greenhouse Affect which details in typical O Rourke fashion his thoughts on Earth Day 1990 and the environmental movement in general This volume clearly demonstrates why Rolling Stone has been and continues to be one of

Uncle John's Certified Organic Bathroom Reader Bathroom Readers' Institute, 2012-08-15

From electric cars to recycling to organic food it s all here Uncle John puts a green spin on its fun facts figures and trademark trivia Only Uncle John could make the Green Movement this much fun This timely edition takes an even handed look at the trials and tribulations and downright goofiness of environmentalism You ll learn how landfills operate where plastic goes to die how to understand food labels how to save some green around the house and the lowdown on all the alternative forms of energy currently being bandied about even beer power And we cover the really important stuff such as Who has the bigger carbon footprint Fred Flintstone or George Jetson And lots more including Lady Bird Johnson s quest for a prettier nation Whatever happened to the electric car Paper vs plastic A fight to the death Not so green Hollywood movies The true meaning of organic Ancient environmentalists Living on an Amish farm NOISE POLLUTION Animals that recycle The power of poo And much much more

The Language Of Environment George Myerson, Yvonne Rydin, 2014-03-05
First published in 1996 Environment challenges modern knowledge and its institutions academic disciplines research groups journals and presses syllabuses and texts professions and data banks media experts and policy advisors The language of environment makes no policy proposals it is not prescriptive But it is an attempt to think about the cultural context of all proposals and prescriptions the cultures of authority and expertise in our time How is knowledge made to count and how do all the different claims connect or collide

Don't Be Such a Scientist, Second Edition Randy Olson, 2018-04-10 In Don t Be Such a Scientist Randy Olson shares lessons of his transformation from tenured professor to Hollywood filmmaker challenging the science world to toss out its stodgy past in favor of something more dynamic and ultimately more human In this second edition Olson builds upon the radical approach of Don t Be Such a Scientist through timely updates and new stories In his signature candid style Olson weighs in on recent events in the science community celebrating the rise in grassroots activism while critiquing the scientific establishment In an age of renewed attack on science Don t Be Such a Scientist Second Edition is a provocative guide to making your voice heard

Uncle John's Unsinkable Bathroom Reader Bathroom Readers' Institute, 2011-10-01 An all new collection overflowing with weird facts and wild stories Uncle John and his crack staff of writers are back and still at the top of their game after all these years Where else but in an Uncle John's Bathroom Reader could you find out about the tapeworm diet forty four things to do with a coconut the history of the Comstock Lode seven underwater places to see before you die medical miracles and medical horrors the godfather of fitness high tech underwear the CSI effect and much more

The Pete Seeger Reader Pete Seeger, 2014 The Pete Seeger Reader brings together writing by and about Seeger and covers his songwriting recording book and magazine publishing and political organizing over the course of his lengthy storied career

Public Opinion William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium's content is a regular public opinion poll on whatever hot topic strikes the editor's fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today's world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes

Forthcoming Books Rose Arny, 1992

Ecology and the World-System Walter L. Goldfrank, David Goodman, Andrew Szasz, 1999-06-30 Integrating environmental and world systems analyses in chapters ranging from the ancient to the contemporary from the global to the local from West to East and from North to South this book is the first collection to analyze environmental issues from the world systems perspective The introduction provides Immanuel Wallerstein's fullest explication of the role of ecological constraints in the world system Early chapters diagnose the increasing environmental threats to global sustainability and suggest ways to arrive at an integrated theoretical understanding of those threats The work then shows the historical and geographical range necessary to do justice to

ecological considerations in chapters considering ancient civilizations capitalism the circumpolar North the dam builders of Asia and the polluters of East Central Europe The final chapters analyze the successes and limits of environmental movements in the United States South Africa and South Korea
