Commentary on the Gospel of Matthew Charles A. Estridge,2022-12-20 Today with so many changes in society stress in our daily lives and mistrusts among nations it is important to look to the Bible for guidance and inspiration God still speaks to men through His Word Matthew focuses on Jesus as the Messiah and the King He demonstrates that Jesus was the fulfillment of Old Testament prophecies and the promise God had made to Israel Although Matthew does not have the universal appeal of Luke he does show how Gentiles were a part of Jesus ministry in spite of His desire to focus on the people of Israel They are represented in the genealogy in the visit of the Magi in the healing of the centurion s servant the deliverance of the daughter of the Syrophenician woman the centralization of His ministry in Galilee of the Gentiles and in the Great Commission The commentary is an exposition of the Gospel of Matthew which considers the context historical background parallel passages of Scripture in addition to theological principles It includes a bibliography charts maps and other helps Its contents are designed to help pastors teachers and Bible students to read the Gospel of Matthew with greater clarity and understanding and helps them proclaim God s Word with power and conviction This new commentary on the Gospel of Matthew provides the scholar student and ministry practitioner with access to the Gospel It opens Matthew s message of Jesus as the Messiah and King with clarity and emphasis One comes away from the commentary encouraged to proclaim that same message Jesus is the Messiah and King James Railey Jr PhD Former Academic Dean A G Theological Seminary Dr Charles Estridge has given students and preachers of Scripture a great gift in this new Gospel commentary His study of Matthew is wide ranging in its sources faithful to the plain meaning of Scripture concise in structure warmly pastoral in application and irenic in its discussion of varying viewpoints Best of all the serious student of God s Word will find spiritual bread here which he or she can feed to others who hunger for the Word of God Enjoy this exposition of Matthew s five discourses on the teachings and life of the Messiah the One who inherited the Kingdom of David and fulfilled the world changing promises made to Abraham Paul York PhD Chi Alpha Missions Training and Mobilization Dr Charles Estridge is a capable scholar and a ministry practitioner with years of experience in pastoral ministry and theological training in bible schools in America and Africa Moreover he is a man who loves Jesus Christ and who has spent his life in service for the Church Pastors teachers and students of the Bible will find his commentary full of insight into the message of the Gospel of Matthew It demonstrates careful exegesis and practical reflection on the meaning of the text It is a valuable tool that will help those called by God to preach and teach His word I highly recommend it Mark Turney President West Africa School of Theology

Luke (Paideia: Commentaries on the New Testament) Mikeal C. Parsons,2015-02-10 Mikeal

Parsons a leading scholar on Luke and Acts examines cultural context and theological meaning in Luke in this addition to the well received Paideia series This commentary like each in the projected eighteen volume series proceeds by sense units rather than word by word or verse by verse Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits and making judicious use of maps photos and sidebars in a reader friendly format

Calvin's Complete Commentary on the Bible Calvin, John, All 46 of the original volumes are included in this one volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history s greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s Commentaries which I extol in loftier terms than Helmich himself a Dutch divine 1551 1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2 3 John and Revelation were unfortunately not completed He did however write a two volume commentary of the Harmony of the Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians

Seasons of Grace James F. Kay, 2005-03-14 Seasons of Grace is a fitting title for this collection of brief sermons Readers will find within it homilies that while sometimes challenging are never merely moralistic and are always contemporary and encouraging applications of grace to seasons of our lives as well as a tracing of gracious themes through seasons of the Christian year James Kay gives us clearly structured pieces presented in a vigorous colloquial style and marked by arresting turns of phrase These sermons will stimulate the imaginations of preachers and enrich the devotional lives of parishioners Marguerite Shuster Fuller Theological Seminary These sermons are a preacher's delight Not only do they reveal the integrity of a systematic theologian the insight of a liturgical scholar and the craft of a homiletics professor but they are first and foremost pastoral proclamation James Kay's sensitivity to text and context makes this real preaching to real congregations authentic proclamations of the Word There is no stained glass language here just the clear radiance of the Word shining into everyday lives bringing the light hope and life of the gospel Organized around the Christian year these sermons will appeal to lectionary preachers as well as those who value the freedom of selecting their own texts on a weekly basis Even more they will be a wonderful devotional resource for pastor and parishioner alike Fred R Anderson Madison Avenue Presbyterian Church New York With the newspaper in one hand and the Bible in the other with the daily cries of God's children in one ear and the Word of God made flesh in the other with the particular needs of parishioners on his heart and the mercy of a tender God in his head James Kay proclaims the gospel with clarity directness and strength This is no general proclamation but rather a word of healing and help that addresses real people's lives a word that joins reader to congregation in one body of faith and hope and love Cynthia A Jarvis Nassau Presbyterian Church Princeton James F Kay is assistant professor of homiletics at Princeton Theological Seminary Princeton New Jersey He is the author of *Christus Praesens A Reconsideration of Rudolf Bultmann's Christology* The God Who Believes Christian D. Kettler, 2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one's understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus Equipped to Tell the Next Generation Donna R. Ryan, 2020-04-15 Equipped to Tell the Next Generation bridges the gap between knowing and sharing our faith in Jesus by revealing areas of our beliefs and practices which have been

syncretized with twenty first century American culture relative truth consumerism pleasure an independent spirit the victim mentality and the culture of doubt These go to the heart of who we are and keep Christians from telling people about Jesus in winsome ways This book provides the solution recover the holiness of God his ultimate characteristic which holds all his characteristics in perfect unity Rather than legalism genuine holiness is the highest beauty which produces wholeness because it balances holy love holy righteousness repentance of sin peace and respect for all people and all of God s creation When we meet a holy God we want to worship and to serve him because the beauty of holiness touches the very essence of our being It becomes our greatest desire to please him because of the deep love we find there a holy love unlike what the world offers This book will take you on a journey to recover the things compromised to culture and will equip you to tell the next generation about Jesus

Vessels of Wrath, Volume 2 Richard M. Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon s witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity

To Gaze upon God Samuel Parkison, 2024-09-03 Though the doctrine of the beatific vision has woefully been forgotten in the church today Samuel Parkison argues that the beatific vision is central for the life of the church today Through close readings of Aquinas Dante Calvin and more Parkison reminds us of the beatific vision s historical and contemporary significance
