Migrant Souls A Novel:

Migrant Souls Arturo Islas, 1991 **Luis Leal** Mario T. García, 2010-01-01 Professor Luis Leal is one of the most outstanding scholars of Mexican Latin American and Chicano literatures and the dean of Mexican American intellectuals in the United States He was one of the first senior scholars to recognize the viability and importance of Chicano literature and through his perceptive literary criticism helped to legitimize it as a worthy field of study His contributions to humanistic learning have brought him many honors including Mexico's Aquila Azteca and the United States National Humanities Medal In this testimonio or oral history Luis Leal reflects upon his early life in Mexico his intellectual formation at Northwestern University and the University of Chicago and his work and publications as a scholar at the Universities of Illinois and California Santa Barbara Through insightful questions Mario García draws out the connections between literature and history that have been a primary focus of Leal's work He also elicits Leal's assessment of many of the prominent writers he has known and studied including Mariano Azuela William Faulkner Octavio Paz Carlos Fuentes Juan Rulfo Gabriel García Márquez Jorge Luis Borges Tomás Rivera Rolando Hinojosa Rudolfo Anaya Elena Poniatowska Sandra Cisneros Richard Rodríguez and Ana Castillo **Dancing with Ghosts** Frederick Luis Aldama, 2005 A critical biography of novelist poet and former Stanford professor Arturo Islas 1938-1991 **The Columbia History of the American Novel** Emory Elliott, 1991 Designed as a companion to The Columbia Literary History of the United States this compilation of 31 major essays covers the American novel from the 1700s to the present although the majority deal with the 20th century Within each era themes genres and topics such as realism gender romance and technology are discussed in depth as well as modern Canadian Caribbean and Latin American fiction Each essayist selects only the authors who best illustrate the topic thus subtly skewing the view of the literary scene at that time The volume also covers women minorities popular fiction and the book marketplace ISBN 0 231 07360 7 59 95 **The Cambridge Companion to Race and American Literature** John Ernest, 2024-06-27 A comprehensive study of how American racial history and culture have shaped and have been shaped by American literature *Disidentifications* José Esteban Muñoz, 2013-11-30 There is more to identity than identifying with one's culture or standing solidly against it José Esteban Muñoz looks at how those outside the racial and sexual mainstream negotiate majority culture not by aligning themselves with or against exclusionary works but rather by transforming these works for their own cultural purposes Muñoz calls this process disidentification and through a study of its workings he develops a new perspective on minority performance survival and activism *Disidentifications* is also something of a performance in its own right an attempt to fashion a queer world by working on with and against dominant ideology By examining the process of identification in the work of filmmakers performance artists ethnographers Cuban choteo forms of gay male mass culture such as pornography museums art photography camp and drag and television Muñoz persistently points to the intersecting and short-circuiting of identities and desires that result from misalignments with the cultural and ideological mainstream in

contemporary urban America Muñoz calls attention to the world making properties found in performances by queers of color in Carmelita Tropicana's Camp Choteo style politics Marga Gomez's performances of queer childhood Vaginal Creme Davis's Terrorist Drag Isaac Julien's critical melancholia Jean Michel Basquiat's disidentification with Andy Warhol and pop art Felix Gonzalez Torres's performances of disidentity and the political performance of Pedro Zamora a person with AIDS within the otherwise artificial environment of the MTV serial *The Real World* **Border Matters** José David Saldívar, 2023-04-28

Border Matters locates the study of Chicano culture in a broad social context José Saldívar examines issues of representation and expression in a diverse exciting assortment of texts corridos novels poems short stories punk and hip hop music ethnography paintings performance art and essays Saldívar provides a sophisticated model for a new kind of U.S. cultural studies one that challenges the homogeneity of U.S. nationalism and popular culture by foregrounding the contemporary experiences and historical circumstances facing Chicanos and Chicanas This intellectually adventurous politically engaged study applies borderlands and diaspora theory to Chicano cultural practices in a way that permanently changes our understanding of both the Chicano experience and the meaning of cultural theory Defying national and nationalistic paradigms of culture Saldívar argues that the culture of the borderlands is trans national constituting a social space in which new relations hybrid cultures and multi voiced aesthetics are negotiated Saldívar's critical readings treat culture as a social force and reveal the presence of social contexts within cultural texts *Border Matters* maps out a new terrain for the study of culture reshaping the way we understand migration national identity and intellectual inquiry itself *Border Matters* locates the study of Chicano culture in a broad social context José Saldívar examines issues of representation and expression in a diverse exciting assortment of texts corridos novels poems short stories punk and hip hop *Historical Dictionary of U.S. Latino Literature*

Francisco A. Lomelí, Donald W. Urioste, María Joaquina Villaseñor, 2016-12-27 U.S. Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U.S. Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The *Historical Dictionary of U.S. Latino Literature* contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U.S. Latino authors and terms relevant to the nature of U.S. Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject **Encyclopedia of Hispanic-American Literature** Luz Elena Ramirez, 2015-04-22 Presents a reference on

Hispanic American literature providing profiles of Hispanic American writers and their works **Latino/a Literature in the Classroom** Frederick Luis Aldama, 2015-06-19 In one of the most rapidly growing areas of literary study this volume

provides the first comprehensive guide to teaching Latino literature in all variety of learning environments Essays by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel short story plays poetry autobiography testimonial comic book children and young adult literature film performance art and multi media digital texts among others The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods linguistic communities and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice

New Strangers in Paradise Gilbert H. Muller, 2014-07-11 *New Strangers in Paradise* offers the first in depth account of the ways in which contemporary American fiction has been shaped by the successive generations of immigrants to reach U S shores Gilbert Muller reveals how the intersections of peoples regions and competing cultural histories have remade the American cultural landscape in the aftermath of World War II Muller focuses on the literature of Holocaust survivors Chicanos Latinos African Caribbeans and Asian Americans In the quest for a new identity each of these groups seeks the American dream and rewrites the story of what it means to be an American *New Strangers in Paradise* explores the psychology of uprooted peoples and the relations of culture and power addressing issues of race and ethnicity multiculturalism and pluralism and national and international conflicts Examining the groups of immigrants in the cultural and historical context both of America and of the lands from which they originated Muller argues that this fourth wave of immigration has led to a creative flowering in modern fiction The book offers a fresh perspective on the writings of Vladimir Nabokov Saul Bellow William Styron Maxine Hong Kingston Amy Tan Oscar Hijuelos Jamaica Kincaid Bharati Mukherjee Rudolfo Anaya and many others

Border Confluences Rosemary A. King, 2004-02-01 Writers focusing on the U S Mexico border are keen observers of cultural interaction and their work offers a key to understanding the region and its most important issues For more than 150 years novelists from both the United States and Mexico have spun stories about the borderlands in which characters react to cultural differences in the region and this has become a dominant theme in border fiction Authors such as Helen Hunt Jackson Carlos Fuentes Cormac McCarthy and Leslie Marmon Silko have not only created important literature in so doing they have also helped define the border Writers who are drawn to the borderlands owe the narrative power of their work to compelling relationships between literary constructions of space and artistic expressions of cultural encounter Rosemary King now offers a new way of understanding the conflicts these writers portray by analyzing their representations of geography and genre *Border Confluences* examines how the theme of cultural difference influences the ways that writers construct narrative space and the ways their characters negotiate those spaces from domestic sphere to national territory public school to utopia King shows how fictional characters various responses to cultural encounters adapting resisting challenging sympathizing depend on the artistic rendering of spaces and places around them and she examines the

connection between writers evocation of place and the presence of cultural interaction along the border as expressed in novels written since the mid nineteenth century Drawing on historical romances Hispanic coming of age novels travel narratives and utopian literature King offers plot summaries of such key works as *Ramona* *All the Pretty Horses* and *Almanac of the Dead* as she analyzes representations of both the spaces in which characters function and the places they inhabit relative to the border *Border Confluences* is a provocative study that offers insight into the ways words and space combine and recombine over time to create representations of the borderlands as a site where places and cultures continue to generate powerful narrative Through it scholars and students in such disciplines as ethnic studies sociology and women s studies will find that novels centered on the border are not merely works of literature but also keys to understanding the region and its most important issues

The Oxford History of the Novel in English Cyrus R. K. Patell,Deborah Lindsay Williams,2024-03-05 The Oxford History of the Novel in English is a twelve volume series presenting a comprehensive global and up to date history of English language prose fiction written by a large international team of scholars The series is concerned with novels as a whole not just the literary novel and each volume includes chapters on the processes of production distribution and reception and on popular fiction and the fictional sub genres as well as outlining the work of major novelists movements and tendencies This book offers an account of US fiction during a period demarcated by two traumatic moments the eve of the entry of the United States into the Second World War and the onset of the Covid 19 pandemic The aftermath of the Second World War was arguably the high point of US nationalism but in the years that followed US writers would increasingly explore the possibility that US democracy was a failure both at home and abroad For so many of the writers whose work this volume explores the

idea of nation became suspect as did the idea of national literature as the foundation for US writing Looking at post 1940s writing the literary historian might well chart a movement within literary cultures away from nationalism and toward what we would call cosmopolitanism a perspective that fosters conversations between the occupants of different cultural spaces and that regards difference as an opportunity to be embraced rather than a problem to be solved During this period the novel has had significant competition for the US public's attention from other forms of narrative and media film television comic books videogames and the internet and the various forms of social media that it spawned If however the novel becomes a residual form during this period it is by no means archaic The novel has been reinvigorated over the past eighty years by its encounters with both emergent forms such as film television comic books and digital media and the emergent voices typically associated with multiculturalism in the United States

Melting Pots & Mosaics: Children of Immigrants in US-American Literature Rüdiger Heinze, 2017-12-15 In the past decades children of immigrants have drawn increased attention not only in press and media but also in a number of academic fields among them sociology history or ethnology Surprisingly literary and cultural studies have been somewhat more reluctant to approach the topic While there is work on individual authors or at the very most particular ethnic groups comparative approaches are rare This monograph aims to amend this It provides an extensive discussion of US American literature about children of immigrants comparing different authors different ethnic groups and different literary and historical contexts

A Companion to US Latino Literatures Carlota Caulfield, Darién J. Davis, 2007 A panorama of literature by Latinos whether born or resident in the United States

Pocahontas Robert S. Tilton, 1994-11-25 Centering around her legendary rescue of Smith from the brink of execution and her subsequent marriage to a white Jamestown colonist the Pocahontas convention developed into a source of national debate over such broad issues as miscegenation racial conflict and colonial expansion
