Copyright Office,1914 **Hollywood, Interrupted** Andrew Breitbart,Mark Ebner,2005-03-10 Hollywood Interrupted is a sometimes frightening occasionally sad and frequently hysterical odyssey into the darkest realms of showbiz pathology the endless stream of meltdowns and flameouts and the inexplicable behavior on the part of show business personalities Charting celebrities from rehab to retox to jails cults institutions near death experiences and the Democratic Party Hollywood Interrupted takes readers on a surreal field trip into the amoral belly of the entertainment industry Each chapter covering topics including warped Hollywood child rearing bad medicine hypocritical political maneuvering and the complicit media delivers a meticulously researched interview infused attitude heavy dispatch which analyzes and deconstructs the myths created by the celebrities themselves Celebrities somehow believe that it s their god given right to inflict their pathology on the rest of us Hollywood Interrupted illustrates how these dysfunctional dilettantes are mad as hell And we re not going to take it any more **Stand-Up Preaching** Jacob D. Myers,2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and

nuanced ways to engage issues of contemporary sociopolitical importance *Genre and Contemporary Hollywood* Steve Neale, 2019-07-25 This wide ranging text is one of the first to look in detail at some of the principal genres cycles and trends in Hollywood's output during the last two decades It includes analysis of such films as *Sense and Sensibility* *Grifters* *The Mask* *When Harry Met Sally* *Pocahontas* *Titanic* *Basic Instinct* Coppola's *Dracula* and *Malcolm X*
