

RAPID MATHEMATICS ASSESSMENT GRADE 3

TEACHER'S BOOKLET

Dear teacher,

In any assessment, it is important that you have read the general instructions and have studied the assessment tasks carefully before you administer them.

This Rapid Mathematics Assessment toolkit consists of the following:

- **Teacher's Booklet**

This is your guide in administering the assessment. It consists of the tasks, the time allotted for each task, the answers, and the instructions that you will give to the learner. You will also see some icons which are described below.

- **Learner's Booklet**

It contains the tasks that the learners need to perform, either orally or in writing. There should be one booklet for each learner.

- **Learner's Score Sheet**

This is where you indicate the score of the learner for each item. You will also see a column for Remarks where you write incorrect answers, strategy used, and other important information regarding the learner's responses.

	Tells you to read orally to the learner
	Instructions for you to do before and during the assessment
	Allotted time for each task
	Allotted time for each subtask

Be sure that you have the complete kit before starting the
