Borchard,2022-01-28 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted This set covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia consists of signed entries from scholars experts and journalists Civil War Journal William C. Davis,Brian C. Pohanka,Don

Troiani,1998-12-30 Based on the History Channel documentary series How the Civil War sparked profound changes in slavery immigration women s roles journalism and more In many arenas the Civil War changed things both in military and civilian life William C Davis observes The roles in society of women and minorities were altered drastically Advancements in medicine and technology exerted a profound impact on the future Industry burgeoned The reporting of news entered the modern era with the photograph Culture changed as the complexion of Americans evolved and as war s wounds imposed lasting divisions upon our society It ensured at once that future wars would be more terrible and yet we would be equipped to cope with that terror to come These are the legacies of the war covered in this volume Civil War Journal The Legacies is the third volume of a three volume treatment of the Civil War developed from the popular History Channel series Civil War Journal Drawing on personal letters diaries and newspaper reports these volumes focus on seldom told stories of people places and events that bring to life the heroic intensity of the Civil War They portray the human side of the conflict that is frequently overlooked in recounting troop movements and engagements Rebel Falls Tim Wendel,2024-05-15 Winner of the W Y Boyd Literary Novel Award for Excellence in Military Fiction by the Academic Council of the United Nations System With Rebel Falls Tim Wendel takes us to late summer of 1864 The Civil War rages on Sherman is marching on Atlanta while the armies of Grant and Lee battle across Virginia In the North war weariness has made Lincoln s bid for reelection seem doubtful As the fate of the nation conceived in Liberty hangs in the balance Confederate agents gather in Niagara Falls to plan one last audacious maneuver to turn the tide of the conflict Rory Chase a capable yet haunted young woman eager to contribute to the Union cause accepts a mission from the Secretary of State William Seward to travel to Niagara Falls and prevent two rebel spies John Yates Beall and Bennet Burley from seizing the U S S Michigan on Lake Erie and bombarding

Buffalo Cleveland and other northern cities to sow fear and disorder ahead of the upcoming election To succeed Rory must gain the rebel spies trust and with the help of the Underground Railroad network still operating out of the elegant Cataract House hotel overlooking the Falls foil their desperate gambit But can she maintain the pretense of being a Confederate sympathizer long enough to unravel Beall and Burley s ingenious plot With actual events underpinning the tumultuous story in Rebel Falls a forgotten chapter in the history of the Civil War is revealed Far from frontlines Wendel s exciting character driven narrative about a consequential struggle in the shadow of Niagara Falls dramatic beauty is gripping from start to finish

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party

and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict
