The Agony of Christianity ; And, Essays on Faith Miguel de Unamuno, 1974 Unamuno's long essay on Christianity as a state of agony is followed by nine essays including Nicodemus the Pharisee Faith and What is Truth Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Miguel de Unamuno's Quest for Faith* Jan E Evans, 2014-06-26 Miguel de Unamuno 1864 1936 was a extraordinary Spanish thinker a philosopher linguist poet novelist short story writer essayist playwright professor university administrator and Spanish public intellectual He had great intellectual integrity and moral courage Unamuno is not an easy philosopher to read He loved paradoxes and even at times contradictions Various interpreters have called him an atheist a sceptic a Protestant a pantheist a Catholic modernist and a good Catholic Passages can be found in his writings that can be taken to support all of these interpretations In the present book Jan E Evans does an incisive and thorough job of sorting through the Unamuno corpus and arriving at a definitive interpretation of his views One great asset of Evans work is the insight she gains by comparing Unamuno's works with the philosophers whom he admired most and considered his fellow travellers in the tragic sense of life These include Blaise Pascal 1623 1662 William James 1842 1910 and especially Soren Kierkegaard 1813 1855 This book examines the life and work of Unamuno through the lens of his faith Those who are not familiar with Unamuno will find here a clear exposition of the most important themes in the thinker's work along with a framework through which one can profitably begin to read his primary texts *Selected Works of Miguel de Unamuno* Miguel de Unamuno, 1974 **Selected Works of Miguel de Unamuno: The agony of Christianity, and Essays on faith** Miguel de Unamuno, 1967 **The Agony of Christianity** Miguel de Unamuno, 1928 **La agonía del cristianismo**

Miguel de Unamuno, 2000 Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Myth and the Limits of Reason** Phillip Stambovsky, 2021-11-15 Traditionally understood as pre critical even pre rational mythical thought has in fact played a critical role in post Enlightenment intellectual history Modernists in philosophy and literature have used the depictive rationality of myth to disclose in self reflective ways the limits of discursive sense making in various domains of human experience In so doing they have effectively furthered without resort to analytical abstractions the epistemological critique of reason begun during the Enlightenment Stambovsky illustrates four widely diverse examples of this critical form of mythical thinking in works by Kierkegaard Miguel de Unamuno Henry James and Margaret Atwood The selected texts focus respectively on religious national cultural psychosocial and psychobiological realms of experience These illustrations follow an inquiry into why the very possibility of critical mythically inventive mythopoetic reflection is unsatisfactorily explained by leading rationalist accounts of myth It is with this problem in mind that Stambovsky begins his monograph with observations on the origins of rationalist and counter rationalist conceptualizations of myth in the fragments of Xenophanes the father of rationalist mythology and in Plato's Phaedrus Of pivotal import is the early rationalist discrimination of mythos from logos and its epistemological implications the rationalist legacy in the history of the idea of myth Following his look at paradigmatic classical precedents Stambovsky traces the influence of the rationalist legacy in the myth theory of Malinowski L vi Strauss Cassirer Ricoeur and Blumenberg The aim is to reveal how this influence in different ways limits these theories as instruments for detecting and explaining the seminal critical and historical significance of modern mythopoeia This study will be of particular interest to teachers and students of myth theory in departments of philosophy religion literature and cultural anthropology **The Facts on File Companion to the World Novel** Michael Sollars, Arbolina Llamas Jennings, 2008 **Situating Existentialism** Jonathan Judaken, Robert Bernasconi, 2012 This anthology provides a history of the systemization and canonization of existentialism a quintessentially antisystemic mode of thought Situating existentialism within the history of ideas it features new readings on the most influential works in the existential canon exploring their formative contexts and the cultural dialogues of which they were a part Emphasizing the multidisciplinary and global nature of existential arguments the chosen texts relate to philosophy religion literature theater and culture and reflect European Russian Latin American African and American strains of thought Readings are grouped into three thematic categories national contexts existentialism and religion and transcultural migrations that explore the reception of existentialism The

volume explains how literary giants such as Dostoevsky and Tolstoy were incorporated into the existentialist fold and how inclusion into the canon recast the work of Kierkegaard and Nietzsche and it describes the roles played by Jaspers and Heidegger in Germany and the Paris School of existentialism in France Essays address not only frequently assigned works but also underappreciated discoveries underscoring their vital relevance to contemporary critical debate Designed to speak to a new generation s concerns the collection deploys a diverse range of voices to interrogate the fundamental questions of the human condition

No Other God Gabriel Vahanian,2009-09-01 In the aftermath of writing *The Death of God* Vahanian had opportunity to advance his discussion In his introduction to *No Other God* he wrote Taken as nothing less if nothing more than a cultural phenomenon the death of God signifies the transition from radical monotheism to radical immanentism and marks the birth of secularism as the vector of the new religiosity It announces the the advent of a new culturally Christian paganism even while theology is busy overlooking its indigence or covering it up with a glorified but amnesic vocabulary But what I have denounced elsewhere as the charter of the incipient post Christian idolatry is now proclaimed as the first article of an immanentist religiosity So called Christian atheism glories precisely in what I deplored when I first used the term death of God Meanwhile Christian theology serves only to separate the Church from the world instead of pointing to the fact that the Church is or should be what happens when the world hears the Word of God Vahanian recognizing that God is a word and that God is not God without the world ultimately helps readers understand the two poles of language that need to be kept in balance wording the world and worlding the word In this light idolatry of every kind is threatened by new language both symbolic and iconoclastic which serves to usher in a new world

Life Embodied Nicolás Fernández-Medina,2018-05-30 The concept of vital force the immanent energy that promotes the processes of life in the body and in nature has proved a source of endless fascination and controversy Indeed the question of what vitalizes the body has haunted humanity since antiquity and became even more pressing during the Scientific Revolution and beyond Examining the complexities and theories about vital force in Spanish modernity Nicol s Fern ndez Medina s *Life Embodied* offers a novel and provocative assessment of the question of bodily life in Spain Starting with Juan de Cabriada s landmark *Carta filosofica m dico chymica* of 1687 and ending with Ram n G mez de la Serna s avant gardism of the 1910s Fern ndez Medina incorporates discussions of anatomy philosophy science critical theory history of medicine and literary studies to argue that concepts of vital force served as powerful vehicles to interrogate the possibilities and limits of corporeality Paying close attention to how the body s capabilities were conceived and strategically woven into critiques of modernity Fern ndez Medina engages the work of Miguel Boix y Moliner Mart n Mart

nez Diego de Torres Villarroel Sebasti n Guerrero Herreros Ignacio Mar a Ruiz de Luzuriaga Gaspar Melchor de Jovellanos Pedro Mata y Fontanet ngela Grassi Juli n Sanz del R o Miguel de Unamuno and P o Baroja among others Drawing on extensive research and analysis Life Embodied breaks new ground as the first book to address the question of vital force in Spanish modernity

The Pilgrim Road Brian Albert Gerrish, 1999-10-01 Gerrish interprets perennial themes such as God faith sin forgiveness evil and moral action in ways at once faithful to tradition and relevant to contemporary believers Gerrish uses a journey motif the journey of Christian life in which we are all pilgrims searching for truth on the road He conveys the process of faith development in the face of issues that challenge simple belief

Miguel De Unamuno The Agony Of Belief Introduction

In the digital age, access to information has become easier than ever before. The ability to download Miguel De Unamuno The Agony Of Belief has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Miguel De Unamuno The Agony Of Belief has opened up a world of possibilities. Downloading Miguel De Unamuno The Agony Of Belief provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Miguel De Unamuno The Agony Of Belief has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Miguel De Unamuno The Agony Of Belief. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Miguel De Unamuno The Agony Of Belief. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Miguel De Unamuno The Agony Of Belief, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Miguel De Unamuno The Agony Of Belief has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
